Item 1.01. Entry into a Material Definitive Agreement.

On January 27, 2019, TCF Financial Corporation (“TCF”) and Chemical Financial Corporation (“Chemical”) entered into an Agreement and Plan of Merger (the “Merger Agreement”), pursuant to which TCF and Chemical have agreed to effect a merger-of-equals transaction. The Merger Agreement provides that, upon the terms and subject to the conditions set forth therein, TCF will merge with and into Chemical, with Chemical continuing as the surviving entity (the “Merger”). Immediately following the Merger, or at such later time as the parties may mutually agree, Chemical Bank, a Michigan banking corporation and wholly-owned subsidiary of Chemical, will merge with and into TCF National Bank, a national banking association and wholly-owned subsidiary of TCF, with TCF National Bank continuing as the surviving bank (the “Bank Merger”).

At the effective time of the Merger (the “Effective Time”), Chemical will change its name to TCF Financial Corporation. The combined company will be headquartered in Detroit, Michigan. The Merger Agreement has been unanimously approved by the boards of directors of TCF and Chemical.

Merger Consideration

Subject to the terms and conditions of the Merger Agreement, at the Effective Time, each outstanding share of TCF common stock will be converted into the right to receive, without interest, 0.5081 shares of Chemical common stock (the “Exchange Ratio”). Also at the Effective Time, each outstanding share of 5.70% Series C Non-Cumulative Perpetual Preferred Stock of TCF, will be converted into the right to receive, without interest, one share of a newly created series of preferred stock of Chemical with equivalent rights and preferences (the “New Chemical Preferred Stock”). The shares of Chemical common stock and New Chemical Preferred Stock to be issued in the Merger will be listed on Nasdaq.

At the Effective Time, each equity award granted under TCF’s equity plans (a “TCF Equity Award”) outstanding immediately prior to the Effective Time will be adjusted so that its holder will be entitled to receive a number of shares of Chemical common stock equal to the product of (i) the number of shares of TCF common stock subject to such TCF Equity Award, as applicable, immediately prior to the Effective Time multiplied by (ii) the Exchange Ratio and (iii) rounded, as applicable, to the nearest whole share, and shall otherwise remain subject to the same terms and conditions (including, without limitation, with respect to vesting conditions (taking into account any vesting upon the occurrence of the Effective Time that is applicable to the TCF Equity Awards granted to TCF’s non-employee directors) and cash dividend equivalent rights). All TCF Equity Awards held by an employee whose employment will continue with the combined company or its subsidiaries after the Merger will vest in their entirety to the extent such employee’s employment is terminated by the combined company without cause or by the employee for good reason prior to the second anniversary of the closing date of the Merger. For any TCF Equity Awards that are subject to performance-based vesting, the number of shares of TCF common stock underlying such award will be calculated and fixed as of the Effective Time assuming achievement of the applicable performance conditions at the greater of target level performance and the actual level of achievement of such conditions based on TCF’s performance results through the latest practicable date prior to the Effective Time, and such awards will convert into service-based vesting awards with the applicable vesting date to be the last day of the original performance period.

Certain Governance Matters

Under the Merger Agreement and the bylaws of the combined company, upon completion of the Merger:

- Gary Torgow, the current Executive Chair of the board of directors of Chemical, will continue as the Executive Chair of the board of directors of the combined company;
- Vance K. Opperman, the current lead director of TCF's board of directors, will become lead director of the combined company;
- Craig R. Dahl, the current Chairman, President and Chief Executive Officer of TCF, will become and serve as the Chief Executive Officer and President of the combined company and Chief Executive Officer of the combined bank; and
- David T. Provost, the current President and Chief Executive Officer of Chemical, will become and serve as Vice Chair of the board of directors of the combined company and will become and serve as the Chair of the board of directors of the combined bank.

Under the bylaws of the combined company, until the third anniversary of the completion of the Merger, the affirmative vote of at least 75% of the board of the combined company will be required to remove Mr. Torgow, Mr. Opperman, Mr. Dahl or Mr. Provost from serving in the above-referenced capacities. In addition, at the Effective Time, Thomas Shafer, the current President and Chief Executive Officer of Chemical Bank will become and serve as President and Chief Operating Officer of the combined bank, Dennis L. Klaeser, the current Chief Financial Officer of Chemical, will continue as Chief Financial Officer of the combined company, and Brian Maass, the current Chief Financial Officer of TCF, will become and serve as Deputy Chief Financial Officer and Treasurer of the combined company.

The board of directors of the combined company will, until the third anniversary of the completion of the Merger, consist of 16 members, with eight from each of TCF and Chemical, consisting of (a) Mr. Dahl, Mr. Opperman and six other independent directors of TCF to be designated by TCF and (b) Mr. Torgow, Mr. Provost and six other independent directors of Chemical to be designated by Chemical. In addition, under the bylaws of the combined company, until the third anniversary of the completion of the Merger, each committee of the board of directors of the combined company will have at least four members and be composed of an equal number of former TCF directors and former Chemical directors (subject to compliance with independence requirements and any other membership requirements under applicable stock exchange rules).

Certain Other Terms and Conditions of the Merger Agreement

The Merger Agreement contains customary representations and warranties from both TCF and Chemical, and each party has agreed to customary covenants, including, among others, covenants relating to the conduct of TCF's and Chemical's businesses during the interim period between the execution of the Merger Agreement and the Effective Time, and TCF's and Chemical's obligations to call meetings of their respective shareholders to adopt or approve the Merger Agreement and, in the case of Chemical, to approve an amendment to its articles of incorporation (the "Charter Amendment") to change its name to TCF Financial Corporation and to increase the number of authorized shares of Chemical common stock and, subject to certain exceptions, to recommend that their respective shareholders adopt or approve the Merger Agreement. Each of TCF and Chemical has also agreed not to initiate, solicit, knowingly encourage or knowingly facilitate, inquiries or proposals with respect to, or, subject to certain exceptions generally related to its board of directors' exercise of its fiduciary duties (as set forth in the Merger Agreement), engage in any negotiations concerning or provide any confidential information relating to, any alternative acquisition proposals.

The completion of the Merger is subject to customary conditions, including, among others, (a) the adoption of the Merger Agreement by the holders of TCF common stock, (b) the approval of the merger agreement and the Charter Amendment by the holders of Chemical common stock, (c) authorization for listing on the Nasdaq of the shares of Chemical common stock and New Chemical Preferred Stock to be issued in the Merger, (d) the effectiveness under the Securities Act of 1933, as amended, of the Registration Statement on Form S-4 for the Chemical common stock and New Chemical Preferred Stock to be issued in the Merger, (e) the absence of any order, injunction or other legal restraint preventing the completion of the Merger or making the consummation of the Merger illegal and (f) the receipt of required regulatory approvals including the approval of the Board of Governors of the Federal Reserve System (in connection with the Merger) and the Office of the Comptroller of the Currency (in connection with the Bank Merger). Each party's obligation to complete the Merger is also subject to certain additional customary conditions, including (i) subject to certain exceptions, the accuracy of the representations and warranties of the other party, generally subject to a material adverse effect qualification, (ii) performance in all material respects by the other party of its obligations under the Merger Agreement and (iii) receipt by such party of an opinion from its counsel to the effect that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended.

The Merger Agreement provides certain termination rights for both TCF and Chemical and further provides that a termination fee of \$134.0 million will be payable by TCF or Chemical to the other party, as applicable, upon termination of the Merger Agreement under certain circumstances.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, which is filed as Exhibit 2.1 hereto and is incorporated herein by reference. The representations, warranties and covenants of each party set forth in the Merger Agreement have been made only for purposes of, and were and are solely for the benefit of the parties to, the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between TCF and Chemical instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Accordingly, the representations and warranties may not describe the actual state of affairs at the date they were made or at any other time, and investors should not rely on them as statements of fact. In addition, such representations and warranties (1) will not survive consummation of the Merger, unless otherwise specified therein, and (2) were made only as of the date of the Merger Agreement or such other date as is specified in the Merger Agreement. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the parties' public disclosures. Accordingly, the Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Merger Agreement, and not to provide investors with any other factual information regarding TCF or Chemical, their respective affiliates or their respective businesses. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding TCF, Chemical, their respective affiliates or their respective businesses, the Merger Agreement and the Merger that will be contained in, or incorporated by reference into, the Registration Statement on Form S-4 to be filed by Chemical under the Securities Act of 1933, as amended, that will include a Joint Proxy Statement of TCF and Chemical and a Prospectus of Chemical, as well as in the Forms 10-K, Forms 10-Q and other filings that each of TCF and Chemical make with the Securities and Exchange Commission.

In the event of a termination of employment by the combined company without cause or by Mr. Dahl for good reason, subject to Mr. Dahl's execution and non-revocation of a release of claims, Mr. Dahl will be eligible to receive:

- a lump sum equal to 2.5 times the sum of (i) his annual base salary and (ii) his annual target bonus;
- any earned but unpaid annual bonus;
- payment of monthly COBRA insurance premiums for up to twenty-four months; and

Under the Employment Agreement, Mr. Dahl is subject to non-competition and employee and customer non-solicitation covenants during and following termination of his employment.

The foregoing description of the Employment Agreement is qualified in all respects by reference to the full text of the Employment Agreement, a copy of which is attached as Exhibit 10.1 to this Current Report on Form 8-K, which is incorporated into this Item 5.02 by reference.

AGREEMENT AND PLAN OF MERGER, dated as of January 27, 2019 (this “Agreement”), by and between TCF Financial Corporation, a Delaware corporation (“TCF”), and Chemical Financial Corporation, a Michigan corporation (“Chemical”; each of TCF and Chemical, a “Party” and collectively, the “Parties”).

WITNESSETH:

WHEREAS , the Board of Directors of TCF has unanimously (i) determined that this Agreement and the “merger of equals” and other transactions contemplated hereby are in the best interests of TCF and TCF’s stockholders, and declared that this Agreement is advisable, and (ii) approved the execution, delivery and performance by TCF of this Agreement and the consummation of the transactions contemplated hereby, including the Merger;

WHEREAS , the Board of Directors of Chemical has unanimously (i) determined that this Agreement and the “merger of equals” and other transactions contemplated hereby are in the best interests of Chemical and Chemical’s shareholders, and (ii) approved the execution, delivery and performance by Chemical of this Agreement and the consummation of the transactions contemplated hereby, including the Merger;

WHEREAS , the Board of Directors of TCF, subject to the terms of this Agreement, has resolved to recommend that TCF’s stockholders adopt this Agreement and to submit this Agreement to TCF’s stockholders for adoption;

WHEREAS , the Board of Directors of Chemical, subject to the terms of this Agreement, has resolved to recommend that Chemical’s shareholders approve this Agreement and to submit this Agreement to Chemical’s shareholders for approval;

WHEREAS, substantially concurrently with the execution and delivery of this Agreement, each of Gary Torgow, David T. Provost and Craig R. Dahl has entered into an employment agreement, which will be effective as of and subject to the occurrence of the Effective Time;

WHEREAS, for U.S. federal income tax purposes, it is intended that the Merger shall qualify as a “reorganization” within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the “Code”), and this Agreement is intended to be and is adopted as a plan of reorganization for purposes of Sections 354 and 361 of the Code; and

WHEREAS, the Parties desire to make certain representations, warranties and agreements in connection with the Merger and also to prescribe certain conditions to the Merger.

NOW, THEREFORE, in consideration of the mutual covenants, representations, warranties and agreements contained herein, and intending to be legally bound hereby, the Parties agree as follows:

ARTICLE I
THE MERGER

1.1. The Merger. Subject to the terms and conditions of this Agreement, in accordance with the Delaware General Corporation Law (the “DGCL”) and the Michigan Business Corporation Act (the “MBCA”), at the Effective Time, TCF shall merge with and into Chemical (the “Merger”), with Chemical surviving the Merger (hereinafter sometimes referred to in such capacity as the “Surviving Corporation”). The Surviving Corporation shall continue its corporate existence under the laws of the State of Michigan.

1.2. Closing. Subject to the terms and conditions of this Agreement, the closing of the Merger (the “Closing”) will occur by electronic exchange of documents at 10:00 a.m. New York City time, on a date which shall be no later than three (3) business days after the satisfaction or waiver (subject to applicable law) of the latest to occur of the conditions set forth in Article VII hereof (other than those conditions that by their nature can be satisfied only at the Closing, but subject to the satisfaction or waiver of all conditions at the Closing), unless extended by mutual agreement of the Parties (the “Closing Date”).

1.3. Effective Time. The Merger shall become effective as set forth in the certificates of merger with respect to the Merger (the “Certificates of Merger”) to be filed with the Secretary of State of the State of Delaware (the “Delaware Secretary”) and the Michigan Department of Licensing and Regulatory Affairs (the “Michigan DLRA”). The term “Effective Time” shall mean the date and time when the Merger becomes effective, as set forth in the Certificates of Merger.

1.4. Effects of the Merger. At and after the Effective Time, the Merger shall have the effects set forth in the applicable provisions of the DGCL, the MBCA and this Agreement.

1.5. Conversion of TCF Capital Stock. At the Effective Time, by virtue of the Merger and without any action on the part of Chemical, TCF or the holder of any of the following securities:

(a) Each share of 5.70% Series C Non-Cumulative Perpetual Preferred Stock, par value \$0.01 per share, of TCF (the “TCF Preferred Stock”) issued and outstanding immediately prior to the Effective Time, except for shares of TCF Preferred Stock owned by TCF as treasury stock or owned by TCF or Chemical (in each case other than in a fiduciary or agency capacity or as a result of debts previously contracted), shall be converted into the right to receive, without interest, one share of a newly created series of preferred stock of Chemical having the powers, preferences and rights in the form set forth in Exhibit 1 attached hereto (all shares of the newly created series of preferred stock, the “New Chemical Preferred Stock”).

(b) Subject to Section 2.2(f), each share of common stock, par value \$0.01 per share, of TCF (the “TCF Common Stock”) issued and outstanding immediately prior to the Effective Time, except for shares of TCF Common Stock owned by TCF as treasury stock or owned by TCF or Chemical (in each case other than in a fiduciary or agency capacity or as a result of debts previously contracted), shall be converted into the right to receive, without interest, 0.5081 shares (the “Exchange Ratio”) and such shares, the “Merger Consideration”) of common stock, par value \$1.00 per share, of Chemical (the “Chemical Common Stock”). The TCF Common Stock, together with the TCF Preferred Stock, is referred to herein as the “TCF Capital Stock.”

(c) All of the shares of TCF Capital Stock converted into the right to receive Chemical Common Stock or New Chemical Preferred Stock, as applicable, pursuant to this Article I shall no longer be outstanding and shall automatically be cancelled and shall cease to exist as of the Effective Time, and each certificate (each, a “Certificate,” it being understood that any reference herein to “Certificate” shall be deemed to include reference to book-entry account statements relating to the ownership of shares of TCF Capital Stock or Chemical capital stock, as applicable) previously representing any such shares of TCF Capital Stock shall thereafter represent only the right to receive (i) in the case of TCF Common Stock, (A) a Certificate representing the number of whole shares of Chemical Common Stock which such shares of TCF Common Stock represented by such Certificate have been converted into the right to receive pursuant to Section 1.5(b), (B) cash in lieu of fractional shares which the shares of TCF Common Stock represented by such Certificate have been converted into the right to receive pursuant to Section 2.2(f), without any interest thereon, and (C) any dividends or distributions which the holder thereof has the right to receive pursuant to Section 2.2 or (ii) in the case of TCF Preferred Stock, (A) a Certificate representing shares of the applicable series of New Chemical Preferred Stock which such shares of TCF Preferred Stock represented by such Certificate have been converted into the right to pursuant to Section 1.5(a) and (B) any dividends or distributions which the holder thereof has the right to receive pursuant to Section 2.2. Certificates previously representing shares of TCF Capital Stock shall be exchanged for certificates (or, at Chemical’s option, evidence of shares in book-entry form) representing whole shares of Chemical Common Stock or New Chemical Preferred Stock (in each case, together with any dividends or distributions with respect thereto and, in the case of TCF Common Stock, cash in lieu of fractional shares issued in consideration therefor) upon the surrender of such Certificates in accordance with Section 2.2, without any interest thereon. If, prior to the Effective Time, the outstanding shares of Chemical Common Stock or TCF Capital Stock shall have been increased, decreased, changed into or exchanged for a different number or kind of shares or securities as a result of a reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split, or other similar change in capitalization, or there shall be any extraordinary dividend or distribution, an appropriate and proportionate adjustment shall be made to the Exchange Ratio.

(d) Notwithstanding anything in this Agreement to the contrary, at the Effective Time, all shares of TCF Common Stock or TCF Preferred Stock that are owned by TCF or Chemical (in each case other than in a fiduciary or agency capacity or as a result of debts previously contracted) shall be cancelled and shall cease to exist and no capital stock of Chemical or other consideration shall be delivered in exchange therefor.

1.6. Treatment of TCF Equity Awards .

(a) Each TCF Equity Award that is outstanding immediately prior to the Effective Time shall, as of the Effective Time, be adjusted so that its holder will be entitled to receive upon vesting of such award a number of shares of Chemical Common Stock (i) equal to the product of (A) the number of shares of TCF Common Stock subject to such TCF Equity Award, as applicable, immediately prior to the Effective Time multiplied by (B) the Exchange Ratio and (ii) rounded, as applicable, to the nearest whole share (with 0.50 being rounded upward), and shall otherwise remain subject to the same terms and conditions (including, without limitation, with respect to vesting conditions (taking into account any vesting upon the occurrence of the Effective Time that is applicable to TCF Equity Awards granted to the non-employee directors of the Board of Directors of TCF) and cash dividend equivalent rights and other than to reflect that the TCF Performance-Based Awards that become Assumed TCF Equity Awards will be service-based vesting awards with the applicable vesting date to be the last day of the original performance period); provided, however, all Assumed TCF Equity Awards held by a Continuing Employee shall vest in their entirety to the extent such Continuing Employee undergoes a Covered Termination.

(b) Prior to the Effective Time, TCF and the Board of Directors of TCF (or the appropriate committee thereof administering the TCF Equity Plans) shall adopt resolutions and take such other actions as necessary to effectuate the provisions of this Section 1.6, including without limitation the conversion of the TCF Performance-Based Awards into service-based vesting Assumed TCF Equity Awards.

(c) Chemical shall take such actions as are necessary for the assumption of the TCF Equity Plans and each Assumed TCF Equity Award granted thereunder, including the reservation, issuance and listing of Chemical Common Stock as is necessary to effectuate the foregoing provisions of this Section 1.6. Within two (2) business days after the Effective Time, Chemical shall prepare and file with the SEC a registration statement on an appropriate form, or a post-effective amendment to a registration statement previously filed under the Securities Act (as hereinafter defined), with respect to the shares of Chemical Common Stock subject to each Assumed TCF Equity Award and, where applicable, shall use its reasonable best efforts to have such registration statement declared effective as soon as practicable following the Effective Time and to maintain the effectiveness of such registration statement covering such Assumed TCF Equity Award (and to maintain the current status of the prospectus contained therein) for so long as such Assumed TCF Equity Award remains outstanding. From and after the Effective Time, references to TCF in the TCF Equity Plans shall refer instead to Chemical, and references to TCF Common Stock shall refer to Chemical Common Stock.

(d) For purposes of the TCF Performance-Based Awards for which the applicable performance period is not completed prior to the Effective Time and for which performance is achievable at more than one level, the number of shares of TCF Common Stock underlying such TCF Equity Award shall be calculated and fixed as of immediately prior to the Effective Time assuming achievement of the applicable performance conditions at the greater of (i) target level performance and (ii) the actual level of achievement of such conditions based on TCF's performance results through the latest practicable date prior to the Effective Time. For purposes of the TCF Performance-Based Awards for which performance is achievable at a single level, the performance condition shall no longer be relevant as of the Effective Time. For purposes of this Agreement, the following terms shall have the following meanings:

(i) “ Assumed TCF Equity Awards ” means each TCF Equity Award that is outstanding immediately prior to the Effective Time and is converted into an award in respect of Chemical Common Stock in accordance with this Section 1.6 .

(ii) “Chemical Equity Award” means each equity-based award that is granted under the Chemical Stock Plans.

(iv) “Covered Termination” means a termination of a Continuing Employee’s employment with the Surviving Corporation or its Subsidiaries by the applicable employer without Cause (as defined in the TCF Financial 2015 Omnibus Incentive Plan) or by such Continuing Employee with Good Reason (as defined in the TCF Financial 2015 Omnibus Incentive Plan), in either case, prior to the second (2nd) anniversary of the Closing Date.

(v) “TCF Equity Awards” means each equity-based award that is granted under the TCF Equity Plans.

(vi) “TCF Equity Plans” means the TCF Financial 2015 Omnibus Incentive Plan, the TCF Financial Incentive Stock Program, the Executive, Senior Officer, Winthrop and Directors Deferred Compensation Plans, the TCF Employees Deferred Stock Compensation Plan, the Amended and Restated Directors Stock Grant Program and each predecessor plan of any of the foregoing.

(vii) “TCF Performance-Based Award” means each award of a share of TCF Common Stock that is subject to performance-based vesting, repurchase or other lapse restrictions (including each performance-vesting restricted stock unit or restricted stock award in respect of shares of TCF Common Stock), in each case, that is granted under the TCF Equity Plans and outstanding immediately prior to the Effective Time.

1.7. Chemical Common Stock. At and after the Effective Time, each share of Chemical Common Stock issued and outstanding immediately prior to the Effective Time shall remain an issued and outstanding share of common stock of the Surviving Corporation and shall not be affected by the Merger.

1.8. Certificate of Incorporation of Surviving Corporation. At the Effective Time, the Restated Articles of Incorporation of Chemical (the “Chemical Articles”), as in effect immediately prior to the Effective Time, shall be amended as set forth in Exhibit 2 attached hereto and, as so amended (together with the filing of the terms of the New Chemical Preferred Stock attached hereto as Exhibit 1), shall be the Articles of Incorporation of the Surviving Corporation until thereafter amended in accordance with applicable law.

1.9. Bylaws of Surviving Corporation. At the Effective Time, the Bylaws of Chemical (the “Chemical Bylaws”), as in effect immediately prior to the Effective Time, shall be amended and restated in their entirety as set forth in Exhibit 3 attached hereto and, as so amended and restated, shall be the Bylaws of the Surviving Corporation until thereafter amended in accordance with applicable law.

1.10. Bank Merger. Immediately following the Merger or at such later time as Chemical and TCF may mutually agree, Chemical Bank (“Chemical Bank”), a Michigan banking corporation and a wholly-owned Subsidiary of Chemical, will merge (the “Bank Merger”) with and into TCF National Bank, a national banking association and a wholly-owned Subsidiary of TCF (“TCF Bank”). TCF Bank shall be the surviving entity in the Bank Merger and, following the Bank Merger, the separate corporate existence of Chemical Bank shall cease. The Bank Merger shall be implemented pursuant to an agreement and plan of merger, in a form to be mutually agreed upon by the Parties (the “Bank Merger Agreement”). TCF shall cause TCF Bank, and Chemical shall cause Chemical Bank, to execute such certificates of merger and articles of merger and such other agreements, documents and certificates as are necessary to make the Bank Merger effective (“Bank Merger Certificates”) immediately following the Effective Time or at such later time as Chemical and TCF may mutually agree.

ARTICLE II EXCHANGE OF SHARES

2.1. Chemical to Make Merger Consideration Available. At or prior to the Effective Time, Chemical shall deposit, or shall cause to be deposited, with an exchange agent designated by Chemical and reasonably acceptable to TCF (the “Exchange Agent”), for the benefit of the holders of Certificates, for exchange in accordance with this Article II, certificates or, at Chemical’s option, evidence of shares in book entry form (collectively, referred to herein as “certificates”), representing the shares of Chemical Common Stock to be issued to holders of TCF Common Stock and the shares of New Chemical Preferred Stock to be issued to holders of TCF Preferred Stock and, in the case of TCF Common Stock, cash in lieu of fractional shares (such cash and certificates for shares of Chemical Common Stock and New Chemical Preferred Stock, together with any dividends or distributions with respect thereto, being hereinafter referred to as the “Exchange Fund”), to be issued pursuant to Section 1.5 and paid pursuant to Section 2.2(b) in exchange for outstanding shares of TCF Capital Stock.

2.2. Exchange of Shares.

(a) As promptly as practicable after the Effective Time, but in no event later than five (5) business days thereafter, Chemical shall cause the Exchange Agent to mail to (i) each holder of record of one or more Certificates representing shares of TCF Common Stock immediately prior to the Effective Time that have been converted at the Effective Time into the right to receive the Merger Consideration pursuant to Section 1.5(b), a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon proper delivery of the Certificates to the Exchange Agent) and instructions for use in effecting the surrender of the Certificates in exchange for certificates representing the number of whole shares of Chemical Common Stock, and any cash in lieu of fractional shares, which the shares of TCF Common Stock represented by such Certificate or Certificates shall have been converted into the right to receive pursuant to this Agreement as well as any dividends or distributions to be paid pursuant to Section 2.2(c) and (ii) each holder of record of one or more Certificates representing shares of TCF Preferred Stock immediately prior to the Effective Time that have been converted at the Effective Time into the right to receive shares of New Chemical Preferred Stock pursuant to Section 1.5(a), a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon proper delivery of the Certificates to the Exchange Agent) and instructions for use in effecting the surrender of the Certificates in exchange for certificates representing the number of shares of New Chemical Preferred Stock, which the shares of TCF Preferred Stock represented by such Certificate or Certificates shall have been converted into the right to receive pursuant to this Agreement as well as any dividends or distributions to be paid pursuant to Section 2.2(c). Upon proper surrender of a Certificate or Certificates for exchange and cancellation to the Exchange Agent, together with such properly completed letter of transmittal, duly executed, the holder of such Certificate or Certificates shall be entitled to receive in exchange therefor, as applicable, (i) a certificate representing that number of whole shares of Chemical Common Stock or that number of shares of New Chemical Preferred Stock, as applicable, to which such holder of TCF Common Stock or TCF Preferred Stock, as applicable, shall have become entitled pursuant to the provisions of Article I and (ii) a check representing the amount of (A) any cash in lieu of fractional shares which such holder has the right to receive in respect of the Certificate or Certificates representing shares of TCF Common Stock surrendered pursuant to the provisions of this Article II, and (B) any dividends or distributions which the holder thereof has the right to receive pursuant to this Section 2.2, and the Certificate or Certificates so surrendered shall forthwith be cancelled. No interest will be paid or accrued on any cash in lieu of fractional shares, or any dividends or distributions, payable to holders of Certificates. Until surrendered as contemplated by this Section 2.2, each Certificate shall be deemed at any time after the Effective Time to represent only the right to receive, upon surrender, the number of whole shares of Chemical Common Stock or the number of shares of New Chemical Preferred Stock, as applicable, which the shares of TCF Common Stock or TCF Preferred Stock, as applicable, represented by such Certificate have been converted into the right to receive, and any cash in lieu of fractional shares or in respect of dividends or distributions as contemplated by this Section 2.2.

(b) No dividends or other distributions declared with respect to Chemical Common Stock or New Chemical Preferred Stock shall be paid to the holder of any unsurrendered Certificate until the holder thereof shall surrender such Certificate in accordance with this Article II. After the surrender of a Certificate in accordance with this Article II, the record holder thereof shall be entitled to receive any such unpaid dividends or other distributions, without any interest thereon, which theretofore had become payable with respect to the whole shares of Chemical Common Stock or the shares of New Chemical Preferred Stock which the shares of TCF Common Stock or TCF Preferred Stock represented by such Certificate had been converted into the right to receive.

(c) If any certificate representing shares of Chemical Common Stock or New Chemical Preferred Stock is to be issued in a name other than that in which the Certificate or Certificates surrendered in exchange therefor is or are registered, it shall be a condition of the issuance thereof that the Certificate or Certificates so surrendered shall be properly endorsed (or accompanied by an appropriate instrument of transfer) and otherwise in proper form for transfer, and that the person requesting such exchange shall pay to the Exchange Agent in advance any transfer or other similar Taxes required by reason of the issuance of a certificate representing shares of Chemical Common Stock or New Chemical Preferred Stock, as applicable, in any name other than that of the registered holder of the Certificate or Certificates surrendered, or required for any other reason, or shall establish to the satisfaction of the Exchange Agent that such Tax has been paid or is not payable.

(d) After the Effective Time, there shall be no transfers on the stock transfer books of TCF of the shares of TCF Capital Stock that were issued and outstanding immediately prior to the Effective Time. If, after the Effective Time, Certificates representing such shares are presented for transfer to the Exchange Agent, they shall be cancelled and exchanged for certificates representing shares of Chemical Common Stock, New Chemical Preferred Stock and cash in lieu of fractional shares as provided in this Article II.

(e) Notwithstanding anything to the contrary contained herein, no certificates or scrip representing fractional shares of Chemical Common Stock shall be issued upon the surrender for exchange of Certificates, no dividend or distribution with respect to Chemical Common Stock shall be payable on or with respect to any fractional share, and such fractional share interests shall not entitle the owner thereof to vote or to any other rights of a shareholder of Chemical. In lieu of the issuance of any such fractional share, Chemical shall pay to each former stockholder of TCF who otherwise would be entitled to receive such fractional share an amount in cash (rounded to the nearest cent) determined by multiplying (i) the average of the closing sale prices of Chemical Common Stock on Nasdaq as reported by *The Wall Street Journal* for the five (5) full trading days ending on the trading day preceding the Closing Date (the “Chemical Common Stock Closing Price”) by (ii) the fraction of a share (rounded to the nearest thousandth when expressed in decimal form) of Chemical Common Stock which such holder would otherwise be entitled to receive pursuant to Section 1.5.

(f) Any portion of the Exchange Fund that remains unclaimed by the stockholders of TCF for twelve (12) months after the Effective Time shall be paid to Chemical. Any former stockholder of TCF that has not theretofore complied with this Article II shall thereafter look only to Chemical for payment of the shares of Chemical Common Stock, New Chemical Preferred Stock, cash in lieu of fractional shares and any unpaid dividends and distributions on the Chemical Common Stock or New Chemical Preferred Stock, as applicable, deliverable in respect of each former share of TCF Common Stock or TCF Preferred Stock such former stockholder holds as determined pursuant to this Agreement, in each case, without any interest thereon. Notwithstanding the foregoing, none of Chemical, TCF, the Surviving Corporation, the Exchange Agent or any other person shall be liable to any former holder of shares of TCF Capital Stock for any amount delivered in good faith to a public official pursuant to applicable abandoned property, escheat or similar laws.

(g) Each of Chemical and the Exchange Agent shall be entitled to deduct and withhold from any consideration otherwise payable pursuant to this Agreement such amounts as it is required to deduct and withhold with respect to the making of such payment under the Code or any provision of state, local or foreign Tax law. To the extent that amounts are so withheld by Chemical or the Exchange Agent, as the case may be, and paid over to the appropriate governmental authority, the withheld amounts shall be treated for all purposes of this Agreement as having been paid to the person in respect of which the deduction and withholding was made.

(h) In the event any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Certificate to be lost, stolen or destroyed and, if required by Chemical, the posting by such person of a bond in such amount as Chemical may determine is reasonably necessary as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate the shares of Chemical Common Stock or New Chemical Preferred Stock, as applicable, and any cash in lieu of fractional shares and dividends or distributions deliverable in respect thereof pursuant to this Agreement.

**ARTICLE III
REPRESENTATIONS AND WARRANTIES OF TCF**

Except (a) as disclosed in the disclosure schedule delivered by TCF to Chemical concurrently herewith (the “TCF Disclosure Schedule”); provided that (i) no such item is required to be set forth as an exception to a representation or warranty if its absence would not result in the related representation or warranty being deemed untrue or incorrect, (ii) the mere inclusion of an item in the TCF Disclosure Schedule as an exception to a representation or warranty shall not be deemed an admission by TCF that such item represents a material exception or fact, event or circumstance or that such item is reasonably likely to result in a Material Adverse Effect on TCF and (iii) any disclosures made with respect to a section of Article III shall be deemed to qualify (1) any other section of Article III specifically referenced or cross-referenced and (2) other sections of Article III to the extent it is reasonably apparent on its face (notwithstanding the absence of a specific cross reference) from a reading of the disclosure that such disclosure applies to such other sections, or (b) as disclosed in any TCF Reports filed with or furnished to the SEC by TCF after January 1, 2018 and prior to the date hereof (but disregarding risk factor disclosures contained under the heading “Risk Factors,” or disclosures of risks set forth in any “forward-looking statements” disclaimer or any other statements that are similarly non-specific or cautionary, predictive or forward-looking in nature), TCF hereby represents and warrants to Chemical as follows:

3.1. Corporate Organization

(a) TCF is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware and is a bank holding company duly registered with the Board of Governors of the Federal Reserve System (the “Federal Reserve Board”) under the Bank Holding Company Act of 1956, as amended (the “BHC Act”). TCF has the corporate power and authority to own or lease all of its properties and assets and to carry on its business as it is now being conducted in all material respects. TCF is duly licensed or qualified to do business in each jurisdiction in which the nature of the business conducted by it or the character or location of the properties and assets owned or leased by it makes such licensing or qualification necessary, except where the failure to be so licensed or qualified would not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on TCF. As used in this Agreement, the term “Material Adverse Effect” means, with respect to Chemical, the Surviving Corporation or TCF, as the case may be, a material adverse effect on (i) the business, properties, assets, liabilities, results of operations or financial condition of such party and its Subsidiaries, taken as a whole (provided that, with respect to this clause (i), Material Adverse Effect shall not be deemed to include the impact of (A) changes, after the date hereof, in U.S. generally accepted accounting principles (“GAAP”) or applicable regulatory accounting requirements, (B) changes, after the date hereof, in laws, rules or regulations of general applicability to companies in the industries in which such party and its Subsidiaries operate, or interpretations thereof by courts or Governmental Entities, (C) changes, after the date hereof, in global, national or regional political conditions (including the outbreak of war or acts of terrorism) or in economic or market (including equity, credit and debt markets, as well as changes in interest rates) conditions affecting the financial services industry generally and not specifically relating to such party or its Subsidiaries, (D) public disclosure of the execution of this Agreement, public disclosure or consummation of the transactions contemplated hereby (including any effect on a party’s relationships with its customers or employees) or actions expressly required by this Agreement in contemplation of the transactions contemplated hereby, or (E) a decline in the trading price of a party’s common stock or the failure, in and of itself, to meet earnings projections or internal financial forecasts (it being understood that the underlying cause of such decline or failure may be taken into account in determining whether a Material Adverse Effect has occurred); except, with respect to subclauses (A), (B) and (C), to the extent that the effects of such change are materially disproportionately adverse to the business, properties, assets, liabilities, results of operations or financial condition of such party and its Subsidiaries, taken as a whole, as compared to other companies in the industry in which such party and its Subsidiaries operate) or (ii) the ability of such party to timely consummate the transactions contemplated hereby. As used in this Agreement, the word “Subsidiary” shall have the meaning ascribed to it in Section 2(d) of the BHC Act. True and complete copies of the Amended and Restated Certificate of Incorporation, as amended, of TCF (the “TCF Certificate”) and the Amended and Restated Bylaws, as amended, of TCF (the “TCF Bylaws”), as in effect as of the date of this Agreement, have previously been made available by TCF to Chemical.

(b) Each Subsidiary of TCF (a “TCF Subsidiary”) (i) is duly organized and validly existing under the laws of its jurisdiction of organization, (ii) is duly qualified to do business and, where such concept is recognized under applicable law, in good standing in all jurisdictions (whether federal, state, local or foreign) where its ownership or leasing of property or the conduct of its business requires it to be so qualified and (iii) has all requisite corporate power and authority to own or lease its properties and assets and to carry on its business as now conducted, except with respect to each of clause (ii) and (iii) as has not had, and would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on TCF. There are no restrictions on the ability of any Subsidiary of TCF to pay dividends or distributions except, in the case of a Subsidiary that is a regulated entity, for restrictions on dividends or distributions generally applicable to all such regulated entities. The deposit accounts of TCF Bank are insured by the Federal Deposit Insurance Corporation (the “FDIC”) through the Deposit Insurance Fund to the fullest extent permitted by law, all premiums and assessments required to be paid in connection therewith have been paid when due, and no proceedings for the termination of such insurance are pending or threatened. Section 3.1(b) of the TCF Disclosure Schedule sets forth a true and complete list of (x) all Subsidiaries of TCF as of the date hereof (y) all persons (not including TCF Subsidiaries) in which TCF, together with any TCF Subsidiaries, owns (directly or indirectly) 5% or more of a class of voting securities and (z) any “covered fund” (as defined in 12 C.F.R. §248.10(b)) in which TCF, together with any TCF Subsidiaries, owns (directly or indirectly) any interest. The organizational documents of each TCF Subsidiary as in effect as of the date of this Agreement have previously been made available by TCF to Chemical.

3.2. Capitalization.

(a) The authorized capital stock of TCF consists of 280,000,000 shares of TCF Common Stock and 30,000,000 shares of preferred stock, \$0.01 par value per share. The execution and delivery of this Agreement and the consummation of the Merger and the Bank Merger have been duly and validly approved by the Board of Directors of TCF. The Board of Directors of TCF has determined that this Agreement and the transactions contemplated hereby, including the Merger, are in the best interests of TCF and its stockholders, has declared it advisable and has directed that this Agreement and the transactions contemplated hereby be submitted to TCF's stockholders for adoption at a meeting of such stockholders and has adopted a resolution to the foregoing effect. Except for the adoption of this Agreement by the affirmative vote of the holders of a majority of the outstanding shares of TCF Common Stock (the "Requisite TCF Vote"), and the adoption and approval of the Bank Merger Agreement by TCF as TCF Bank's sole shareholder, no other corporate proceedings on the part of TCF are necessary to approve this Agreement or to consummate the transactions contemplated hereby (other than the submission to the stockholders of TCF of an advisory (non-binding) vote on the compensation that may be paid or become payable to TCF's named executive officers that is based on or otherwise related to the transactions contemplated by this Agreement). This Agreement has been duly and validly executed and delivered by TCF and (assuming due authorization, execution and delivery by Chemical) constitutes a valid and binding obligation of TCF, enforceable against TCF in accordance with its terms (except in all cases as such enforceability may be limited by bankruptcy, insolvency, moratorium, reorganization or similar laws affecting the rights of creditors generally and the availability of equitable remedies (the "Enforceability Exceptions")). No appraisal rights are or will be available to any holder of TCF Capital Stock under the DGCL in connection with the Merger.

(b) Neither the execution and delivery of this Agreement by TCF nor the consummation by TCF of the transactions contemplated hereby, including the Merger and the Bank Merger, nor compliance by TCF with any of the terms or provisions hereof, will (i) violate any provision of the TCF Certificate or the TCF Bylaws (or the organizational documents of any Subsidiary of TCF) or (ii) assuming that the consents and approvals referred to in Section 3.4 are duly obtained, (x) violate any statute, code, ordinance, rule, regulation, judgment, order, writ, decree or injunction applicable to TCF or any of its Subsidiaries or any of their respective properties or assets or (y) violate, conflict with, result in a breach of any provision of or the loss of any benefit under, constitute a default (or an event which, with notice or lapse of time, or both, would constitute a default) under, result in the termination of or a right of termination or cancellation under, accelerate the performance required by, or result in the creation of any Lien upon any of the respective properties or assets of TCF or any of its Subsidiaries under, any of the terms, conditions or provisions of any note, bond, mortgage, indenture, deed of trust, license, lease, agreement or other instrument or obligation to which TCF or any of its Subsidiaries is a party, or by which they or any of their respective properties or assets may be bound, except (in the case of clause (y) above) for such violations, conflicts, breaches, defaults, terminations, cancellations, accelerations or creations which, either individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on TCF.

3.4. Consents and Approvals. Except for (a) the filing of applications, filings and notices, as applicable, with Nasdaq and the New York Stock Exchange, (b) the filing of applications, filings and notices, as applicable, with the Federal Reserve Board in connection with the Merger and approval or waiver of such applications, filings and notices, (c) the filing of applications, filings and notices, as applicable, with the Office of the Comptroller of the Currency (the “OCC”) in connection with the Bank Merger and approval of such applications, filings and notices, (d) the filing of any required applications, filings or notices with any state banking authorities listed on Section 3.4 of the TCF Disclosure Schedule or Section 4.4 of the Chemical Disclosure Schedule and approval of such applications, filings and notices, (e) the filing with the Securities and Exchange Commission (the “SEC”) of a joint proxy statement in definitive form relating to the meetings of TCF’s stockholders and Chemical’s shareholders to be held in connection with this Agreement and the transactions contemplated hereby (including any amendments or supplements thereto, the “Joint Proxy Statement”), and of the registration statement on Form S-4 in which the Joint Proxy Statement will be included as a prospectus, to be filed with the SEC by Chemical in connection with the transactions contemplated by this Agreement (the “S-4”) and declaration by the SEC of the effectiveness of the S-4, (f) the filing of the Certificate of Merger with the Delaware Secretary pursuant to the DGCL and the Michigan DLRA pursuant to the MBCA, and the filing of the Bank Merger Certificates, (g) such filings and approvals as are required to be made or obtained under the securities or “Blue Sky” laws of various states in connection with the issuance of the shares of Chemical Common Stock and New Chemical Preferred Stock (or depository shares in respect thereof) pursuant to this Agreement and (h) the approval of the listing of such Chemical Common Stock and New Chemical Preferred Stock (or depository shares in respect thereof) on Nasdaq, no consents or approvals of or filings or registrations with any court, administrative agency or commission or other governmental authority or instrumentality or SRO (each a “Governmental Entity”) are necessary in connection with (i) the execution and delivery by TCF of this Agreement or (ii) the consummation by TCF of the Merger and the other transactions contemplated hereby (including the Bank Merger). As of the date hereof, TCF has no knowledge of any reason why the necessary regulatory approvals and consents will not be received in order to permit consummation of the Merger and the Bank Merger on a timely basis.

3.5. Reports.

(a) TCF and each of its Subsidiaries have timely filed all reports, registrations and statements, together with any amendments required to be made with respect thereto, that they were required to file since January 1, 2015 with (i) any state regulatory authority, (ii) the SEC, (iii) the Federal Reserve Board, (iv) the FDIC, (v) the Office of the Comptroller of the Currency, (vi) any foreign regulatory authority and (vii) any self-regulatory organization (an “SRO”) ((i) — (vii), collectively, the “Regulatory Agencies”), including, without limitation, any report, registration or statement required to be filed pursuant to the laws, rules or regulations of the United States, any state, any foreign entity, or any Regulatory Agency, and have paid all fees and assessments due and payable in connection therewith, except where the failure to file such report, registration or statement or to pay such fees and assessments, either individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on TCF. Except for normal examinations conducted by a Regulatory Agency in the ordinary course of business of TCF and its Subsidiaries, (i) no Regulatory Agency has initiated or has pending any proceeding or, to the knowledge of TCF, investigation into the business or operations of TCF or any of its Subsidiaries since January 1, 2015, (ii) there is no unresolved violation, criticism, or exception by any Regulatory Agency with respect to any report or statement relating to any examinations or inspections of TCF or any of its Subsidiaries and (iii) there has been no formal or informal inquiries by, or disagreements or disputes with, any Regulatory Agency with respect to the business, operations, policies or procedures of TCF or any of its Subsidiaries since January 1, 2015, in each case of clauses (i) through (iii), which would reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on TCF.

(b) An accurate copy of each final registration statement, prospectus, report, schedule and definitive proxy statement filed with or furnished to the SEC by TCF since January 1, 2015 pursuant to the Securities Act of 1933, as amended (the “Securities Act”), or the Exchange Act (the “TCF Reports”) has been made publicly available. No such TCF Report, as of the date thereof (and, in the case of registration statements and proxy statements, on the dates of effectiveness and the dates of the relevant meetings, respectively), contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances in which they were made, not misleading, except that information filed or furnished as of a later date (but before the date of this Agreement) shall be deemed to modify information as of an earlier date. Since January 1, 2015, as of their respective dates, all TCF Reports filed under the Securities Act and the Exchange Act complied in all material respects with the published rules and regulations of the SEC with respect thereto. As of the date of this Agreement, no executive officer of TCF has failed in any respect to make the certifications required of him or her under Section 302 or 906 of the Sarbanes-Oxley Act of 2002 (the “Sarbanes-Oxley Act”). As of the date of this Agreement, there are no outstanding comments from or unresolved issues raised by the SEC with respect to any of the TCF Reports.

3.6. Financial Statements.

(a) The financial statements of TCF and its Subsidiaries included (or incorporated by reference) in the TCF Reports (including the related notes, where applicable) (i) have been prepared from, and are in accordance with, the books and records of TCF and its Subsidiaries in all material respects, (ii) fairly present in all material respects the consolidated results of operations, cash flows, changes in stockholders’ equity and consolidated financial position of TCF and its Subsidiaries for the respective fiscal periods or as of the respective dates therein set forth (subject in the case of unaudited statements to year-end audit adjustments normal in nature and amount), (iii) complied, as of their respective dates of filing with the SEC, in all material respects with applicable accounting requirements and with the published rules and regulations of the SEC with respect thereto, and (iv) have been prepared in accordance with GAAP consistently applied during the periods involved, except, in each case, as indicated in such statements or in the notes thereto. The books and records of TCF and its Subsidiaries have been, and are being, maintained in all material respects in accordance with GAAP and any other applicable legal and accounting requirements and reflect only actual transactions. KPMG LLP has not resigned (or informed TCF that it intends to resign) or been dismissed as independent public accountants of TCF as a result of or in connection with any disagreements with TCF on a matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure.

(b) Except as would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on TCF, neither TCF nor any of its Subsidiaries has any liability (whether absolute, accrued, contingent or otherwise and whether due or to become due) required by GAAP to be included on a consolidated balance sheet of TCF, except for those liabilities that are reflected or reserved against on the consolidated balance sheet of TCF included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2017 (including any notes thereto) and for liabilities incurred in the ordinary course of business consistent with past practice since December 31, 2017, or in connection with this Agreement and the transactions contemplated hereby.

(c) The records, systems, controls, data and information of TCF and its Subsidiaries are recorded, stored, maintained and operated under means (including any electronic, mechanical or photographic process, whether computerized or not) that are under the exclusive ownership and direct control of TCF or its Subsidiaries or accountants (including all means of access thereto and therefrom), except for any non-exclusive ownership and non-direct control that, either individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on TCF. TCF (i) has implemented and maintains disclosure controls and procedures (as defined in Rule 13a-15(e) promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”)) to ensure that material information relating to TCF, including its Subsidiaries, is made known to the chief executive officer and the chief financial officer of TCF by others within those entities as appropriate to allow timely decisions regarding required disclosures and to make the certifications required by the Exchange Act and Sections 302 and 906 of the Sarbanes-Oxley Act, and (ii) has disclosed, based on its most recent evaluation prior to the date hereof, to TCF’s outside auditors and the audit committee of TCF’s Board of Directors (A) any significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting (as defined in Rule 13a-15(f) promulgated under the Exchange Act) which are reasonably likely to adversely affect TCF’s ability to record, process, summarize and report financial information, and (B) to the knowledge of TCF, any fraud, whether or not material, that involves management or other employees who have a significant role in TCF’s internal controls over financial reporting. To the knowledge of TCF, there is no reason to believe that TCF’s outside auditors and its chief executive officer and chief financial officer will not be able to give the certifications and attestations required pursuant to the rules and regulations adopted pursuant to Section 404 of the Sarbanes-Oxley Act, without qualification, when next due.

(d) Since January 1, 2015, (i) except as disclosed in the TCF Reports filed with or furnished to the SEC by TCF since January 1, 2015, neither TCF nor any of its Subsidiaries, nor, to the knowledge of TCF, any director, officer, auditor, accountant or representative of TCF or any of its Subsidiaries, has received or otherwise had or obtained knowledge of any material complaint, allegation, assertion or claim, whether written or oral, regarding the accounting or auditing practices, procedures, methodologies or methods (including with respect to loan loss reserves, write-downs, charge-offs and accruals) of TCF or any of its Subsidiaries or their respective internal accounting controls, including any material complaint, allegation, assertion or claim that TCF or any of its Subsidiaries has engaged in questionable accounting or auditing practices, and (ii) no attorney representing TCF or any of its Subsidiaries, whether or not employed by TCF or any of its Subsidiaries, has reported evidence of a material violation of securities laws, breach of fiduciary duty or similar violation by TCF or any of its officers, directors, employees or agents to the Board of Directors of TCF or any committee thereof or to the knowledge of TCF, to any director or officer of TCF.

3.7. Broker's Fees. With the exception of the engagement of J.P. Morgan Securities LLC and SenaHill Securities, LLC (for whom Tod Perkins, registered representative of SenaHill Securities, LLC provided all services through Perkins Advisors, LLC), neither TCF nor any TCF Subsidiary nor any of their respective officers or directors has employed any broker, finder or financial advisor or incurred any liability for any broker's fees, commissions or finder's fees in connection with the Merger or related transactions contemplated by this Agreement. TCF has disclosed to Chemical as of the date hereof the aggregate fees provided for in connection with the engagement by TCF of J.P. Morgan Securities LLC and Perkins Advisors, LLC related to the Merger and the other transactions contemplated hereby.

3.8. Absence of Certain Changes or Events.

(a) Since December 31, 2017, no event or events have occurred that have had or would reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on TCF.

(b) Except as set forth on Section 3.8(b) of the TCF Disclosure Schedule, and in connection with matters related to this Agreement, since December 31, 2017 through the date of this Agreement, TCF and its Subsidiaries have carried on their respective businesses in all material respects in the ordinary course consistent with past practice.

3.9. Legal Proceedings.

(a) Neither TCF nor any of its Subsidiaries is a party to any, and there are no pending or, to TCF's knowledge, threatened, legal, administrative, arbitral or other proceedings, claims, actions or governmental or regulatory investigations of any nature against TCF or any of its Subsidiaries or any of their current or former directors or executive officers that (i) if adversely determined, would, individually or in the aggregate, be reasonably likely to result in a material restriction on TCF or any of its Subsidiaries' businesses or (ii) would reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on TCF.

(b) There is no injunction, order, judgment, decree or regulatory restriction imposed upon TCF, any of its Subsidiaries or the assets of TCF or any of its Subsidiaries (or that, upon consummation of the Merger, would apply to Chemical or any of its affiliates) that (i) would, individually or in the aggregate, be reasonably likely to result in a material restriction on TCF or any of its Subsidiaries' businesses or (ii) would reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on TCF.

3.10. Taxes and Tax Returns.

(a) Each of TCF and its Subsidiaries has duly and timely filed (taking into account all applicable extensions) all material Tax Returns in all jurisdictions in which Tax Returns are required to be filed by it, and all such Tax Returns are true, correct and complete in all material respects. Neither TCF nor any of its Subsidiaries is the beneficiary of any extension of time within which to file any material Tax Return (other than extensions to file Tax Returns obtained in the ordinary course). All material Taxes of TCF and its Subsidiaries (whether or not shown on any Tax Returns) that are due have been fully and timely paid. Each of TCF and its Subsidiaries has withheld and paid all material Taxes required to have been withheld and paid in connection with amounts paid or owing to any employee, creditor, stockholder, independent contractor or other third party. Neither TCF nor any of its Subsidiaries has granted any extension or waiver of the limitation period applicable to any material Tax that remains in effect. Except as set forth on Section 3.10(a) of the TCF Disclosure Schedule, the federal income Tax Returns of TCF and its Subsidiaries for all years to and including 2017 have been examined by the Internal Revenue Service (the “IRS”) or are Tax Returns with respect to which the applicable period for assessment under applicable law, after giving effect to extensions or waivers, has expired. Neither TCF nor any of its Subsidiaries has received written notice of assessment or proposed assessment in connection with any material amount of Taxes, and there are no threatened (in writing) or pending disputes, claims, audits, examinations or other proceedings regarding any material Tax of TCF and its Subsidiaries or the assets of TCF and its Subsidiaries. TCF has made available to Chemical true and complete copies of any private letter ruling requests, closing agreements or gain recognition agreements with respect to Taxes requested or executed in the last six (6) years. Neither TCF nor any of its Subsidiaries is a party to or is bound by any Tax sharing, allocation or indemnification agreement or arrangement (other than such an agreement or arrangement exclusively between or among TCF and its Subsidiaries). Neither TCF nor any of its Subsidiaries (i) has been a member of an affiliated group filing a consolidated federal income Tax Return (other than a group the common parent of which is or was TCF) or (ii) has any liability for the Taxes of any person (other than TCF or any of its Subsidiaries) under Treasury Regulation Section 1.1502-6 (or any similar provision of state, local or foreign law), as a transferee or successor, by contract or otherwise. Neither TCF nor any of its Subsidiaries has been, within the past two (2) years or otherwise as part of a “plan (or series of related transactions)” within the meaning of Section 355(e) of the Code of which the Merger is also a part, a “distributing corporation” or a “controlled corporation” (within the meaning of Section 355(a)(1)(A) of the Code) in a distribution of stock intending to qualify for tax-free treatment under Section 355 of the Code. Neither TCF nor any of its Subsidiaries has participated in a “reportable transaction” within the meaning of Treasury Regulation section 1.6011-4(b)(1). At no time during the past five (5) years has TCF been a United States real property holding corporation within the meaning of Section 897(c)(2) of the Code.

(b) As used in this Agreement, the term “Tax” or “Taxes” means all federal, state, local, and foreign income, excise, gross receipts, ad valorem, profits, gains, property, capital, sales, transfer, use, license, payroll, employment, social security, severance, unemployment, withholding, duties, excise, windfall profits, intangibles, franchise, backup withholding, value added, alternative or add-on minimum, estimated and other taxes, charges, levies or like assessments together with all penalties and additions to tax and interest thereon.

(c) As used in this Agreement, the term “Tax Return” means any return, declaration, report, claim for refund, or information return or statement relating to Taxes, including any schedule or attachment thereto, and including any amendment thereof, supplied or required to be supplied to a Governmental Entity.

3.11. Employees and Employee Benefit Plans .

(a) Section 3.11(a) of the TCF Disclosure Schedule sets forth a true, correct and complete list of all material TCF Benefit Plans. For purposes of this Agreement, “TCF Benefit Plans” means all employee benefit plans (as defined in Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended (“ERISA ”)), whether or not subject to ERISA, and all stock option, stock purchase, restricted stock, incentive, deferred compensation, retiree medical or life insurance, supplemental retirement, retention, bonus, employment, change in control, termination or severance plans, programs, agreements or arrangements that are maintained, contributed to or sponsored or maintained by, or required to be contributed to, TCF or any of its Subsidiaries for the benefit of any current or former employee, officer or director of TCF or any of its Subsidiaries, excluding, in each case, any Multiemployer Plan.

(b) TCF has heretofore made available to Chemical true and complete copies of (i) each material TCF Benefit Plan, including any amendments thereto and all related trust documents, insurance contracts or other funding vehicles, and (ii) to the extent applicable, (A) the most recent summary plan description required under ERISA with respect to such TCF Benefit Plan, (B) the most recent annual report (Form 5500) filed with the IRS, (C) the most recently received IRS determination letter relating to such TCF Benefit Plan, (D) the most recently prepared actuarial report for each TCF Benefit Plan, and (E) all material correspondence to or from any Governmental Entity received in the last three (3) years with respect to each TCF Benefit Plan.

(c) Each TCF Benefit Plan has been established, operated and administered in accordance with its terms and the requirements of all applicable laws, including ERISA and the Code, except for such noncompliance that has not had, and would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on TCF.

(d) Section 3.11(d) of the TCF Disclosure Schedule identifies each TCF Benefit Plan that is intended to be qualified under Section 401(a) of the Code (the “TCF Qualified Plans”). The IRS has issued a favorable determination letter with respect to each TCF Qualified Plan and the related trust, and, to the knowledge of TCF, there are no existing circumstances and no events have occurred that would reasonably be expected to adversely affect the qualified status of any TCF Qualified Plan or the related trust.

(e) No TCF Benefit Plan is subject to Section 302 or Title IV of ERISA or Section 412, 430 or 4971 of the Code. During the immediately preceding six (6) years, no Controlled Group Liability has been incurred by TCF or its ERISA Affiliates that has not been satisfied in full, and, to the knowledge of TCF, no condition exists that presents a material risk to TCF or its ERISA Affiliates of incurring any such liability, except as, either individually or in the aggregate, would not reasonably be expected to result in material liability to TCF and its Subsidiaries. For purposes of this Agreement, “Controlled Group Liability” means any and all liabilities (i) under Title IV of ERISA, (ii) under Section 302 of ERISA, (iii) under Sections 412 and 4971 of the Code, or (iv) as a result of a failure to comply with the continuing coverage requirements of Section 601 *et. seq.* of ERISA and Section 4980B of the Code. For purposes of this Agreement, “ERISA Affiliate” means, with respect to any entity, trade or business, any other entity, trade or business that is, or was at the relevant time, a member of a group described in Section 414(b), (c), (m) or (o) of the Code or Section 4001(b)(1) of ERISA that includes or included the first entity, trade or business, or that is, or was at the relevant time, a member of the same “controlled group” as the first entity, trade or business pursuant to Section 4001(a)(14) of ERISA.

(f) None of TCF, any of its Subsidiaries or any of their respective ERISA Affiliates has, at any time during the last six (6) years, contributed to or been obligated to contribute to any plan that is a “multiemployer plan” within the meaning of Section 4001(a)(3) of ERISA (a “Multiemployer Plan”) or a plan that has two or more contributing sponsors, at least two of whom are not under common control, within the meaning of Section 4063 of ERISA (a “Multiple Employer Plan”).

(g) Except as set forth on Section 3.11(g) of the TCF Disclosure Schedule, neither TCF nor any of its Subsidiaries sponsors any employee benefit plan that provides for any post-employment or post-retirement health or medical or life insurance benefits for retired or former employees or their beneficiaries or dependents, except as required by Section 4980B of the Code.

(h) All contributions required to be made to any TCF Benefit Plan by applicable law or by any plan document, and all premiums due or payable with respect to insurance policies funding any TCF Benefit Plan, for any period through the date hereof, have been timely made or paid in full or, to the extent not required to be made or paid on or before the date hereof, have been fully reflected on the books and records of TCF, except as, either individually or in the aggregate, would not reasonably be expected to result in any liability that would be material to TCF and its Subsidiaries, taken as a whole.

(i) There are no pending or threatened claims (other than claims for benefits in the ordinary course), lawsuits or arbitrations that have been asserted or instituted, and, to the knowledge of TCF, no set of circumstances exists that may reasonably be expected to give rise to a claim or lawsuit, against the TCF Benefit Plans, any fiduciaries thereof with respect to their duties to the TCF Benefit Plans or the assets of any of the trusts under any of the TCF Benefit Plans, except as, either individually or in the aggregate, would not reasonably be expected to result in any liability that would be material to TCF and its Subsidiaries, taken as a whole.

(j) Neither the execution and delivery of this Agreement nor the consummation of the transactions contemplated hereby will (either alone or in conjunction with any other event) (i) result in, cause the vesting, exercisability or delivery of, cause TCF or any of its Subsidiaries to transfer or set aside any assets to fund any benefits under any TCF Benefit Plan, (ii) increase in the amount or value of, any payment, right or other benefit to any employee or director of TCF or any of its Subsidiaries, or (iii) result in any limitation on the right of TCF or any of its Subsidiaries to amend, merge, terminate or receive a reversion of assets from any TCF Benefit Plan or related trust. No amount paid or payable (whether in cash, in property, or in the form of benefits) by TCF or any of its Subsidiaries in connection with the transactions contemplated hereby (either solely as a result thereof or as a result of such transactions in conjunction with any other event) will be an “excess parachute payment” within the meaning of Section 280G of the Code.

(k) Neither TCF nor any of its Subsidiaries is a party to any plan, program, agreement or arrangement that provides for the gross-up or reimbursement of Taxes imposed under Section 409A or 4999 of the Code (or any corresponding provisions of state or local law relating to Tax).

(l) There are no pending or, to the knowledge of TCF, threatened material labor grievances or material unfair labor practice claims or charges against TCF or any of its Subsidiaries, or any strikes or other material labor disputes against TCF or any of its Subsidiaries. Neither TCF nor any of its Subsidiaries is party to or bound by any collective bargaining or similar agreement with any labor organization, or work rules or practices agreed to with any labor organization or employee association applicable to employees of TCF or any of its Subsidiaries and, to the knowledge of TCF, there are no organizing efforts by any union or other group seeking to represent any employees of TCF and its Subsidiaries.

3.12. Compliance with Applicable Law.

(a) TCF and each of its Subsidiaries hold, and have held at all times since January 1, 2015, all licenses, franchises, permits and authorizations necessary for the lawful conduct of their respective businesses and ownership of their respective properties, rights and assets under and pursuant to each (and have paid all fees and assessments due and payable in connection therewith), except where neither the cost of failure to hold nor the cost of obtaining and holding such license, franchise, permit or authorization (nor the failure to pay any fees or assessments) would, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on TCF, and, to the knowledge of TCF, no suspension or cancellation of any such necessary license, franchise, permit or authorization is threatened. TCF and each of its Subsidiaries have complied in all material respects with and are not in material default or violation under any applicable law, statute, order, rule, regulation, policy and/or guideline of any Governmental Entity relating to TCF or any of its Subsidiaries, including without limitation all laws related to data protection or privacy, the USA PATRIOT Act, the Bank Secrecy Act, the Equal Credit Opportunity Act and Regulation B, the Fair Housing Act, the Community Reinvestment Act of 1977 (the “CRA”), the Fair Credit Reporting Act, the Truth in Lending Act and Regulation Z, the Home Mortgage Disclosure Act, the Fair Debt Collection Practices Act, the Electronic Fund Transfer Act, the Dodd-Frank Wall Street Reform and Consumer Protection Act, any regulations promulgated by the Consumer Financial Protection Bureau, the Interagency Policy Statement on Retail Sales of Nondeposit Investment Products, the SAFE Mortgage Licensing Act of 2008, the Real Estate Settlement Procedures Act and Regulation X, and any other law relating to bank secrecy, discriminatory lending, financing or leasing practices, money laundering prevention, Sections 23A and 23B of the Federal Reserve Act, the Sarbanes-Oxley Act, and all agency requirements relating to the origination, sale and servicing of mortgage and consumer loans. TCF Bank is in compliance in all material respects with the applicable provisions of the CRA and has received a CRA rating of “satisfactory” or better in its most recently completed CRA examination. Except as would not reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect on TCF, none of TCF, or its Subsidiaries, or to the knowledge of TCF, any director, officer, employee, agent or other person acting on behalf of TCF or any of its Subsidiaries has, directly or indirectly, (a) used any funds of TCF or any of its Subsidiaries for unlawful contributions, unlawful gifts, unlawful entertainment or other expenses relating to political activity, (b) made any unlawful payment to foreign or domestic governmental officials or employees or to foreign or domestic political parties or campaigns from funds of TCF or any of its Subsidiaries, (c) violated any provision that would result in the violation of the Foreign Corrupt Practices Act of 1977, as amended, or any similar law, (d) established or maintained any unlawful fund of monies or other assets of TCF or any of its Subsidiaries, (e) made any fraudulent entry on the books or records of TCF or any of its Subsidiaries, or (f) made any unlawful bribe, unlawful rebate, unlawful payoff, unlawful influence payment, unlawful kickback or other unlawful payment to any person, private or public, regardless of form, whether in money, property or services, to obtain favorable treatment in securing business to obtain special concessions for TCF or any of its Subsidiaries, to pay for favorable treatment for business secured or to pay for special concessions already obtained for TCF or any of its Subsidiaries, or is currently subject to any United States sanctions administered by the Office of Foreign Assets Control of the United States Treasury Department. TCF and its Subsidiaries have established and maintain a system of internal controls designed to provide reasonable assurances regarding compliance in all material respects by TCF and its Subsidiaries with the foregoing.

(b) TCF and its Subsidiaries are and since January 1, 2015 have been conducting operations at all times in compliance in all material respects with applicable financial recordkeeping and reporting requirements of all money-laundering laws administered or enforced by any Governmental Entity (collectively, “Anti-Money Laundering Laws”) in jurisdictions where TCF and its Subsidiaries conduct business. TCF and its Subsidiaries have established and maintain a system of internal controls designed to ensure compliance in all material respects by TCF and its Subsidiaries with applicable financial recordkeeping and reporting requirements of the Anti-Money Laundering Laws in jurisdictions where TCF and its Subsidiaries conduct business.

(c) TCF and each of its Subsidiaries has properly administered in all material respects all accounts for which it acts as a fiduciary, including accounts for which it serves as a trustee, agent, custodian, personal representative, guardian, conservator or investment advisor, in accordance with the terms of the governing documents and applicable law. None of TCF, any of its Subsidiaries, or any director, officer or employee of TCF or any of its Subsidiaries, has committed any material breach of trust or fiduciary duty with respect to any such fiduciary account, and all the accountings for each such fiduciary account are true and correct and accurately reflect the assets of such fiduciary account, in each case in all material respects.

3.13. Certain Contracts.

(a) Except as set forth in Section 3.13(a) of the TCF Disclosure Schedule, as of the date hereof, neither TCF nor any of its Subsidiaries is a party to or bound by any contract, arrangement, commitment or understanding (whether written or oral) (i) which is a “material contract” (as such term is defined in Item 601(b)(10) of Regulation S-K of the SEC), (ii) which contains a provision that limits (or purports to limit) in any material respect the ability of TCF (or after the Merger, the ability of Chemical and its Subsidiaries) to engage or compete in any business (including geographic restrictions and exclusive or preferential arrangements), (iii) with or to a labor union or guild (including any collective bargaining agreement), (iv) which (other than extensions of credit, other customary banking products offered by TCF or its Subsidiaries, or derivatives issued or entered into in the ordinary course of business consistent with past practice) creates future payment obligations in excess of \$500,000 annually and that by its terms does not terminate or is not terminable without penalty upon notice of 60 days or less, (v) that grants any material right of first refusal, right of first offer or similar right with respect to any material assets, rights or properties of TCF or its Subsidiaries, taken as a whole, (vi) which is a merger agreement, asset purchase agreement, stock purchase agreement, deposit assumption agreement, loss sharing agreement or other commitment to a Regulatory Agency in connection with the acquisition of a depository institution, or similar agreement that has indemnification, earnout or other obligations that continue in effect after the date of this Agreement that are material to TCF and its Subsidiaries, taken as a whole, or (vii) that provides for contractual indemnification to any director, officer or employee. Each contract, arrangement, commitment or understanding of the type described in this Section 3.13(a) (excluding any TCF Benefit Plan), whether or not set forth in the TCF Disclosure Schedule, is referred to herein as a “TCF Contract,” and neither TCF nor any of its Subsidiaries knows of, or to its knowledge has received notice of, any violation of the above by any of the other parties thereto which would reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on TCF. The summary set forth in Section 3.13(a)(iv) of the TCF Disclosure Schedule does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the summary not misleading.

(b) In each case, except as, either individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on TCF, (i) each TCF Contract is valid and binding on TCF or one of its Subsidiaries, as applicable, and in full force and effect, (ii) TCF and each of its Subsidiaries has in all material respects performed all obligations required to be performed by it to date under each TCF Contract, (iii) to TCF's knowledge each third-party counterparty to each TCF Contract has in all material respects performed all obligations required to be performed by it to date under such TCF Contract, and (iv) to TCF's knowledge, no event or condition exists which constitutes or, after notice or lapse of time or both, will constitute, a material default on the part of TCF or any of its Subsidiaries under any such TCF Contract.

3.14. Agreements with Regulatory Agencies. Neither TCF nor any of its Subsidiaries is subject to any cease-and-desist or other order or enforcement action issued by, or is a party to any written agreement, consent agreement or memorandum of understanding with, or is a party to any commitment letter or similar undertaking to, or is subject to any order or directive by, or has been ordered to pay any civil money penalty by, or has been since January 1, 2015, a recipient of any supervisory letter from, or since January 1, 2015, has adopted any policies, procedures or board resolutions at the written request of any Regulatory Agency or other Governmental Entity that currently restricts in any material respect the conduct of its business or that in any material manner relates to its capital adequacy, its ability to pay dividends, its credit or risk management policies, its management or its business and which would reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on TCF (each, whether or not set forth in the TCF Disclosure Schedule, a "TCF Regulatory Agreement"), nor has TCF or any of its Subsidiaries been advised in writing, or to TCF's knowledge, orally, since January 1, 2015, by any Regulatory Agency or other Governmental Entity that it is considering issuing, initiating, ordering, or requesting any such TCF Regulatory Agreement.

3.15. Risk Management Instruments. Except as would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on TCF, all interest rate swaps, caps, floors, option agreements, futures and forward contracts and other similar derivative transactions and risk management arrangements, whether entered into for the account of TCF, any of its Subsidiaries or for the account of a customer of TCF or one of its Subsidiaries, were entered into in the ordinary course of business and in accordance with applicable rules, regulations and policies of any Regulatory Agency and with counterparties believed to be financially responsible at the time and are legal, valid and binding obligations of TCF or one of its Subsidiaries enforceable in accordance with their terms (except as may be limited by the Enforceability Exceptions), and are in full force and effect. TCF and each of its Subsidiaries have duly performed in all material respects all of their material obligations thereunder to the extent that such obligations to perform have accrued, and, to TCF's knowledge, there are no material breaches, violations or defaults or allegations or assertions of such by any party thereunder.

3.16. Environmental Matters. Except as would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on TCF, TCF and its Subsidiaries are in compliance, and have complied since January 1, 2015, with any federal, state or local law, regulation, order, decree, permit, authorization, common law or agency requirement relating to: (a) the protection or restoration of the environment, health and safety as it relates to hazardous substance exposure or natural resource damages, (b) the handling, use, presence, disposal, release or threatened release of, or exposure to, any hazardous substance, or (c) noise, odor, wetlands, indoor air, pollution, contamination or any injury to persons or property from exposure to any hazardous substance (collectively, “Environmental Laws”). There are no legal, administrative, arbitral or other proceedings, claims or actions, or to the knowledge of TCF any private environmental investigations or remediation activities or governmental investigations of any nature seeking to impose, or that could reasonably be expected to result in the imposition, on TCF or any of its Subsidiaries of any liability or obligation arising under any Environmental Law, pending or threatened against TCF, which liability or obligation would reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on TCF. To the knowledge of TCF, there is no reasonable basis for any such proceeding, claim, action or governmental investigation that would impose any liability or obligation that would reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on TCF.

3.17. Investment Securities.

(a) Each of TCF and its Subsidiaries has good title in all material respects to all securities owned by it (except those sold under repurchase agreements), free and clear of any Lien, except as set forth in the financial statements included in the TCF Reports or to the extent such securities are pledged in the ordinary course of business to secure obligations of TCF or its Subsidiaries. Such securities are valued on the books of TCF in accordance with GAAP in all material respects.

(b) TCF and its Subsidiaries and their respective businesses employ investment, securities, risk management and other policies, practices and procedures that TCF believes are prudent and reasonable in the context of such businesses. Prior to the date of this Agreement, TCF has made available to Chemical the material terms of such policies, practices and procedures.

3.18. Real Property. Except as would not reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect on TCF, (a) TCF or a TCF Subsidiary has good and marketable title to all the real property reflected in the latest audited balance sheet included in the TCF Reports as being owned by TCF or a TCF Subsidiary or acquired after the date thereof (except properties sold or otherwise disposed of since the date thereof in the ordinary course of business) (the “TCF Owned Properties”) free and clear of all Liens, except (i) statutory Liens securing payments not yet due, (ii) Liens for real property Taxes not yet due and payable, (iii) easements, rights of way, and other similar encumbrances that do not materially affect the value or use of the properties or assets subject thereto or affected thereby or otherwise materially impair business operations at such properties and (iv) such imperfections or irregularities of title or Liens as do not materially affect the value or use of the properties or assets subject thereto or affected thereby or otherwise materially impair business operations at such properties (clauses (i) through (iv), collectively, “Permitted Encumbrances”), and (b) is the lessee of all leasehold estates reflected in the latest audited financial statements included in such TCF Reports or acquired after the date thereof (except for leases that have expired by their terms since the date thereof) (collectively with the TCF Owned Properties, the “TCF Real Property”), free and clear of all Liens of any nature whatsoever, except for Permitted Encumbrances, and is in possession of the properties purported to be leased thereunder, and each such lease is valid without default thereunder by the lessee or, to TCF’s knowledge, the lessor. There are no pending or, to the knowledge of TCF, threatened condemnation proceedings against the TCF Real Property.

3.19. Intellectual Property. Except as set forth on Section 3.19 of the TCF Disclosure Schedule, TCF and each of its Subsidiaries owns, or is licensed to use (in each case, free and clear of any material Liens), all Intellectual Property necessary for the conduct of its business as currently conducted. Except as would not reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect on TCF, (a) (i) the use of any Intellectual Property by TCF and its Subsidiaries does not infringe, misappropriate or otherwise violate the rights of any person and is in accordance with any applicable license pursuant to which TCF or any TCF Subsidiary acquired the right to use any Intellectual Property, and (ii) no person has asserted in writing to TCF that TCF or any of its Subsidiaries has infringed, misappropriated or otherwise violated the Intellectual Property rights of such person, (b) no person is challenging or, to the knowledge of TCF, infringing on or otherwise violating, any right of TCF or any of its Subsidiaries with respect to any Intellectual Property owned by TCF or its Subsidiaries, and (c) neither TCF nor any TCF Subsidiary has received any notice of any pending claim with respect to any Intellectual Property owned by TCF or any TCF Subsidiary, and TCF and its Subsidiaries have taken commercially reasonable actions to avoid the abandonment, cancellation or unenforceability of all Intellectual Property owned or licensed, respectively, by TCF and its Subsidiaries. For purposes of this Agreement, “Intellectual Property” means trademarks, service marks, brand names, internet domain names, logos, symbols, certification marks, trade dress and other indications of origin, the goodwill associated with the foregoing and registrations in any jurisdiction of, and applications in any jurisdiction to register, the foregoing, including any extension, modification or renewal of any such registration or application; patents, applications for patents (including divisions, continuations, continuations in part and renewal applications), all improvements thereto, and any renewals, extensions or reissues thereof, in any jurisdiction; trade secrets; and copyrights registrations or applications for registration of copyrights in any jurisdiction, and any renewals or extensions thereof.

3.20. Related Party Transactions. There are no transactions or series of related transactions, agreements, arrangements or understandings, nor are there any currently proposed transactions or series of related transactions, between TCF or any of its Subsidiaries, on the one hand, and any current or former director or “executive officer” (as defined in Rule 3b-7 under the Exchange Act) of TCF or any of its Subsidiaries or any person who beneficially owns (as defined in Rules 13d-3 and 13d-5 of the Exchange Act) 5% or more of the outstanding TCF Common Stock (or any of such person’s immediate family members or affiliates) (other than Subsidiaries of TCF) on the other hand, which was required to be reported in any TCF Report pursuant to Item 404 of Regulation S-K but which has not been so reported on a timely basis.

3.21. State Takeover Laws. The Board of Directors of TCF has approved this Agreement and the transactions contemplated hereby as required to render inapplicable to such agreements and transactions Section 203 of the DGCL and any similar “moratorium,” “control share,” “fair price,” “takeover” or “interested stockholder” law of any other jurisdiction (any such laws, “Takeover Statutes”).

3.22. Reorganization. TCF has not taken any action and has no knowledge of the existence of any fact or circumstance that could reasonably be expected to prevent or impede the Merger from qualifying as a “reorganization” within the meaning of Section 368(a) of the Code.

3.23. Opinion of Financial Advisor. Prior to the execution of this Agreement, the Board of Directors of TCF has received the opinion (which, if initially rendered orally, has been or will be confirmed by a written opinion dated the same date) of J.P. Morgan Securities LLC to the effect that, as of the date of such opinion, and based upon and subject to the factors, assumptions, and limitations set forth therein, the Exchange Ratio is fair from a financial point of view to the holders of TCF Common Stock. Such opinion has not been amended or rescinded as of the date of this Agreement.

3.24. TCF Information. The information relating to TCF and its Subsidiaries which is provided in writing by TCF or its representatives specifically for inclusion in the Joint Proxy Statement and the S-4, or in any other document filed with any other Regulatory Agency in connection herewith, will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances in which they are made, not misleading. The portion of the Joint Proxy Statement relating to TCF and its Subsidiaries will comply in all material respects with the provisions of the Exchange Act and the rules and regulations thereunder.

3.25. Loan Portfolio.

(a) The allowances for loan and lease losses as reflected in the TCF Reports were in the reasonable opinion of TCF’s management (i) adequate to meet all reasonably anticipated loan and lease losses, net of recoveries related to loans previously charged off as of those dates, (ii) consistent with GAAP and reasonable and sound banking practices and (iii) in conformance with recommendations and comments in reports of examination in all material respects.

(b) Except as would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on TCF, each loan, loan agreement, note or borrowing arrangement (including leases, credit enhancements, commitments, guarantees and interest-bearing assets) (collectively, “Loans”) of TCF and its Subsidiaries (i) is evidenced by notes, agreements or other evidences of indebtedness that are true, genuine and what they purport to be, (ii) to the extent carried on the books and records of TCF and its Subsidiaries as secured Loans, has been secured by valid charges, mortgages, pledges, security interests, restrictions, claims, liens or encumbrances, as applicable, which have been perfected, (iii) to the extent any Loan constitutes an operating lease, TCF or its applicable Subsidiary, as the case may be, has legal and beneficial ownership of the assets under such operating lease, and (iv) is the legal, valid and binding obligation of the obligor named therein, enforceable in accordance with its terms, subject to the Enforceability Exceptions.

(c) Except as would not reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect on TCF, each outstanding Loan of TCF and its Subsidiaries (including Loans held for resale to investors) was solicited and originated, and is and has been administered and, where applicable, serviced, and the relevant Loan files are being maintained, in all material respects in accordance with the relevant notes or other credit or security documents, the written underwriting standards of TCF and its Subsidiaries (and, in the case of Loans held for resale to investors, the underwriting standards, if any, of the applicable investors) and with all applicable federal, state and local laws, regulations and rules.

(d) There are no outstanding Loans made by TCF or any of its Subsidiaries to any “executive officer” or other “insider” (as each such term is defined in Regulation O promulgated by the Federal Reserve Board) of TCF or its Subsidiaries, other than Loans that are subject to and that were made and continue to be in compliance with Regulation O or that are exempt therefrom.

(e) Neither TCF nor any of its Subsidiaries is (i) now nor has it ever been since January 1, 2015, subject to any fine, suspension, settlement or other contract or other administrative agreement or sanction by, or any reduction in any loan purchase commitment from, any Governmental Entity or Regulatory Agency relating to the origination, sale or servicing of mortgage or consumer Loans, and (ii) has knowledge of any actual or threatened claim, proceeding or investigation with respect thereto by any person.

(f) Section 3.25(f) of the TCF Disclosure Schedule sets forth a true, correct and complete list of (i) all Loans in which TCF or any TCF Subsidiary is a creditor which, as of September 30, 2018, had an outstanding balance of \$100,000 or more and under the terms of which the obligor has, as of September 30, 2018, over ninety (90) days delinquent in payment of principal or interest, (ii) all Loans of TCF and the TCF Subsidiaries that, as of September 30, 2018, were classified as “Special Mention,” “Substandard,” “Doubtful,” “Loss,” “Classified,” “Criticized,” “Credit Risk Assets,” “Concerned Loans,” “Watch List” or words of similar import by TCF or any bank examiner, together with the principal amount of and accrued and unpaid interest on each such Loan and the identity of the borrower thereunder, together with the aggregate principal amount of such Loans by category of Loan (e.g., commercial, consumer, etc.), and (iii) each Loan classified by TCF as a Troubled Debt Restructuring as defined by GAAP.

(g) Except as set forth on Section 3.25(g) of the TCF Disclosure Schedule, none of the agreements pursuant to which TCF or any of its Subsidiaries has sold Loans or pools of Loans or participations in Loans or pools of Loans contains any obligation to repurchase such Loans or interests therein solely on account of a payment default by the obligor on any such Loan (other than early termination defaults). Neither TCF nor any TCF Subsidiary (i) has been notified of any material repurchase obligation under any agreement of the type described in the preceding sentence since January 1, 2017, or (ii) has any knowledge of any facts or circumstances which would reasonably be expected to give rise to any such material repurchase obligation.

(h) TCF and each of its Subsidiaries, in each case to the extent it is a servicer of any transaction sponsored by TCF or any TCF Subsidiary under which TCF or any TCF Subsidiary has sold or pledged receivables in a securitization in which securities backed by, or other interests in, such receivables were sold and any of such securities or other interest remains outstanding (each, a “TCF Securitization Transaction”), are in compliance in all material respects with all contracts or agreements to which each of them is bound under such TCF Securitization Transaction (collectively, “TCF Securitization Instruments”). TCF and each of its Subsidiaries, in each case to the extent that it is the issuing entity in any TCF Securitization Transaction, have performed in all material respects all of their respective obligations under the TCF Securitization Instruments. TCF and each of its Subsidiaries, in each case to the extent that it is the depositor in any TCF Securitization Transaction (in such capacity, a “TCF Securitization Depositor”), have performed in all material respects all of their respective obligations under the TCF Securitization Instruments. Section 3.25(h) of the TCF Disclosure Schedule contains a list of all outstanding TCF Securitization Transactions.

(i) Since January 1, 2015, TCF and any TCF Subsidiary that has acted as a TCF Securitization Depositor has made or caused to be made all filings required to be made by it under the Exchange Act, or has otherwise corrected any errant filings or resolved any such filings with the SEC. There are no pending or, to the knowledge of TCF, threatened, lawsuits, actions, proceedings or claims in which it is alleged that any private placement memorandum or other offering document (including any amendments or supplements thereto), as of the date on which it was issued in any TCF Securitization Transaction, contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. No securities were issued or sold by TCF or any of its Subsidiaries in violation of Section 5 of the Securities Act in any TCF Securitization Transaction. Neither TCF nor any TCF Subsidiary, to the extent an issuing entity in any TCF Securitization Transaction, is required to register as an investment company under the Investment Company Act of 1940, as amended (the “Investment Company Act”).

(j) Neither TCF nor any of its Subsidiaries has acted in the capacity of guarantor or credit enhancer in any TCF Securitization Transaction, nor has TCF or any of its Subsidiaries provided any type of guaranty in any TCF Securitization Transaction with respect to any payments of principal or interest in connection with any issued securities.

3.26. Insurance. Except as would not reasonably be likely, either individually or in the aggregate, to have a Material Adverse Effect on TCF, TCF and its Subsidiaries are insured with reputable insurers against such risks and in such amounts as the management of TCF reasonably has determined to be prudent and consistent with industry practice, and TCF and its Subsidiaries are in compliance in all material respects with their insurance policies and are not in default under any of the terms thereof, each such policy is outstanding and in full force and effect and, except for policies insuring against potential liabilities of officers, directors and employees of TCF and its Subsidiaries and the third party loss payees under general liability, auto liability, aviation and excess umbrella policies, TCF or the relevant Subsidiary thereof is the sole beneficiary of such policies, and all premiums and other payments due under any such policy have been paid, and all claims thereunder have been filed in due and timely fashion.

3.27. Information Security. Except as would not reasonably be likely, either individually or in the aggregate, to have a Material Adverse Effect on TCF, to the knowledge of TCF, since January 1, 2015, no third party has gained unauthorized access to any information technology networks controlled by and material to the operation of the business of TCF and its Subsidiaries.

3.28. No Other Representations or Warranties.

(a) Except for the representations and warranties made by TCF in this Article III, neither TCF nor any other person makes any express or implied representation or warranty with respect to TCF, its Subsidiaries, or their respective businesses, operations, assets, liabilities, conditions (financial or otherwise) or prospects, and TCF hereby disclaims any such other representations or warranties. In particular, without limiting the foregoing disclaimer, neither TCF nor any other person makes or has made any representation or warranty to Chemical or any of its affiliates or representatives with respect to (i) any financial projection, forecast, estimate, budget or prospective information relating to TCF, any of its Subsidiaries or their respective businesses, or (ii) except for the representations and warranties made by TCF in this Article III, any oral or written information presented to Chemical or any of its affiliates or representatives in the course of their due diligence investigation of TCF, the negotiation of this Agreement or in the course of the transactions contemplated hereby.

(b) TCF acknowledges and agrees that neither Chemical nor any other person on behalf of Chemical has made or is making, and TCF has not relied upon, any express or implied representation or warranty other than those contained in Article IV.

ARTICLE IV REPRESENTATIONS AND WARRANTIES OF UNIVERSITY

Except (a) as disclosed in the disclosure schedule delivered by Chemical to TCF concurrently herewith (the “Chemical Disclosure Schedule”); provided that (i) no such item is required to be set forth as an exception to a representation or warranty if its absence would not result in the related representation or warranty being deemed untrue or incorrect, (ii) the mere inclusion of an item in the Chemical Disclosure Schedule as an exception to a representation or warranty shall not be deemed an admission by Chemical that such item represents a material exception or fact, event or circumstance or that such item is reasonably likely to result in a Material Adverse Effect on Chemical, and (iii) any disclosures made with respect to a section of Article IV shall be deemed to qualify (1) any other section of Article IV specifically referenced or cross-referenced and (2) other sections of Article IV to the extent it is reasonably apparent on its face (notwithstanding the absence of a specific cross reference) from a reading of the disclosure that such disclosure applies to such other sections, or (b) as disclosed in any Chemical Reports filed with or furnished to the SEC by Chemical after January 1, 2018 and prior to the date hereof (but disregarding risk factor disclosures contained under the heading “Risk Factors,” or disclosures of risks set forth in any “forward-looking statements” disclaimer or any other statements that are similarly non-specific or cautionary, predictive or forward-looking in nature), Chemical hereby represents and warrants to TCF as follows:

4.1. Corporate Organization.

(a) Chemical is a corporation duly organized, validly existing and in good standing under the laws of the State of Michigan and is a bank holding company duly registered with the Federal Reserve Board under the BHC Act, which has duly elected to be, and qualifies as, a financial holding company. Chemical has the corporate power and authority to own or lease all of its properties and assets and to carry on its business as it is now being conducted in all material respects. Chemical is duly licensed or qualified to do business in each jurisdiction in which the nature of the business conducted by it or the character or location of the properties and assets owned or leased by it makes such licensing or qualification necessary, except where the failure to be so licensed or qualified would not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on Chemical. True and complete copies of the Chemical Articles and the Chemical Bylaws, as in effect as of the date of this Agreement, have previously been made available by Chemical to TCF.

(b) Each Subsidiary of Chemical (a “Chemical Subsidiary”) (i) is duly organized and validly existing under the laws of its jurisdiction of organization, (ii) is duly qualified to do business and, where such concept is recognized under applicable law, in good standing in all jurisdictions (whether federal, state, local or foreign) where its ownership or leasing of property or the conduct of its business requires it to be so qualified and (iii) has all requisite corporate power and authority to own or lease its properties and assets and to carry on its business as now conducted, except with respect to each of clause (ii) and (iii) as has not had, and would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on Chemical. There are no restrictions on the ability of any Subsidiary of Chemical to pay dividends or distributions except, in the case of a Subsidiary that is a regulated entity, for restrictions on dividends or distributions generally applicable to all such regulated entities. The deposit accounts of Chemical Bank are insured by the FDIC through the Deposit Insurance Fund to the fullest extent permitted by law, all premiums and assessments required to be paid in connection therewith have been paid when due, and no proceedings for the termination of such insurance are pending or threatened. Section 4.1(b) of the Chemical Disclosure Schedule sets forth a true and complete list of (x) all Subsidiaries of Chemical as of the date hereof, (y) all persons (not including Chemical Subsidiaries) in which Chemical, together with any Chemical Subsidiaries, owns (directly or indirectly) 5% or more of a class of voting securities and (z) any “covered fund” (as defined in 12 C.F.R. §248.10(b)) in which Chemical, together with any Chemical Subsidiaries, owns (directly or indirectly) any interest. The organizational documents of each Chemical Subsidiary as in effect as of the date of this Agreement have previously been made available by Chemical to TCF.

4.2. Capitalization

(a) The authorized capital stock of Chemical consists of 135,000,000 shares of Chemical Common Stock and 2,000,000 shares of preferred stock, no par value per share. As of January 23, 2019, there were (i) 71,473,871 shares of Chemical Common Stock issued and outstanding, which number includes 40,852 shares of Chemical Common Stock granted in respect of outstanding Chemical restricted stock awards, (ii) no shares of Chemical preferred stock issued and outstanding, (iii) no shares of Chemical Common Stock held in treasury, (iv) 725,056 shares of Chemical Common Stock reserved for issuance upon the exercise of outstanding options granted by Chemical to purchase shares of Chemical Common Stock, (v) 339,623 shares of Chemical Common Stock reserved for issuance upon the settlement of outstanding time-vesting restricted stock unit awards in respect of shares of Chemical Common Stock granted by Chemical under the Chemical Stock Plans, (vi) 236,242 shares of Chemical Common Stock reserved for issuance upon the settlement of outstanding performance-vesting restricted stock unit awards in respect of shares of Chemical Common Stock granted by Chemical under the Chemical Stock Plans (assuming achievement of any applicable performance goals at the target level) and an additional 118,121 shares of Chemical Common Stock assuming achievement of any applicable performance goals at the maximum level, (vii) 1,301,285 shares of Chemical Common Stock reserved for issuance pursuant to future grants under the Chemical Stock Plans and (viii) no other shares of capital stock or other voting securities of Chemical issued, reserved for issuance or outstanding. None of Chemical, any of its Subsidiaries, or any director, officer or employee of Chemical or any of its Subsidiaries, has committed any material breach of trust or fiduciary duty with respect to any such fiduciary account, and all the accountings for each such fiduciary account are true and correct and accurately reflect the assets of such fiduciary account, in each case in all material respects.

4.13. Certain Contracts.

(a) Except as set forth in Section 4.13 of the Chemical Disclosure Schedule, as of the date hereof, neither Chemical nor any of its Subsidiaries is a party to or bound by any contract, arrangement, commitment or understanding (whether written or oral) (i) which is a “material contract” (as such term is defined in Item 601(b)(10) of Regulation S-K of the SEC), (ii) which contains a provision that limits (or purports to limit) in any material respect the ability of Chemical (or after the Merger, the ability of Chemical and its Subsidiaries) to engage or compete in any business (including geographic restrictions and exclusive or preferential arrangements), (iii) with or to a labor union or guild (including any collective bargaining agreement), (iv) which (other than extensions of credit, other customary banking products offered by Chemical or its Subsidiaries, or derivatives issued or entered into in the ordinary course of business consistent with past practice) creates future payment obligations in excess of \$500,000 annually and that by its terms does not terminate or is not terminable without penalty upon notice of 60 days or less, (v) that grants any material right of first refusal, right of first offer or similar right with respect to any material assets, rights or properties of Chemical or its Subsidiaries, taken as a whole, (vi) which is a merger agreement, asset purchase agreement, stock purchase agreement, deposit assumption agreement, loss sharing agreement or other commitment to a Regulatory Agency in connection with the acquisition of a depository institution, or similar agreement that has indemnification, earnout or other obligations that continue in effect after the date of this Agreement that are material to Chemical and its Subsidiaries, taken as a whole, or (vii) that provides for contractual indemnification to any director, officer or employee. Each contract, arrangement, commitment or understanding of the type described in this Section 4.13(a) (excluding any Chemical Benefit Plan), whether or not set forth in the Chemical Disclosure Schedule, is referred to herein as a “Chemical Contract,” and neither Chemical nor any of its Subsidiaries knows of, or to its knowledge has received notice of, any violation of the above by any of the other parties thereto which would reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on Chemical.

(b) In each case, except as, either individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on Chemical, (i) each Chemical Contract is valid and binding on Chemical or one of its Subsidiaries, as applicable, and in full force and effect, (ii) Chemical and each of its Subsidiaries has in all material respects performed all obligations required to be performed by it to date under each Chemical Contract, (iii) to Chemical’s knowledge each third-party counterparty to each Chemical Contract has in all material respects performed all obligations required to be performed by it to date under such Chemical Contract, and (iv) to Chemical’s knowledge, no event or condition exists which constitutes or, after notice or lapse of time or both, will constitute, a material default on the part of Chemical or any of its Subsidiaries under any such Chemical Contract.

4.14. Agreements with Regulatory Agencies. Neither Chemical nor any of its Subsidiaries is subject to any cease-and-desist or other order or enforcement action issued by, or is a party to any written agreement, consent agreement or memorandum of understanding with, or is a party to any commitment letter or similar undertaking to, or is subject to any order or directive by, or has been ordered to pay any civil money penalty by, or has been since January 1, 2015, a recipient of any supervisory letter from, or since January 1, 2015, has adopted any policies, procedures or board resolutions at the written request of any Regulatory Agency or other Governmental Entity that currently restricts in any material respect the conduct of its business or that in any material manner relates to its capital adequacy, its ability to pay dividends, its credit or risk management policies, its management or its business and which would reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on Chemical (each, whether or not set forth in the Chemical Disclosure Schedule, a “Chemical Regulatory Agreement”), nor has Chemical or any of its Subsidiaries been advised in writing, or to Chemical’s knowledge, orally, since January 1, 2015, by any Regulatory Agency or other Governmental Entity that it is considering issuing, initiating, ordering or requesting any such Chemical Regulatory Agreement.

4.15. Risk Management Instruments. Except as would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on Chemical, all interest rate swaps, caps, floors, option agreements, futures and forward contracts and other similar derivative transactions and risk management arrangements, whether entered into for the account of Chemical, any of its Subsidiaries or for the account of a customer of Chemical or one of its Subsidiaries, were entered into in the ordinary course of business and in accordance with applicable rules, regulations and policies of any Regulatory Agency and with counterparties believed to be financially responsible at the time and are legal, valid and binding obligations of Chemical or one of its Subsidiaries enforceable in accordance with their terms (except as may be limited by the Enforceability Exceptions), and are in full force and effect. Chemical and each of its Subsidiaries have duly performed in all material respects all of their material obligations thereunder to the extent that such obligations to perform have accrued, and, to Chemical’s knowledge, there are no material breaches, violations or defaults or allegations or assertions of such by any party thereunder.

4.16. Environmental Matters. Except as would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on Chemical, Chemical and its Subsidiaries are in compliance, and have complied since January 1, 2015, with any federal, state or local law, regulation, order, decree, permit, authorization, common law or agency requirement relating to Environmental Laws. There are no legal, administrative, arbitral or other proceedings, claims or actions, or to Chemical’s knowledge any private environmental investigations or remediation activities or governmental investigations of any nature seeking to impose, or that could reasonably be expected to result in the imposition, on Chemical or any of its Subsidiaries of any liability or obligation arising under any Environmental Law, pending or threatened against Chemical, which liability or obligation would reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on Chemical. To the knowledge of Chemical, there is no reasonable basis for any such proceeding, claim, action or governmental investigation that would impose any liability or obligation that would reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on Chemical.

4.17. Investment Securities.

(a) Each of Chemical and its Subsidiaries has good title in all material respects to all securities owned by it (except those sold under repurchase agreements), free and clear of any Lien, except as set forth in the financial statements included in the Chemical Reports or to the extent such securities are pledged in the ordinary course of business to secure obligations of Chemical or its Subsidiaries. Such securities are valued on the books of Chemical in accordance with GAAP in all material respects.

(b) Chemical and its Subsidiaries and their respective businesses employ investment, securities, risk management and other policies, practices and procedures that Chemical believes are prudent and reasonable in the context of such businesses. Prior to the date of this Agreement, Chemical has made available to TCF the material terms of such policies, practices and procedures.

4.18. Real Property. Except as would not reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect on Chemical, (a) Chemical or a Chemical Subsidiary has good and marketable title to all the real property reflected in the latest audited balance sheet included in the Chemical Reports as being owned by Chemical or a Chemical Subsidiary or acquired after the date thereof (except properties sold or otherwise disposed of since the date thereof in the ordinary course of business) (the "Chemical Owned Properties"), free and clear of all Liens, except Permitted Encumbrances, and (b) is the lessee of all leasehold estates reflected in the latest audited financial statements included in such Chemical Reports or acquired after the date thereof (except for leases that have expired by their terms since the date thereof) (collectively with the Chemical Owned Properties, the "Chemical Real Property"), free and clear of all Liens of any nature whatsoever, except for Permitted Encumbrances, and is in possession of the properties purported to be leased thereunder, and each such lease is valid without default thereunder by the lessee or, to Chemical's knowledge, the lessor. There are no pending or, to the knowledge of Chemical, threatened condemnation proceedings against the Chemical Real Property.

4.19. Intellectual Property. Except as set forth on Section 4.19 of the Chemical Disclosure Schedule, Chemical and each of its Subsidiaries owns, or is licensed to use (in each case, free and clear of any material Liens), all Intellectual Property necessary for the conduct of its business as currently conducted. Except as would not reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect on Chemical, (a) (i) the use of any Intellectual Property by Chemical and its Subsidiaries does not infringe, misappropriate or otherwise violate the rights of any person and is in accordance with any applicable license pursuant to which Chemical or any Chemical Subsidiary acquired the right to use any Intellectual Property, and (ii) no person has asserted in writing to Chemical that Chemical or any of its Subsidiaries has infringed, misappropriated or otherwise violated the Intellectual Property rights of such person, (b) no person is challenging or, to the knowledge of Chemical, infringing on or otherwise violating, any right of Chemical or any of its Subsidiaries with respect to any Intellectual Property owned by Chemical or its Subsidiaries, and (c) neither Chemical nor any Chemical Subsidiary has received any notice of any pending claim with respect to any Intellectual Property owned by Chemical or any Chemical Subsidiary, and Chemical and its Subsidiaries have taken commercially reasonable actions to avoid the abandonment, cancellation or unenforceability of all Intellectual Property owned or licensed, respectively, by Chemical and its Subsidiaries.

4.20. Related Party Transactions. There are no transactions or series of related transactions, agreements, arrangements or understandings, nor are there any currently proposed transactions or series of related transactions, between Chemical or any of its Subsidiaries, on the one hand, and any current or former director or “executive officer” (as defined in Rule 3b-7 under the Exchange Act) of Chemical or any of its Subsidiaries or any person who beneficially owns (as defined in Rules 13d-3 and 13d-5 of the Exchange Act) 5% or more of the outstanding Chemical Common Stock (or any of such person’s immediate family members or affiliates) (other than Subsidiaries of Chemical) on the other hand, which was required to be reported in any Chemical Report pursuant to Item 404 of Regulation S-K which has not been so reported on a timely basis.

4.21. State Takeover Laws. The Board of Directors of Chemical has approved this Agreement and the transactions contemplated hereby as required to render inapplicable to such agreements and transactions any Takeover Statutes.

4.22. Reorganization. Chemical has not taken any action and has no knowledge of the existence of any fact or circumstance that could reasonably be expected to prevent or impede the Merger from qualifying as a “reorganization” within the meaning of Section 368(a) of the Code.

4.23. Opinion of Financial Advisor. Prior to the execution of this Agreement, the Board of Directors of Chemical has received an opinion (which, if initially rendered orally, has been or will be confirmed by a written opinion, dated the same date) of Keefe, Bruyette & Woods, Inc. to the effect that, as of the date of such opinion, and based upon and subject to the factors, assumptions, and limitations set forth therein, the Exchange Ratio is fair from a financial point of view to Chemical. Such opinion has not been amended or rescinded as of the date of this Agreement.

4.24. Chemical Information. The information relating to Chemical and its Subsidiaries to be contained in the Joint Proxy Statement and the S-4, and the information relating to Chemical and its Subsidiaries that is provided by Chemical or its representatives specifically for inclusion in any other document filed with any other Regulatory Agency in connection herewith, will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances in which they are made, not misleading. The Joint Proxy Statement (except for such portions thereof that relate only to TCF or any of its Subsidiaries) will comply in all material respects with the provisions of the Exchange Act and the rules and regulations thereunder. The S-4 (except for such portions thereof that relate only to TCF or any of its Subsidiaries) will comply in all material respects with the provisions of the Securities Act and the rules and regulations thereunder.

4.25. Loan Portfolio.

(a) The allowances for loan and lease losses as reflected in the Chemical Reports were in the reasonable opinion of Chemical's management (i) adequate to meet all reasonably anticipated loan and lease losses, net of recoveries related to loans previously charged off as of those dates, (ii) consistent with GAAP and reasonable and sound banking practices and (iii) in conformance with recommendations and comments in reports of examination in all material respects.

(b) Except as would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on Chemical, each Loan of Chemical and its Subsidiaries (i) is evidenced by notes, agreements or other evidences of indebtedness that are true, genuine and what they purport to be, (ii) to the extent carried on the books and records of Chemical and its Subsidiaries as secured Loans, has been secured by valid charges, mortgages, pledges, security interests, restrictions, claims, liens or encumbrances, as applicable, which have been perfected, (iii) to the extent any Loan constitutes an operating lease, Chemical or its applicable Subsidiary, as the case may be, has legal and beneficial ownership of the assets under such operating lease, and (iv) is the legal, valid and binding obligation of the obligor named therein, enforceable in accordance with its terms, subject to the Enforceability Exceptions.

(c) Except as would not reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect on Chemical, each outstanding Loan of Chemical and its Subsidiaries (including Loans held for resale to investors) was solicited and originated, and is and has been administered and, where applicable, serviced, and the relevant Loan files are being maintained, in all material respects in accordance with the relevant notes or other credit or security documents, the written underwriting standards of Chemical and its Subsidiaries (and, in the case of Loans held for resale to investors, the underwriting standards, if any, of the applicable investors) and with all applicable federal, state and local laws, regulations and rules.

(d) There are no outstanding Loans made by Chemical or any of its Subsidiaries to any "executive officer" or other "insider" (as each such term is defined in Regulation O promulgated by the Federal Reserve Board) of Chemical or its Subsidiaries, other than Loans that are subject to and that were made and continue to be in compliance with Regulation O or that are exempt therefrom.

(e) Neither Chemical nor any of its Subsidiaries is (i) now nor has it ever been since January 1, 2015, subject to any fine, suspension, settlement or other contract or other administrative agreement or sanction by, or any reduction in any loan purchase commitment from, any Governmental Entity or Regulatory Agency relating to the origination, sale or servicing of mortgage or consumer Loans, and (ii) has knowledge of any actual or threatened claim, proceeding or investigation with respect thereto by any person.

(f) Section 4.25(f) of Chemical Disclosure Schedule sets forth a true, correct and complete list of (i) all Loans in which Chemical or any TCF Subsidiary is a creditor which, as of September 30, 2018, had an outstanding balance of \$100,000 or more and under the terms of which the obligor has, as of September 30, 2018, over ninety (90) days delinquent in payment of principal or interest, (ii) all Loans of Chemical and Chemical Subsidiaries that, as of September 30, 2018, were classified as "Special Mention," "Substandard," "Doubtful," "Loss," "Classified," "Criticized," "Credit Risk Assets," "Concerned Loans," "Watch List" or words of similar import by Chemical or any bank examiner, together with the principal amount of and accrued and unpaid interest on each such Loan and the identity of the borrower thereunder, together with the aggregate principal amount of such Loans by category of Loan (e.g., commercial, consumer, etc.), and (iii) each Loan classified by Chemical as a Troubled Debt Restructuring as defined by GAAP.

(g) Except as set forth on Section 4.25(g) of the Chemical Disclosure Schedule, none of the agreements pursuant to which Chemical or any of its Subsidiaries has sold Loans or pools of Loans or participations in Loans or pools of Loans contains any obligation to repurchase such Loans or interests therein solely on account of a payment default by the obligor on any such Loan (other than early termination defaults). Neither Chemical nor any Chemical Subsidiary (i) has been notified of any material repurchase obligation under any agreement of the type described in the preceding sentence since January 1, 2017, or (ii) has any knowledge of any facts or circumstances which would reasonably be expected to give rise to any such material repurchase obligation.

(h) Chemical and each of its Subsidiaries, in each case to the extent it is a servicer of any transaction sponsored by Chemical or any Chemical Subsidiary under which Chemical or any Chemical Subsidiary has sold or pledged receivables in a securitization in which securities backed by, or other interests in, such receivables were sold and any of such securities or other interest remains outstanding (each, a “Chemical Securitization Transaction”), are in compliance in all material respects with all contracts or agreements to which each of them is bound under such Chemical Securitization Transaction (collectively, “Chemical Securitization Instruments”). Chemical and each of its Subsidiaries, in each case to the extent that it is the issuing entity in any Chemical Securitization Transaction, have performed in all material respects all of their respective obligations under the Chemical Securitization Instruments. Chemical and each of its Subsidiaries, in each case to the extent that it is the depositor in any Chemical Securitization Transaction (in such capacity, a “Chemical Securitization Depositor”), have performed in all material respects all of their respective obligations under the Chemical Securitization Instruments. (i) Since January 1, 2015, Chemical and any Chemical Subsidiary that has acted as a Chemical Securitization Depositor has made or caused to be made all filings required to be made by it under the Exchange Act, or has otherwise corrected any errant filings or resolved any such filings with the SEC. There are no pending or, to the knowledge of Chemical, threatened, lawsuits, actions, proceedings or claims in which it is alleged that any private placement memorandum or other offering document (including any amendments or supplements thereto), as of the date on which it was issued in any Chemical Securitization Transaction, contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. No securities were issued or sold by Chemical or any of its Subsidiaries in violation of Section 5 of the Securities Act in any Chemical Securitization Transaction. Neither Chemical nor any Chemical Subsidiary, to the extent an issuing entity in any Chemical Securitization Transaction, is required to register as an investment company under the Investment Company Act.

(j) Neither Chemical nor any of its Subsidiaries has acted in the capacity of guarantor or credit enhancer in any Chemical Securitization Transaction, nor has Chemical or any of its Subsidiaries provided any type of guaranty in any Chemical Securitization Transaction with respect to any payments of principal or interest in connection with any issued securities.

4.28. No Other Representations or Warranties.

(a) Except for the representations and warranties made by Chemical in this Article IV, neither Chemical nor any other person makes any express or implied representation or warranty with respect to Chemical, its Subsidiaries, or their respective businesses, operations, assets, liabilities, conditions (financial or otherwise) or prospects, and Chemical hereby disclaims any such other representations or warranties. In particular, without limiting the foregoing disclaimer, neither Chemical nor any other person makes or has made any representation or warranty to TCF or any of its affiliates or representatives with respect to (i) any financial projection, forecast, estimate, budget or prospective information relating to Chemical, any of its Subsidiaries or their respective businesses, or (ii) except for the representations and warranties made by Chemical in this Article IV, any oral or written information presented to TCF or any of its affiliates or representatives in the course of their due diligence investigation of Chemical, the negotiation of this Agreement or in the course of the transactions contemplated hereby.

ARTICLE VI
ADDITIONAL AGREEMENTS

6.1. Regulatory Matters.

(a) Chemical and TCF shall promptly prepare and file with the SEC the Joint Proxy Statement and Chemical shall promptly prepare and file with the SEC the S-4, in which the Joint Proxy Statement will be included as a prospectus. Each of Chemical and TCF shall use its reasonable best efforts to have the S-4 declared effective under the Securities Act as promptly as practicable after such filing and to keep the S-4 effective for so long as necessary to consummate the transactions contemplated by this Agreement, and Chemical and TCF shall thereafter as promptly as practicable mail or deliver the Joint Proxy Statement to their respective shareholders and stockholders (as applicable). Chemical shall also use its reasonable best efforts to obtain all necessary state securities law or “Blue Sky” permits and approvals required to carry out the transactions contemplated by this Agreement, and TCF shall furnish all information concerning TCF and the holders of TCF Common Stock and TCF Preferred Stock as may be reasonably requested in connection with any such action.

(b) The Parties shall cooperate with each other and use their reasonable best efforts to promptly prepare and file, or cause to be prepared and filed, all necessary documentation, to effect all applications, notices, petitions and filings, to obtain as promptly as practicable all permits, consents, approvals and authorizations of all third parties and Regulatory Agencies and Governmental Entities which are necessary or advisable to consummate the transactions contemplated by this Agreement (including the Merger and the Bank Merger), and to comply with the terms and conditions of all such permits, consents, approvals and authorizations of all such Regulatory Agencies and Governmental Entities. Without limiting the generality of the foregoing, as soon as practicable and in no event later than sixty (60) days after the date of this Agreement, Chemical and TCF shall, and shall cause their respective Subsidiaries to, each prepare and file any applications, notices and filings required to be filed with any bank regulatory agency in order to obtain the Requisite Regulatory Approvals. Chemical and TCF shall each use, and shall each cause their applicable Subsidiaries to use, reasonable best efforts to obtain each such Requisite Regulatory Approval as promptly as reasonably practicable. Chemical and TCF shall have the right to review in advance, and, to the extent practicable, each will consult the other on, in each case subject to applicable laws relating to the exchange of information, all the information relating to TCF or Chemical, as the case may be, and any of their respective Subsidiaries, which appears in any filing made with, or written materials submitted to, any third party or any Governmental Entity in connection with the transactions contemplated by this Agreement. In exercising the foregoing right, each of the Parties shall act reasonably and as promptly as practicable. The Parties agree that they will consult with each other with respect to the obtaining of all permits, consents, approvals and authorizations of all third parties and Governmental Entities necessary or advisable to consummate the transactions contemplated by this Agreement and each Party will keep the other apprised of the status of matters relating to completion of the transactions contemplated hereby. Each Party shall, to the extent reasonably practicable, consult with the other in advance of any meeting or conference with any Governmental Entity that such Party anticipates to be substantive in connection with the transactions contemplated by this Agreement and, to the extent permitted by such Governmental Entity and applicable Law, give the other Party and/or its counsel the opportunity to attend and participate in such meetings and conferences; and provided that each Party shall promptly advise the other Party with respect to substantive matters that are addressed in any meeting or conference with any Governmental Entity which the other party does not attend or participate in, to the extent permitted by such Governmental Entity and applicable Law.

(c) In furtherance and not in limitation of the foregoing, each of Chemical and TCF shall use its reasonable best efforts to avoid the entry of, or to have vacated, lifted, reversed or overturned any decree, judgment, injunction or other order, whether temporary, preliminary or permanent, that would restrain, prevent or delay the Closing. Notwithstanding the foregoing, nothing contained in this Agreement shall be deemed to require Chemical or TCF (or permit either Party, without the prior written consent of the other Party) to take any action, or commit to take any action, or agree to any condition or restriction, that would reasonably be expected to have a material adverse effect on Chemical and its Subsidiaries, taken as a whole, after giving effect to the Merger (measured on a scale relative to TCF and its Subsidiaries, taken as a whole) (a “Materially Burdensome Regulatory Condition”).

(d) Chemical and TCF shall, upon request, furnish each other with all information concerning themselves, their Subsidiaries, directors, officers and shareholders and stockholders (as applicable) and such other matters as may be reasonably necessary or advisable in connection with the Joint Proxy Statement, the S-4 or any other statement, filing, notice or application made by or on behalf of Chemical, TCF or any of their respective Subsidiaries to any Governmental Entity in connection with the Merger, the Bank Merger and the other transactions contemplated by this Agreement.

(e) To the extent permitted by applicable law, Chemical and TCF shall promptly advise each other upon receiving any communication from any Governmental Entity whose consent or approval is required for consummation of the transactions contemplated by this Agreement that causes such Party to believe that there is a reasonable likelihood that any Requisite Regulatory Approval will not be obtained or that the receipt of any such approval will be materially delayed. As used in this Agreement, the “Requisite Regulatory Approvals” shall mean all regulatory authorizations, consents, orders or approvals from (i) the Federal Reserve Board in connection with the Merger, (ii) the OCC in connection with the Bank Merger and (iii) any other approvals set forth in Sections 3.4 and 4.4 that are necessary to consummate the transactions contemplated by this Agreement, including the Merger and the Bank Merger, except for any such authorizations, consents, orders or approvals the failure of which to be obtained would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on Chemical.

6.2. Access to Information.

(a) Upon reasonable notice and subject to applicable laws, each of Chemical and TCF, for the purposes of verifying the representations and warranties of the other and preparing for the Merger and the other matters contemplated by this Agreement, shall, and shall cause each of their respective Subsidiaries to, afford to the officers, employees, accountants, counsel, advisors and other representatives of the other Party, access, during normal business hours during the period prior to the Effective Time, to all its properties, books, contracts, commitments, personnel, information technology systems, and records, and each shall cooperate with the other Party in preparing to execute after the Effective Time conversion or consolidation of systems and business operations generally, and, during such period, each of Chemical and TCF shall, and shall cause its respective Subsidiaries to, make available to the other Party (i) a copy of each report, schedule, registration statement and other document filed or received by it during such period pursuant to the requirements of federal securities laws or federal or state banking laws (other than reports or documents that Chemical or TCF, as the case may be, is not permitted to disclose under applicable law), and (ii) all other information concerning its business, properties and personnel as such Party may reasonably request. Neither Chemical nor TCF nor any of their respective Subsidiaries shall be required to provide access to or to disclose information where such access or disclosure would violate or prejudice the rights of Chemical's or TCF's, as the case may be, customers, jeopardize the attorney-client privilege of the institution in possession or control of such information (after giving due consideration to the existence of any common interest, joint defense or similar agreement between the Parties) or contravene any law, rule, regulation, order, judgment, decree, fiduciary duty or binding agreement entered into prior to the date of this Agreement. The Parties will make appropriate substitute disclosure arrangements under circumstances in which the restrictions of the preceding sentence apply.

(b) Each of Chemical and TCF shall hold all information furnished by or on behalf of the other Party or any of such Party's Subsidiaries or representatives pursuant to Section 6.2(a) in confidence to the extent required by, and in accordance with, the provisions of the confidentiality agreement, dated May 24, 2018, between Chemical and TCF (the "Confidentiality Agreement").

(c) No investigation by either of the Parties or their respective representatives shall affect or be deemed to modify or waive the representations and warranties of the other set forth herein. Nothing contained in this Agreement shall give either Party, directly or indirectly, the right to control or direct the operations of the other Party prior to the Effective Time. Prior to the Effective Time, each Party shall exercise, consistent with the terms and conditions of this Agreement, complete control and supervision over its and its Subsidiaries' respective operations.

6.3. Approvals of Chemical Shareholders and TCF Stockholders. Each of Chemical and TCF shall call, give notice of, convene and hold a meeting of its shareholders or stockholders (as applicable) (the “Chemical Meeting” and the “TCF Meeting,” respectively) as soon as reasonably practicable after the S-4 is declared effective for the purpose of obtaining the Requisite Chemical Vote and the Requisite TCF Vote, respectively, required in connection with this Agreement and the Merger and, if so desired and mutually agreed, upon other matters of the type customarily brought before an annual or special meeting of shareholders or stockholders (as applicable) to adopt or approve a merger agreement. The Board of Directors of each of Chemical and TCF shall use its reasonable best efforts to obtain from its respective shareholders or stockholders (as applicable) the Requisite Chemical Vote, in the case of Chemical, and the Requisite TCF Vote, in the case of TCF, including by communicating to its respective shareholders or stockholders (as applicable) its recommendation (and including such recommendation in the Joint Proxy Statement) that they approve or adopt (as applicable) this Agreement and the transactions contemplated hereby. However, subject to Sections 8.1 and 8.2, if the Board of Directors of TCF or Chemical, after receiving the advice of its outside counsel, and, with respect to financial matters, its financial advisors, determines in good faith that it would be reasonably likely to violate its fiduciary duties under applicable law to continue to recommend adoption or approval of this Agreement, then in submitting this Agreement, such Board of Directors may (but shall not be required to) submit this Agreement to its shareholders or stockholders (as applicable) without recommendation (although the resolutions approving this Agreement as of the date hereof may not be rescinded or amended), in which event the Board of Directors may communicate the basis for its lack of a recommendation to its shareholders or stockholders (as applicable) in the Joint Proxy Statement or an appropriate amendment or supplement thereto to the extent required by law; provided that neither Board of Directors may take any actions under this sentence unless (i) it gives the other Party at least three (3) business days’ prior written notice of its intention to take such action and a reasonable description of the event or circumstances giving rise to its determination to take such action (including, in the event such action is taken in response to a Chemical Acquisition Proposal or TCF Acquisition Proposal, as applicable, the latest material terms and conditions of, and the identity of the third party making, any such Chemical Acquisition Proposal or TCF Acquisition Proposal, or any amendment or modification thereof, or describe in reasonable detail such other event or circumstances) and (ii) at the end of such notice period, the applicable Board of Directors takes into account any amendment or modification to this Agreement proposed by the other Party and after receiving the advice of its outside counsel, and, with respect to financial matters, its financial advisor, determines in good faith that it would nevertheless be reasonably likely to violate its fiduciary duties under applicable law to continue to recommend this Agreement. Any material amendment to any Chemical Acquisition Proposal or TCF Acquisition Proposal, as applicable, will be deemed to be a new Chemical Acquisition Proposal or TCF Acquisition Proposal for purposes of this Section 6.3 and will require a new notice period as referred to in this Section 6.3. Chemical or TCF shall adjourn or postpone the Chemical Meeting or the TCF Meeting, as the case may be, if, as of the time for which such meeting is originally scheduled there are insufficient shares of Chemical Common Stock or TCF Common Stock, as the case may be, represented (either in person or by proxy) to constitute a quorum necessary to conduct the business of such meeting, or if on the date of such meeting Chemical or TCF, as applicable, has not received proxies representing a sufficient number of shares necessary to obtain the Requisite Chemical Vote or the Requisite TCF Vote, and subject to the terms and conditions of this Agreement, Chemical or TCF, as applicable, shall continue to use reasonable best efforts to solicit proxies from its shareholders or stockholders (as applicable) in order to obtain the Requisite Chemical Vote or Requisite TCF Vote. Notwithstanding anything to the contrary herein, and subject to the obligation to adjourn or postpone such meeting as set forth in the immediately preceding sentence, unless this Agreement has been terminated in accordance with its terms, each of the Chemical Meeting and TCF Meeting shall be convened and this Agreement shall be submitted to the shareholders of Chemical at the Chemical Meeting and the stockholders of TCF at the TCF Meeting for the purpose of voting on the approval or adoption (as applicable) of such proposals and the other matters contemplated hereby, and nothing contained herein shall be deemed to relieve either Chemical or TCF of such obligation. Chemical and TCF shall use their reasonable best efforts to cooperate to hold the TCF Meeting and the Chemical Meeting on the same day and at the same time as soon as reasonably practicable after the date of this Agreement, and to set the same record date for each such meeting.

6.4. Legal Conditions to Merger. Subject in all respects to Section 6.1 of this Agreement, each of Chemical and TCF shall, and shall cause its Subsidiaries to, use their reasonable best efforts (a) to take, or cause to be taken, all actions necessary, proper or advisable to comply promptly with all legal and regulatory requirements that may be imposed on such Party or its Subsidiaries with respect to the Merger and the Bank Merger and, subject to the conditions set forth in Article VII, to consummate the transactions contemplated by this Agreement, and (b) to obtain (and to cooperate with the other Party to obtain) any material consent, authorization, order or approval of, or any exemption by, any Governmental Entity and any other third party that is required to be obtained by TCF or Chemical or any of their respective Subsidiaries in connection with the Merger, the Bank Merger and the other transactions contemplated by this Agreement.

6.5. Stock Exchange Listing. Chemical shall use its reasonable best efforts to cause the shares of Chemical Common Stock and the shares of New Chemical Preferred Stock (or depositary shares in respect thereof) to be issued in the Merger to be approved for listing on Nasdaq, subject to official notice of issuance, prior to the Effective Time.

6.6. Employee Benefit Plans.

(a) Chemical shall, or shall cause its Subsidiaries (including the Surviving Corporation and its Subsidiaries) to, provide each employee of TCF or Chemical or any of their respective Subsidiaries who continues employment with Chemical or its Subsidiaries (including the Surviving Corporation and its Subsidiaries) immediately following the Effective Time (collectively, the “Continuing Employees”) for the applicable period specified below (or such shorter period of time as such Continuing Employee is employed following the Effective Time), with the following compensation and benefits: (i) during the one-year period following the Effective Time, (A) a base salary or base wage rate, as applicable, that is no less favorable than the base salary or base wage rate, as applicable, provided by Chemical, TCF or any such Subsidiary, as applicable, to such Continuing Employee immediately prior to the Effective Time, and (B) annual or short-term cash incentive compensation target opportunities that, in each case, are no less favorable than the annual or short-term cash incentive compensation target opportunities provided to such Continuing Employee immediately prior to the Effective Time; provided, however, that with respect to Continuing Employees who are eligible to participate in the Surviving Corporation’s corporate annual incentive plan, the incentive compensation target opportunities for the first full fiscal year commencing following the Effective Time shall be based on the target opportunities and terms and conditions, including performance goals, developed by the Surviving Corporation with respect to such performance period, applied on a consistent basis with respect to similarly situated Continuing Employees who were employed by Chemical and TCF, respectively, as of immediately prior to the Effective Time, (ii) (A) during the period from the Effective Time through the end of the fiscal year in which the Effective Time occurs, other compensation (excluding long-term incentive opportunities) and employee benefits that are substantially similar in the aggregate to the other compensation and employee benefits provided to such Continuing Employee immediately prior to the Effective Time, and (B) following the end of the period set forth in the foregoing clause (A) (but not later than first anniversary of the Effective Time), other compensation (including long-term incentive opportunities for those Continuing Employees determined to be eligible for participation by the Surviving Corporation) and employee benefits that are substantially similar in the aggregate to the other compensation and employee benefits under the plans and programs developed by the Surviving Corporation, which, to the extent permitted by applicable law, among other things, shall (x) treat similarly situated employees on a substantially equivalent basis, taking into account all relevant factors, including duties, geographic location, tenure, qualifications and abilities and (y) not discriminate between the Continuing Employees who were covered by Chemical Benefit Plans, on the one hand, and those covered by TCF Benefit Plans on the other, as of immediately prior to the Effective Time, and (iii) during the one-year period following the Effective Time, severance benefits that are no less favorable than those provided under the applicable TCF Benefit Plan or Chemical Benefit Plan in which such Continuing Employee was eligible to receive severance benefits under immediately prior to the Effective Time.

(b) With respect to any employee benefit plans of Chemical or its Subsidiaries (including the Surviving Corporation and its Subsidiaries) in which any Continuing Employees are eligible to participate on or after the Effective Time, including any such plans that were originally Chemical Benefits Plans or TCF Benefit Plans (the “New Plans”), Chemical shall or shall cause its Subsidiaries (including the Surviving Corporation and its Subsidiaries) to: (i) use reasonable best efforts to waive all pre-existing conditions, exclusions and waiting periods with respect to participation and coverage requirements applicable to such employees and their eligible dependents under any New Plans, except to the extent such pre-existing conditions, exclusions or waiting periods would apply under the analogous applicable TCF Benefit Plan or Chemical Benefit Plan, (ii) use reasonable best efforts to provide each such employee and their eligible dependents with credit for any eligible expenses incurred by such employee or dependent prior to the Effective Time under a TCF Benefit Plan or Chemical Benefit Plan (to the same extent that such credit was given under the analogous applicable TCF Benefit Plan or Chemical Benefit Plan prior to the Effective Time) in satisfying any applicable deductible, co-payment or out-of-pocket requirements under any New Plans, and (iii) recognize all service of such employees with Chemical, TCF and their respective Subsidiaries for all purposes in any New Plan to the same extent that such service was taken into account under the analogous applicable TCF Benefit Plan or Chemical Benefit Plan prior to the Effective Time; provided that the foregoing service recognition shall not apply (A) to the extent it would result in duplication of benefits for the same period of services, (B) for benefit accrual purposes under any employee benefit plan that is a defined benefit pension or post-retirement welfare plan or (C) for any purpose under a benefit plan that is frozen and/or applies to a grandfathered group of participants.

(c) Nothing in this Agreement shall confer upon any employee, officer, director or consultant of TCF, Chemical or any of their respective Subsidiaries or affiliates any right to continue in the employ or service of the Surviving Corporation, TCF, Chemical or any Subsidiary or affiliate thereof, or shall interfere with or restrict in any way the rights of the Surviving Corporation, TCF, Chemical or any Subsidiary or affiliate thereof to discharge or terminate the services of any employee, officer, director or consultant of TCF, Chemical or any of their respective Subsidiaries or affiliates at any time for any reason whatsoever, with or without cause. Nothing in this Agreement shall be deemed to (i) establish, amend, or modify any TCF Benefit Plan, Chemical Benefit Plan, New Plan or any other benefit or employment plan, program, agreement or arrangement, or (ii) alter or limit the ability of the Surviving Corporation or any of its Subsidiaries or affiliates to amend, modify or terminate any particular TCF Benefit Plan, Chemical Benefit Plan, New Plan or any other benefit or employment plan, program, agreement or arrangement after the Effective Time. Without limiting the generality of Section 9.11, nothing in this Agreement, express or implied, is intended to or shall confer upon any person, including, without limitation, any current or former employee, officer, director or consultant of TCF, Chemical or any of their respective Subsidiaries or affiliates, any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

(d) The Parties and following the Effective Time the Surviving Corporation acknowledge that a “change in control” (or similar phrase) within the meaning of each Chemical Benefit Plan and TCF Benefit Plan will occur at the Effective Time; provided that, for purposes of any such plans that provide for deferred compensation within the meaning of Section 409A of the Code, the foregoing shall not accelerate the time of payment to the Effective Time if payment due to the occurrence of the Effective Time is not otherwise provided by the terms of the applicable plan and would result in an impermissible payment for purposes of Section 409A of the Code. Effective as of the Effective Time, the Surviving Corporation hereby expressly assumes the TCF Benefit Plans and Chemical Benefit Plans and agrees to perform the obligations of TCF and Chemical or any of their respective Subsidiaries, as applicable, thereunder in accordance with the terms and conditions thereof.

6.7. Indemnification; Directors’ and Officers’ Insurance.

(a) From and after the Effective Time, the Surviving Corporation shall indemnify and hold harmless, to the fullest extent permitted by applicable law, each present and former director, officer or employee of TCF and its Subsidiaries (in each case, when acting in such capacity) (each, a “TCF Indemnified Party”) against any costs or expenses (including reasonable attorneys’ fees), judgments, fines, losses, damages or liabilities incurred in connection with any threatened or actual claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, whether arising before or after the Effective Time, arising in whole or in part out of, or pertaining to, the fact that such person is or was a director, officer or employee of TCF or any of its Subsidiaries or is or was serving at the request of TCF or any of its Subsidiaries as a director or officer of another person and pertaining to matters, acts or omissions existing or occurring at or prior to the Effective Time, including matters, acts or omissions occurring in connection with the approval of this Agreement and the transactions contemplated by this Agreement; and Chemical and the Surviving Corporation shall also advance expenses as incurred by such TCF Indemnified Party to the fullest extent permitted by applicable law; provided that the TCF Indemnified Party to whom expenses are advanced provides an undertaking to repay such advances if it is ultimately determined that such TCF Indemnified Party is not entitled to indemnification. The Surviving Corporation shall reasonably cooperate with the TCF Indemnified Party, and the TCF Indemnified Party shall reasonably cooperate with the Surviving Corporation in the defense of any such claim, action, suit, proceeding or investigation.

(b) For a period of six (6) years after the Effective Time, the Surviving Corporation shall maintain in effect the current policies of directors' and officers' liability insurance maintained by TCF (provided that Chemical may substitute therefor policies with a substantially comparable insurer of at least the same coverage and amounts containing terms and conditions which are no less advantageous to the insured) with respect to claims against the present and former officers and directors of TCF or any of its Subsidiaries arising from facts or events which occurred at or before the Effective Time (including the transactions contemplated by this Agreement); provided that the Surviving Corporation shall not be obligated to expend, on an annual basis, an amount in excess of 300% of the current annual premium paid as of the date hereof by TCF for such insurance (the "Premium Cap"), and if such premiums for such insurance would at any time exceed the Premium Cap, then the Surviving Corporation shall cause to be maintained policies of insurance which, in the Surviving Corporation's good faith determination, provide the maximum coverage available at an annual premium equal to the Premium Cap. In lieu of the foregoing, Chemical may (and with the prior written consent of Chemical, TCF may use its reasonable best efforts to) obtain at or prior to the Effective Time one or more six-year "tail policies" providing equivalent coverage to that described in the preceding sentence if and to the extent that the same may be obtained for an amount that, in the aggregate, does not exceed the Premium Cap. If Chemical or TCF purchases such a tail policy, the Surviving Corporation shall maintain such tail policy in full force and effect and continue to honor its obligations thereunder.

(c) The obligations of the Surviving Corporation, Chemical and TCF under this Section 6.7 shall not be terminated or modified after the Effective Time in a manner so as to adversely affect any TCF Indemnified Party or any other person entitled to the benefit of this Section 6.7 without the prior written consent of the affected TCF Indemnified Party or affected person.

(d) The provisions of this Section 6.7 shall survive the Effective Time and are intended to be for the benefit of, and shall be enforceable by, each TCF Indemnified Party and his or her heirs and representatives. If the Surviving Corporation or any of its successors or assigns will consolidate with or merge into any other entity and not be the continuing or surviving entity of such consolidation or merger, transfer all or substantially all of its assets or deposits to any other entity or engage in any similar transaction, then in each case to the extent the obligations set forth in this Section 6.7 are not otherwise transferred and assumed by such successors and assigns by operation of law or otherwise, the Surviving Corporation will cause proper provision to be made so that the successors and assigns of the Surviving Corporation will expressly assume the obligations set forth in this Section 6.7.

6.8. Additional Agreements. In case at any time after the Effective Time any further action is necessary or desirable to carry out the purposes of this Agreement or to vest the Surviving Corporation with full title to all properties, assets, rights, approvals, immunities and franchises of any of the Parties to the Merger, the proper officers and directors of each Party to this Agreement and their respective Subsidiaries shall take all such necessary action as may be reasonably requested by the Surviving Corporation.

6.9. Advice of Changes. Each of Chemical and TCF (in such capacity, the “Notifying Party”) shall each promptly advise the other Party of any change or event (i) that has had or is reasonably likely to have a Material Adverse Effect on the Notifying Party or (ii) which the Notifying Party believes would or would be reasonably likely to cause or constitute a material breach of any of the Notifying Party’s representations, warranties or covenants contained herein that reasonably could be expected to give rise, either individually or in the aggregate, to the failure of a condition set forth in, if Chemical is the Notifying Party, Section 7.1 or 7.3, or if TCF is the Notifying Party, Section 7.1 or 7.2; provided that any failure to give notice in accordance with the foregoing with respect to any breach shall not be deemed to constitute a violation of this Section 6.9 or the failure of any condition set forth in Section 7.2 or 7.3 to be satisfied, or otherwise constitute a breach of this Agreement by the Party failing to give such notice, in each case unless the underlying breach would independently result in a failure of the conditions set forth in Section 7.2 or 7.3 to be satisfied.

6.10. TCF Acquisition Proposals.

(a) TCF agrees that it will not, and will cause its Subsidiaries and use its reasonable best efforts to cause its and their officers, directors, agents, advisors and representatives (collectively, “Representatives”) not to, directly or indirectly, (i) initiate, solicit, knowingly encourage or knowingly facilitate inquiries or proposals with respect to any TCF Acquisition Proposal, (ii) engage or participate in any negotiations with any person concerning any TCF Acquisition Proposal, or (iii) provide any confidential or nonpublic information or data to, or have or participate in any discussions with, any person relating to any TCF Acquisition Proposal, except to notify a person that has made or, to the knowledge of TCF, is making any inquiries with respect to, or is considering making, a TCF Acquisition Proposal of the existence of the provisions of this Section 6.10(a); provided that, prior to obtaining the Requisite TCF Vote, in the event TCF receives an unsolicited bona fide written TCF Acquisition Proposal after the date of this Agreement and its Board of Directors concludes in good faith (after receiving the advice of its outside counsel and with respect to financial matters, its financial advisors) that such TCF Acquisition Proposal constitutes or would be reasonably likely to result in a Superior Proposal, it may, and may permit its Subsidiaries and its and its Subsidiaries’ Representatives to, furnish or cause to be furnished nonpublic information or data and participate in such negotiations or discussions to the extent that its Board of Directors concludes in good faith (after receiving the advice of its outside counsel, and with respect to financial matters, its financial advisor) that failure to take such actions would be reasonably likely to violate its fiduciary duties under applicable law; provided, further, that, prior to providing any nonpublic information permitted to be provided pursuant to the foregoing proviso, TCF shall have provided such information to Chemical and entered into a confidentiality agreement with such third party on terms no less favorable to it than the Confidentiality Agreement (an “Acceptable Confidentiality Agreement”), which confidentiality agreement shall not provide such third party with any exclusive right to negotiate with TCF. TCF will, and will use its reasonable best efforts to cause its Representatives to, immediately cease and cause to be terminated any activities, discussions or negotiations conducted before the date of this Agreement with any person other than Chemical with respect to any TCF Acquisition Proposal. TCF will promptly (within twenty-four (24) hours) advise Chemical following receipt of any TCF Acquisition Proposal or any inquiry which could reasonably be expected to lead to a TCF Acquisition Proposal, and the substance thereof (including the material terms and conditions of and the identity of the person making such inquiry or TCF Acquisition Proposal), and will keep Chemical reasonably apprised (and in any event within twenty-four (24) hours) of any related developments, discussions and negotiations on a current basis, including any amendments to or revisions of the material terms of such inquiry or TCF Acquisition Proposal. TCF shall (A) withdraw and terminate access that was granted to any person (other than the Parties to this Agreement and their respective affiliates and Representatives) to any “data room” (virtual or physical) that was established in connection with a TCF Acquisition Proposal prior to the date of this Agreement and (B) use its reasonable best efforts to enforce any existing confidentiality or standstill agreements to which it or any of its Subsidiaries is a party in accordance with the terms thereof. During the term of this Agreement, TCF shall not, and shall cause its Subsidiaries and its and their Representatives not to on its behalf, enter into any letter of intent, memorandum of understanding, agreement in principle, acquisition agreement, merger agreement or other similar agreement relating to a TCF Acquisition Proposal (other than an Acceptable Confidentiality Agreement). As used in this Agreement, “TCF Acquisition Proposal” shall mean other than the transactions contemplated by this Agreement, any offer, proposal or inquiry relating to, or any third party indication of interest in, (i) any acquisition or purchase, direct or indirect, of 25% or more of the consolidated assets of TCF and its Subsidiaries or 25% or more of any class of equity or voting securities of TCF or of its Subsidiaries whose assets, individually or in the aggregate, constitute 25% or more of the consolidated assets of TCF, (ii) any tender offer (including a self-tender offer) or exchange offer that, if consummated, would result in such third party beneficially owning 25% or more of any class of equity or voting securities of TCF or of its Subsidiaries whose assets, individually or in the aggregate, constitute 25% or more of the consolidated assets of TCF, or (iii) a merger, consolidation, share exchange, business combination, reorganization, recapitalization, liquidation, dissolution or other similar transaction involving TCF or its Subsidiaries whose assets, individually or in the aggregate, constitute 25% or more of the consolidated assets of TCF. TCF shall use its reasonable best efforts, subject to applicable law, to, within ten (10) business days after the date hereof, request and confirm the return or destruction of any confidential information provided to any person (other than Chemical and its affiliates) pursuant to any such confidentiality, standstill or similar agreement. As used in this Agreement, “TCF Superior Proposal” shall mean a bona fide written TCF Acquisition Proposal that the Board of Directors of TCF concludes in good faith to be more favorable to its stockholders than the Merger and the other transactions contemplated hereby, (i) after receiving the advice of its financial advisors (who shall be a nationally recognized investment banking firm), (ii) after taking into account the likelihood of consummation of such transaction on the terms set forth therein and (iii) after taking into account all legal (with the advice of outside counsel) financial (including the financing terms of any such proposal), regulatory and other aspects of such proposal (including any expense reimbursement provisions and conditions to closing) and any other relevant factors permitted under applicable law; provided, that for purposes of the definition of “TCF Superior Proposal,” the reference to “25%” in the definition of TCF Acquisition Proposal shall be deemed to be references to “a majority.”

(b) Nothing contained in this Agreement shall prevent TCF or its Board of Directors from complying with Rules 14d-9 and 14e-2 under the Exchange Act or Item 1012(a) of Regulation M-A with respect to a TCF Acquisition Proposal or from making any legally required disclosure to TCF's stockholders; provided that such Rules will in no way eliminate or modify the effect that any action pursuant to such Rules would otherwise have under this Agreement.

6.11. Chemical Acquisition Proposals.

(a) Chemical agrees that it will not, and will cause its Subsidiaries and use its reasonable best efforts to cause its and their Representatives not to, directly or indirectly, (i) initiate, solicit, knowingly encourage or knowingly facilitate inquiries or proposals with respect to any Chemical Acquisition Proposal, (ii) engage or participate in any negotiations with any person concerning any Chemical Acquisition Proposal, or (iii) provide any confidential or nonpublic information or data to, or have or participate in any discussions with, any person relating to any Chemical Acquisition Proposal, except to notify a person that has made or, to the knowledge of Chemical, is making any inquiries with respect to, or is considering making, a Chemical Acquisition Proposal of the existence of the provisions of this Section 6.11(a); provided that, prior to obtaining the Requisite Chemical Vote, in the event Chemical receives an unsolicited bona fide written Chemical Acquisition Proposal after the date of this Agreement and its Board of Directors concludes in good faith (after receiving the advice of its outside counsel and with respect to financial matters, its financial advisors) that such Chemical Acquisition Proposal constitutes or would be reasonably likely to result in a Superior Proposal, it may, and may permit its Subsidiaries and its and its Subsidiaries' Representatives to, furnish or cause to be furnished nonpublic information or data and participate in such negotiations or discussions to the extent that its Board of Directors concludes in good faith (after receiving the advice of its outside counsel, and with respect to financial matters, its financial advisor) that failure to take such actions would be reasonably likely to violate its fiduciary duties under applicable law; provided, further, that, prior to providing any nonpublic information permitted to be provided pursuant to the foregoing proviso, Chemical shall have provided such information to TCF and entered into an Acceptable Confidentiality Agreement with such third party, which confidentiality agreement shall not provide such third party with any exclusive right to negotiate with Chemical. Chemical will, and will use its reasonable best efforts to cause its Representatives to, immediately cease and cause to be terminated any activities, discussions or negotiations conducted before the date of this Agreement with any person other than TCF with respect to any Chemical Acquisition Proposal. Chemical will promptly (within twenty-four (24) hours) advise TCF following receipt of any Chemical Acquisition Proposal or any inquiry which could reasonably be expected to lead to a Chemical Acquisition Proposal, and the substance thereof (including the material terms and conditions of and the identity of the person making such inquiry or Chemical Acquisition Proposal), and will keep TCF reasonably apprised (and in any event within twenty-four (24) hours) of any related developments, discussions and negotiations on a current basis, including any amendments to or revisions of the material terms of such inquiry or Chemical Acquisition Proposal. Chemical shall (A) withdraw and terminate access that was granted to any person (other than the Parties to this Agreement and their respective affiliates and Representatives) to any "data room" (virtual or physical) that was established in connection with a Chemical Acquisition Proposal prior to the date of this Agreement and (B) use its reasonable best efforts to enforce any existing confidentiality or standstill agreements to which it or any of its Subsidiaries is a party in accordance with the terms thereof. During the term of this Agreement, Chemical shall not, and shall cause its Subsidiaries and its and their Representatives not to on its behalf, enter into any letter of intent, memorandum of understanding, agreement in principle, acquisition agreement, merger agreement or other similar agreement with respect to a Chemical Acquisition Proposal (other than an Acceptable Confidentiality Agreement). As used in this Agreement, "Chemical Acquisition Proposal" shall mean, other than the transactions contemplated by this Agreement, any offer, proposal or inquiry relating to, or any third party indication of interest in, (i) any acquisition or purchase, direct or indirect, of 25% or more of the consolidated assets of Chemical and its Subsidiaries or 25% or more of any class of equity or voting securities of Chemical or of its Subsidiaries whose assets, individually or in the aggregate, constitute 25% or more of the consolidated assets of Chemical, (ii) any tender offer (including a self-tender offer) or exchange offer that, if consummated, would result in such third party beneficially owning 25% or more of any class of equity or voting securities of Chemical or of its Subsidiaries whose assets, individually or in the aggregate, constitute 25% or more of the consolidated assets of Chemical, or (iii) a merger, consolidation, share exchange, business combination, reorganization, recapitalization, liquidation, dissolution or other similar transaction involving Chemical or its Subsidiaries whose assets, individually or in the aggregate, constitute 25% or more of the consolidated assets of Chemical. Chemical shall use its reasonable best efforts, subject to applicable law, to, within ten (10) business days after the date hereof, request and confirm the return or destruction of any confidential information provided to any person (other than TCF and its affiliates) pursuant to any such confidentiality, standstill or similar agreement. As used in this Agreement, "Chemical Superior Proposal" shall mean a bona fide written Chemical Acquisition Proposal that the Board of Directors of Chemical concludes in good faith to be more favorable to its shareholders than the Merger and the other transactions contemplated hereby, (i) after receiving the advice of its financial advisors (who shall be a nationally recognized investment banking firm), (ii) after taking into account the likelihood of consummation of such transaction on the terms set forth therein and (iii) after taking into account all legal (with the advice of outside counsel) financial (including the financing terms of any such proposal), regulatory and other aspects of such proposal (including any expense reimbursement provisions and conditions to closing) and any other relevant factors permitted under applicable law; provided, that for purposes of the definition of "Superior Proposal," the reference to "25%" in the definition of Chemical Acquisition Proposal shall be deemed to be references to "a majority."

(b) Nothing contained in this Agreement shall prevent Chemical or its Board of Directors from complying with Rules 14d-9 and 14e-2 under the Exchange Act or Item 1012(a) of Regulation M-A with respect to a Chemical Acquisition Proposal or from making any legally required disclosure to Chemical's shareholders; provided that such Rules will in no way eliminate or modify the effect that any action pursuant to such Rules would otherwise have under this Agreement.

6.12. Public Announcements. TCF and Chemical shall each use their reasonable best efforts to develop a joint communications plan to ensure that all press releases and other public statements with respect to the transactions contemplated hereby shall be consistent with such joint communications plan, and except in respect of any announcement required by applicable law, or by obligations pursuant to any listing agreement with or rules of any securities exchange, to consult with each other before issuing any press release or, to the extent practical, otherwise making any public statement with respect to this Agreement or the transactions contemplated hereby.

6.13. Restructuring Efforts. If either TCF or Chemical shall have failed to obtain the Requisite TCF Vote or the Requisite Chemical Vote at the duly convened TCF Meeting or Chemical Meeting, as applicable, or any adjournment or postponement thereof, each of the Parties shall in good faith use its reasonable best efforts to negotiate a restructuring of the transaction contemplated by this Agreement (it being understood that neither Party shall have any obligation to alter or change any material terms, including the Exchange Ratio, the amount or kind of the consideration to be issued to holders of the capital stock of TCF as provided for in this Agreement, or any term that would adversely affect the tax treatment of the transactions contemplated hereby, in a manner adverse to such Party or its shareholders or stockholders (as applicable)) and/or resubmit this Agreement and/or the transactions contemplated hereby (or as restructured pursuant to this Section 6.13) to its respective shareholders or stockholders (as applicable) for approval or adoption (as applicable).

6.14. Takeover Statutes. None of TCF, Chemical or their respective Boards of Directors shall take any action that would cause any Takeover Statute to become applicable to this Agreement, the Merger, or any of the other transactions contemplated hereby, and each shall take all necessary steps to exempt (or ensure the continued exemption of) the Merger and the other transactions contemplated hereby from any applicable Takeover Statute now or hereafter in effect. If any Takeover Statute may become, or may purport to be, applicable to the transactions contemplated hereby, each Party and the members of their respective Boards of Directors will grant such approvals and take such actions as are necessary so that the transactions contemplated by this Agreement may be consummated as promptly as practicable on the terms contemplated hereby and thereby and otherwise act to eliminate or minimize the effects of any Takeover Statute on any of the transactions contemplated by this Agreement, including, if necessary, challenging the validity or applicability of any such Takeover Statute.

6.15. Exemption from Liability under Section 16(b). TCF and Chemical agree that, in order to most effectively compensate and retain those officers and directors of TCF subject to the reporting requirements of Section 16(a) of the Exchange Act (the “TCF Insiders”), both prior to and after the Effective Time, it is desirable that TCF Insiders not be subject to a risk of liability under Section 16(b) of the Exchange Act to the fullest extent permitted by applicable law in connection with the conversion of shares of TCF Common Stock, TCF Preferred Stock and TCF Equity Awards in the Merger, and for that compensatory and retentive purpose agree to the provisions of this Section 6.15. The Board of Directors of Chemical and of TCF, or a committee of non-employee directors thereof (as such term is defined for purposes of Rule 16b-3(d) under the Exchange Act), shall prior to the Effective Time take all such steps as may be required to cause (in the case of TCF) any dispositions of TCF Common Stock, TCF Preferred Stock or TCF Equity Awards by TCF Insiders, and (in the case of Chemical) any acquisitions of Chemical Common Stock or New Chemical Preferred Stock by any TCF Insiders who, immediately following the Merger, will be officers or directors of the Surviving Corporation subject to the reporting requirements of Section 16(a) of the Exchange Act, in each case pursuant to the transactions contemplated by this Agreement, to be exempt from liability pursuant to Rule 16b-3 under the Exchange Act to the fullest extent permitted by applicable law.

6.16. Litigation and Claims. Each of Chemical and TCF shall, to the extent permitted under applicable law and regulation, promptly notify the other Party in writing of any action, arbitration, audit, hearing, investigation, litigation, suit, subpoena or summons issued, commenced, brought, conducted or heard by or before, or otherwise involving, any Governmental Entity or arbitrator pending or, to the knowledge of Chemical or TCF, as applicable, threatened against Chemical, TCF or any of their respective Subsidiaries that (a) questions or would reasonably be expected to question the validity of this Agreement or the other agreements contemplated hereby or thereby or any actions taken or to be taken by Chemical, TCF, or their respective Subsidiaries with respect hereto or thereto, or (b) seeks to enjoin or otherwise restrain the transactions contemplated hereby or thereby. Prior to the Effective Time, each Party shall give the other Party the opportunity to participate at its own expense in the defense or settlement of any shareholder litigation against such Party and/or its directors or affiliates relating to the transactions contemplated by this Agreement, and no such settlement shall be agreed without the other Party’s prior written consent (such consent not to be unreasonably withheld).

6.17. Assumption of TCF Debt. Chemical agrees to execute and deliver, or cause to be executed and delivered, by or on behalf of Chemical, at or prior to the Effective Time, one or more supplemental indentures, guarantees, and other instruments required for the due assumption of TCF's obligations in respect of its outstanding debt, guarantees, securities, and other agreements to the extent required by the terms of such debt, guarantees, securities, and other agreements.

6.18. Data Conversion. From and after the date hereof, the Parties shall use their commercially reasonable efforts to facilitate the integration of TCF with the business of Chemical following consummation of the transactions contemplated hereby, and shall meet on a regular basis to discuss and plan for the conversion of the data processing and related electronic information technology systems (the "Data Conversion"). The Parties agree to use all commercially reasonable efforts to promptly commence preparations for implementation of the Data Conversion, with the goal of effecting the Data Conversion after the Effective Time and at such later time as mutually agreed upon by the Parties. The Parties agree to cooperate in preparing for the Data Conversion, including by providing reasonable access to data, information systems, and personnel having expertise with their and their respective Subsidiaries' information and data systems; provided, however, that neither Party shall be required to terminate any third-party service provider arrangements prior to the Effective Time.

6.19. Corporate Governance.

(a) Prior to the Effective Time, Chemical shall take all actions necessary to adopt the by-laws set forth in Exhibit 3 effective as of and from and after the Effective Time and to effect the requirements referenced therein. The provisions of Article IX of such by-laws shall also be considered an agreement of the Parties in this Agreement *mutatis mutandis*.

(b) On or prior to the Effective Time, (i) Chemical's Board of Directors shall cause the number of directors that will comprise the full Board of Directors of the Surviving Corporation at the Effective Time to be 16, consisting of (A) the chief executive officer of TCF, the lead director of TCF and six other current independent directors of TCF designated by TCF, and (B) the chief executive officer, the chairman of Chemical and six other current independent directors of Chemical designated by Chemical and (ii) in addition to the directors then serving on the board of directors of TCF Bank, TCF (as the sole shareholder of TCF Bank) shall cause the persons indicated in Exhibit 4 to become and serve as directors of TCF Bank at the Effective Time.

(c) On or prior to the Effective Time, the Chemical Board of Directors shall take such actions as are necessary to cause the persons indicated in Exhibit 5 to be elected or appointed to the offices of the Surviving Corporation specified in such Exhibit as of the Effective Time.

(d) From and after the Effective Time, the name of the Surviving Corporation shall be “TCF Financial Corporation.”

(e) The headquarters of the Surviving Corporation will be located in Detroit, Michigan, and following the Effective Time the main office of TCF Bank will be located in a location to be determined as set forth in Section 6.19(e) of the TCF Disclosure Schedule.

6.20. Dividends. After the date of this Agreement, each of TCF and Chemical shall coordinate with the other the declaration of any dividends in respect of the TCF Common Stock and the Chemical Common Stock and the record dates and payment dates relating thereto, it being the intention of the Parties that holders of TCF Common Stock shall not receive two dividends, or fail to receive one dividend, in any quarter with respect to their shares of TCF Common Stock and any shares of Chemical Common Stock any such holder receives in exchange therefor in the Merger.

ARTICLE VII CONDITIONS PRECEDENT

7.1. Conditions to Each Party’s Obligation to Effect the Merger. The respective obligations of the Parties to effect the Merger shall be subject to the satisfaction at or prior to the Effective Time of the following conditions:

(a) Shareholder/Stockholder Approvals. The Requisite Chemical Vote and the Requisite TCF Vote shall have been obtained.

(b) Stock Exchange Listing. The shares of Chemical Common Stock and New Chemical Preferred Stock (or depositary shares in respect thereof) that shall be issuable pursuant to this Agreement shall have been authorized for listing on Nasdaq, subject to official notice of issuance.

(c) Regulatory Approvals. All Requisite Regulatory Approvals shall have been obtained and shall remain in full force and effect and all statutory waiting periods in respect thereof shall have expired, and no such Requisite Regulatory Approval shall have resulted in the imposition of any Materially Burdensome Regulatory Condition.

(d) S-4. The S-4 shall have become effective under the Securities Act and no stop order suspending the effectiveness of the S-4 shall have been issued and no proceedings for that purpose shall have been initiated or threatened by the SEC and not withdrawn.

(e) No Injunctions or Restraints; Illegality. No order, injunction or decree issued by any court or agency of competent jurisdiction or other legal restraint or prohibition preventing the consummation of the Merger or any of the other transactions contemplated by this Agreement shall be in effect. No statute, rule, regulation, order, injunction or decree shall have been enacted, entered, promulgated or enforced by any Governmental Entity which prohibits or makes illegal consummation of the Merger.

7.2. Conditions to Obligations of Chemical. The obligation of Chemical to effect the Merger is also subject to the satisfaction, or waiver by Chemical, at or prior to the Effective Time, of the following conditions:

(a) Representations and Warranties. The representations and warranties of TCF set forth in Sections 3.2(a) and 3.8(a) (in each case after giving effect to the lead in to Article III) shall be true and correct (other than, in the case of Section 3.2(a), such failures to be true and correct as are *de minimis*) in each case as of the date of this Agreement and (except to the extent such representations and warranties speak as of an earlier date) as of the Closing Date as though made on and as of the Closing Date, and the representations and warranties of TCF set forth in Sections 3.1(a), 3.1(b) (other than the representations and warranties set forth in the last sentence of Section 3.1(b)), 3.2(b) and 3.3(a) (in each case, after giving effect to the lead in to Article III) shall be true and correct in all material respects as of the date of this Agreement and (except to the extent such representations and warranties speak as of an earlier date) as of the Closing Date as though made on and as of the Closing Date. All other representations and warranties of TCF set forth in this Agreement (read without giving effect to any qualification as to materiality or Material Adverse Effect on TCF set forth in such representations or warranties but, in each case, after giving effect to the lead in to Article III) shall be true and correct in all respects as of the date of this Agreement and (except to the extent such representations and warranties speak as of an earlier date) as of the Closing Date as though made on and as of the Closing Date; provided that for purposes of this sentence, such representations and warranties shall be deemed to be true and correct unless the failure or failures of such representations and warranties to be so true and correct, either individually or in the aggregate, and without giving effect to any qualification as to materiality or Material Adverse Effect set forth in such representations or warranties, has had or would reasonably be expected to have a Material Adverse Effect on TCF. Chemical shall have received a certificate signed on behalf of TCF by the Chief Executive Officer and the Chief Financial Officer of TCF to the foregoing effect.

(b) Performance of Obligations of TCF. TCF shall have performed in all material respects the obligations required to be performed by it under this Agreement at or prior to the Closing Date, and Chemical shall have received a certificate signed on behalf of TCF by the Chief Executive Officer and the Chief Financial Officer of TCF to such effect.

(c) Federal Tax Opinion. Chemical shall have received a written opinion of Nelson Mullins Riley & Scarborough LLP, or other counsel reasonably satisfactory to Chemical, in form and substance reasonably satisfactory to Chemical, dated as of the Closing Date, to the effect that, on the basis of facts, representations and assumptions set forth or referred to in such opinion, the Merger shall qualify as a “reorganization” within the meaning of Section 368(a) of the Code. In rendering such opinion, counsel may require and rely upon representations contained in certificates of officers of Chemical and TCF, reasonably satisfactory in form and substance to such counsel.

7.3. Conditions to Obligations of TCF. The obligation of TCF to effect the Merger is also subject to the satisfaction, or waiver by TCF, at or prior to the Effective Time of the following conditions:

(a) Representations and Warranties. The representations and warranties of Chemical set forth in Sections 4.2(a) and 4.8(a) (in each case, after giving effect to the lead in to Article IV) shall be true and correct (other than, in the case of Section 4.2(a), such failures to be true and correct as are *de minimis*) in each case as of the date of this Agreement and (except to the extent such representations and warranties speak as of an earlier date) as of the Closing Date as though made on and as of the Closing Date, and the representations and warranties of Chemical set forth in Sections 4.1(a), 4.1(b) (other than the representations and warranties set forth in the last sentence of Section 4.1(b)), 4.2(b) and 4.3(a) (in each case, after giving effect to the lead in to Article IV) shall be true and correct in all material respects as of the date of this Agreement and (except to the extent such representations and warranties speak as of an earlier date) as of the Closing Date as though made on and as of the Closing Date. All other representations and warranties of Chemical set forth in this Agreement (read without giving effect to any qualification as to materiality or Material Adverse Effect on Chemical set forth in such representations or warranties but, in each case, after giving effect to the lead in to Article IV) shall be true and correct in all respects as of the date of this Agreement and (except to the extent such representations and warranties speak as of an earlier date) as of the Closing Date as though made on and as of the Closing Date, provided that for purposes of this sentence, such representations and warranties shall be deemed to be true and correct unless the failure or failures of such representations and warranties to be so true and correct, either individually or in the aggregate, and without giving effect to any qualification as to materiality or Material Adverse Effect set forth in such representations or warranties, has had or would reasonably be expected to have a Material Adverse Effect on Chemical. TCF shall have received a certificate signed on behalf of Chemical by the Chief Executive Officer and the Chief Financial Officer of Chemical to the foregoing effect.

(b) Performance of Obligations of Chemical. Chemical shall have performed in all material respects the obligations required to be performed by it under this Agreement at or prior to the Closing Date, and TCF shall have received a certificate signed on behalf of Chemical by the Chief Executive Officer and the Chief Financial Officer of Chemical to such effect.

(c) Federal Tax Opinion. TCF shall have received a written opinion of Simpson Thacher & Bartlett LLP, or other counsel reasonably satisfactory to TCF, in form and substance reasonably satisfactory to TCF, dated as of the Closing Date, to the effect that, on the basis of facts, representations and assumptions set forth or referred to in such opinion, the Merger shall qualify as a “reorganization” within the meaning of Section 368(a) of the Code. In rendering such opinion, counsel may require and rely upon representations contained in certificates of officers of Chemical and TCF, reasonably satisfactory in form and substance to such counsel.

ARTICLE VIII TERMINATION AND AMENDMENT

8.1. Termination. This Agreement may be terminated at any time prior to the Effective Time, whether before or after approval or adoption of this Agreement by the shareholders of Chemical or the stockholders of TCF (as applicable):

(a) by mutual consent of Chemical and TCF in a written instrument, if the Board of Directors of each so determines by a vote of a majority of the members of its entire Board of Directors;

(b) by either Chemical or TCF if any Governmental Entity that must grant a Requisite Regulatory Approval has denied approval of the Merger or the Bank Merger and such denial has become final and nonappealable or any Governmental Entity of competent jurisdiction shall have issued a final nonappealable order permanently enjoining or otherwise prohibiting or making illegal the consummation of the Merger or the Bank Merger, unless the failure to obtain a Requisite Regulatory Approval shall be due to the failure of the Party seeking to terminate this Agreement to perform or observe the covenants and agreements of such Party set forth herein;

(c) by either Chemical or TCF if the Merger shall not have been consummated on or before the first anniversary of the date of this Agreement (the “Termination Date”), unless the failure of the Closing to occur by such date shall be due to the failure of the Party seeking to terminate this Agreement to perform or observe the covenants and agreements of such Party set forth herein; provided that if on the Termination Date, the condition set forth in Section 7.1(c) shall not have been satisfied but all other conditions to Closing shall have been satisfied or capable of being satisfied, then the Termination Date may be extended for a period of three months at the option of either TCF or Chemical by written notice to the other on or prior to the Termination Date;

(d) by either Chemical or TCF (provided that the terminating Party is not then in material breach of any representation, warranty, covenant or other agreement contained herein) if there shall have been a breach of any of the covenants or agreements or any of the representations or warranties (or any such representation or warranty shall cease to be true) set forth in this Agreement on the part of TCF, in the case of a termination by Chemical, or Chemical, in the case of a termination by TCF, which breach or failure to be true, either individually or in the aggregate with all other breaches by such Party (or failures of such representations or warranties to be true), would constitute, if occurring or continuing on the Closing Date, the failure of a condition set forth in Section 7.2, in the case of a termination by Chemical, or 7.3, in the case of a termination by TCF, and which is not cured within forty-five (45) days following written notice to TCF, in the case of a termination by Chemical, or Chemical, in the case of a termination by TCF, or by its nature or timing cannot be cured during such period (or such fewer days as remain prior to the Termination Date);

(e) by TCF prior to such time as the Requisite Chemical Vote is obtained, if (i) the Board of Directors of Chemical shall have (A) failed to recommend in the Joint Proxy Statement that the shareholders of Chemical approve this Agreement, or withdrawn, modified or qualified such recommendation in a manner adverse to TCF, or publicly disclosed that it has resolved to do so, or failed to recommend against acceptance of a tender offer or exchange offer constituting a Chemical Acquisition Proposal that has been publicly disclosed within ten (10) business days after the commencement of such tender or exchange offer, in any such case whether or not permitted by the terms hereof or (B) recommended or endorsed a Chemical Acquisition Proposal or failed to issue a press release announcing its opposition to such Chemical Acquisition Proposal within ten (10) business days after a Chemical Acquisition Proposal is publicly announced or (ii) Chemical or its Board of Directors has breached its obligations under Section 6.3 or 6.10 in any material respect; or

(f) by Chemical prior to such time as the Requisite TCF Vote is obtained, if (i) the Board of Directors of TCF shall have (A) failed to recommend in the Joint Proxy Statement that the stockholders of TCF adopt this Agreement, or withdrawn, modified or qualified such recommendation in a manner adverse to Chemical, or publicly disclosed that it has resolved to do so, or failed to recommend against acceptance of a tender offer or exchange offer constituting a TCF Acquisition Proposal that has been publicly disclosed within ten (10) business days after the commencement of such tender or exchange offer, in any such case whether or not permitted by the terms hereof or (B) recommended or endorsed a TCF Acquisition Proposal or failed to issue a press release announcing its opposition to such TCF Acquisition Proposal within ten (10) business days after a TCF Acquisition Proposal is publicly announced, or (ii) TCF or its Board of Directors has breached its obligations under Section 6.3 or 6.10 in any material respect.

8.2. Effect of Termination.

(a) In the event of termination of this Agreement by either Chemical or TCF as provided in Section 8.1, this Agreement shall forthwith become void and have no effect, and none of Chemical, TCF, any of their respective Subsidiaries or any of the officers or directors of any of them shall have any liability of any nature whatsoever hereunder, or in connection with the transactions contemplated hereby, except that

(i) Sections 6.2(b) and this Section 8.2 and Article IX (other than Section 9.12) shall survive any termination of this Agreement, and

(ii) notwithstanding anything to the contrary contained in this Agreement, neither Chemical nor TCF shall be relieved or released from any liabilities or damages arising out of fraud or its Willful Breach of any provision of this Agreement occurring prior to termination (which, in the case of TCF, shall include the loss to the holders of TCF Capital Stock and TCF Equity Awards of the economic benefits of the Merger, it being understood that TCF shall be entitled to pursue damages for such losses and to enforce the right to recover such losses on behalf of its stockholders and the holders of TCF Equity Awards in its sole and absolute discretion, and any amounts received by TCF in connection therewith may be retained by TCF). “Willful Breach” shall mean a material breach of, or material failure to perform any of the covenants or other agreements contained in, this Agreement, that is a consequence of an act or failure to act by the breaching or non-performing Party with actual knowledge that such Party’s act or failure to act would, or would reasonably be expected to, result in or constitute such breach of or such failure of performance under this Agreement.

(b) (a) In the event that after the date of this Agreement and prior to the termination of this Agreement, a bona fide TCF Acquisition Proposal shall have been made known to senior management or the board of directors of TCF or has been made directly to its stockholders generally or any person shall have publicly announced (whether or not conditional) a TCF Acquisition Proposal (whether or not withdrawn) and (A) thereafter this Agreement is terminated by either Chemical or TCF pursuant to Section 8.1(c) without the Requisite TCF Vote having been obtained or (B) thereafter this Agreement is terminated by Chemical pursuant to Section 8.1(d) and (C) prior to the date that is twelve (12) months after the date of such termination, TCF enters into a definitive agreement or consummates a transaction with respect to a TCF Acquisition Proposal (whether or not the same TCF Acquisition Proposal as that referred to above), then TCF shall, on the earlier of the date it enters into such definitive agreement and the date of consummation of such transaction, pay Chemical, by wire transfer of same day funds, a fee equal to \$134,000,000 (the “ Termination Fee ”); provided that for purposes of this Section 8.2(b), all references in the definition of TCF Acquisition Proposal to “25%” shall instead refer to “50%”.

(i) In the event that this Agreement is terminated by Chemical pursuant to Section 8.1(f), then TCF shall pay Chemical, by wire transfer of same day funds, the Termination Fee on the date of termination.

(c) (b) In the event that after the date of this Agreement and prior to the termination of this Agreement, a bona fide Chemical Acquisition Proposal shall have been made known to senior management or the board of directors of Chemical or has been made directly to its shareholders generally or any person shall have publicly announced (whether or not conditional) a Chemical Acquisition Proposal (whether or not withdrawn) and (A) thereafter this Agreement is terminated by either Chemical or TCF pursuant to Section 8.1(c) without the Requisite Chemical Vote having been obtained or (B) thereafter this Agreement is terminated by TCF pursuant to Section 8.1(d) and (C) prior to the date that is twelve (12) months after the date of such termination, Chemical enters into a definitive agreement or consummates a transaction with respect to a Chemical Acquisition Proposal (whether or not the same Chemical Acquisition Proposal as that referred to above), then Chemical shall, on the earlier of the date it enters into such definitive agreement and the date of consummation of such transaction, pay TCF, by wire transfer of same day funds, the Termination Fee; provided that for purposes of this Section 8.2(c), all references in the definition of Chemical Acquisition Proposal to “25%” shall instead refer to “50%”.

(i) In the event that this Agreement is terminated by TCF pursuant to Section 8.1(e), then Chemical shall pay TCF, by wire transfer of same day funds, the Termination Fee on the date of termination.

(d) Notwithstanding anything to the contrary herein, but without limiting the right of either Party to recover liabilities or damages arising out of the other Party’s fraud or Willful Breach of any provision of this Agreement, in the event that this Agreement is terminated as provided in Section 8.1 under circumstances where the Termination Fee is payable and paid in full, the maximum aggregate amount of monetary fees, liabilities or damages payable by a single Party under this Section 8.2 shall be equal to the Termination Fee, and neither TCF nor Chemical shall be required to pay the Termination Fee on more than one occasion.

(e) Each of Chemical and TCF acknowledges that the agreements contained in this Section 8.2 are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, the other Party would not enter into this Agreement; accordingly, if Chemical or TCF fails promptly to pay the amount due pursuant to this Section 8.2, and, in order to obtain such payment, the other Party commences a suit which results in a judgment against the non-paying Party for the Termination Fee, such non-paying Party shall pay the costs and expenses of the other Party (including reasonable attorneys' fees and expenses) in connection with such suit. In addition, if Chemical or TCF, as the case may be, fails to pay the amounts payable pursuant to this Section 8.2, then such Party shall pay interest on such overdue amounts (for the period commencing as of the date that such overdue amount was originally required to be paid and ending on the date that such overdue amount is actually paid in full) at a rate per annum equal to the prime rate (as announced by JPMorgan Chase & Co. or any successor thereto) in effect on the date on which such payment was required to be made for the period commencing as of the date that such overdue amount was originally required to be paid. The amounts payable by Chemical and TCF, as applicable, pursuant to Section 8.2(b) or Section 8.2(c), as applicable, constitute liquidated damages and not a penalty, and, except in the case of fraud or Willful Breach of this Agreement, shall be the sole monetary remedy of TCF and Chemical, as applicable, in the event of a termination of this Agreement specified in such section under circumstances where the Termination Fee is payable and is paid in full.

ARTICLE IX GENERAL PROVISIONS

9.1. Nonsurvival of Representations, Warranties and Agreements. None of the representations, warranties, covenants and agreements in this Agreement or in any instrument delivered pursuant to this Agreement (other than the Confidentiality Agreement, which shall survive in accordance with its terms) shall survive the Effective Time, except for Section 6.7 and for those other covenants and agreements contained herein and therein which by their terms apply in whole or in part after the Effective Time.

9.2. Amendment. Subject to compliance with applicable law, this Agreement may be amended by the Parties, by action taken or authorized by their respective Boards of Directors, at any time before or after approval of the matters presented in connection with Merger by the shareholders of Chemical and the stockholders of TCF; provided that after adoption or approval, as applicable, of this Agreement by the stockholders of TCF or by the shareholders of Chemical, as applicable, there may not be, without further approval or adoption (as applicable) of such stockholders or shareholders (as applicable), any amendment of this Agreement that requires further adoption or approval under applicable law. This Agreement may not be amended, modified or supplemented in any manner, whether by course of conduct or otherwise, except by an instrument in writing specifically designated as an amendment hereto, signed on behalf of each of the parties hereto.

9.3. Extension; Waiver. At any time prior to the Effective Time, the Parties, by action taken or authorized by their respective Boards of Directors, may, to the extent legally allowed, (a) extend the time for the performance of any of the obligations or other acts of the other Party, (b) waive any inaccuracies in the representations and warranties contained herein or in any document delivered pursuant hereto, and (c) waive compliance with any of the agreements or satisfaction of any conditions contained herein; provided that after the adoption or approval, as applicable, of this Agreement by the stockholders of TCF or by the shareholders of Chemical, as applicable, there may not be, without further approval or adoption (as applicable) of such shareholders or stockholders (as applicable), any extension or waiver of this Agreement or any portion thereof that requires further adoption or approval under applicable law. Any agreement on the part of a Party to any such extension or waiver shall be valid only if set forth in a written instrument signed on behalf of such Party, but such extension or waiver or failure to insist on strict compliance with an obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure.

9.4. Expenses. Except as otherwise provided in Section 8.2, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the Party incurring such expense; provided that the costs and expenses of printing and mailing the Joint Proxy Statement and all filing and other fees paid to the SEC in connection with the Merger shall be borne equally by Chemical and TCF.

9.5. Notices. All notices, requests, instructions or other communications or documents to be given or made hereunder by one Party to the other Party shall be in writing and (a) served by personal delivery upon the Party for whom it is intended, (b) sent by an internationally recognized overnight courier service upon the Party for whom it is intended or (c) sent by email, provided that the transmission of the email is promptly confirmed:

9.6. Interpretation. The Parties have participated jointly in negotiating and drafting this Agreement. In the event that an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties, and no presumption or burden of proof shall arise favoring or disfavoring either Party by virtue of the authorship of any provision of this Agreement. When a reference is made in this Agreement to Articles, Sections, Exhibits or Schedules, such reference shall be to an Article or Section of or Exhibit or Schedule to this Agreement unless otherwise indicated. The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.” References to “the date hereof” shall mean the date of this Agreement. As used in this Agreement, the “knowledge” of TCF means the actual knowledge after due inquiry of any of the officers of TCF listed on Section 9.6 of the TCF Disclosure Schedule, and the “knowledge” of Chemical means the actual knowledge after due inquiry of any of the officers of Chemical listed on Section 9.6 of the Chemical Disclosure Schedule. As used herein, (i) “business day” means any day other than a Saturday, a Sunday or a day on which banks in New York, New York are authorized by law or executive order to be closed, (ii) “person” means any individual, corporation (including not-for-profit), general or limited partnership, limited liability company, joint venture, estate, trust, association, organization, Governmental Entity or other entity of any kind or nature, (iii) an “affiliate” of a specified person is any person that directly or indirectly controls, is controlled by, or is under common control with, such specified person, (iv) “made available” means any document or other information that was provided by one Party or its representatives to the other Party and its representatives prior to the date hereof, included in the virtual data room of a Party prior to the date hereof or filed by a Party with the SEC and publicly available on EDGAR prior to the date hereof and (v) the “transactions contemplated hereby” and “transactions contemplated by this Agreement” shall include the Merger and the Bank Merger. The TCF Disclosure Schedule and the Chemical Disclosure Schedule, as well as all other schedules and all exhibits hereto, shall be deemed part of this Agreement and included in any reference to this Agreement. All references to “dollars” or “\$” in this Agreement are to United States dollars. This Agreement shall not be interpreted or construed to require any person to take any action, or fail to take any action, if to do so would violate any applicable law. References to any statute or regulation refer to such statute or regulation as amended, modified, supplemented or replaced from time to time (and, in the case of statutes, include any rules and regulations promulgated under the statute) and references to any section of any statute or regulation include any successor to such section.

9.7. Counterparts. This Agreement may be executed in two or more counterparts (including by facsimile or other electronic means) all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each of the Parties and delivered to the other Parties, it being understood that all Parties need not sign the same counterpart.

9.8. Entire Agreement. This Agreement (including the documents and the instruments referred to herein), together with the Confidentiality Agreement, constitutes the entire agreement between the Parties and supersedes all prior agreements and understandings, both written and oral, between the Parties with respect to the subject matter hereof.

9.9. Governing Law; Jurisdiction.

(a) Except to the extent mandatory provisions of federal law apply or the provisions of the MBCA are applicable to the Merger or to the fiduciary duties of Chemical's Board of Directors, this Agreement shall be governed and construed in accordance with the laws of the State of Delaware, without regard to any applicable conflicts of law.

(b) Each Party agrees that it will bring any action or proceeding in respect of any claim arising out of or related to this Agreement or the transactions contemplated hereby exclusively in the Court of Chancery of the State of Delaware (or, if the Court of Chancery determines that it lacks subject matter jurisdiction, any federal court sitting in the State of Delaware and, if both the Court of Chancery and the federal courts sitting in the State of Delaware determine that they lack subject matter jurisdiction, any state court located in the State of Delaware) (and any courts from which appeals may be taken) (the "Chosen Courts"), and, solely in connection with claims arising under this Agreement or the transactions that are the subject of this Agreement, (i) irrevocably submits to the exclusive jurisdiction of the Chosen Courts, (ii) waives any objection to laying venue in any such action or proceeding in the Chosen Courts, (iii) waives any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction over any Party and (iv) agrees that service of process upon such Party in any such action or proceeding will be effective if notice is given in accordance with Section 9.5.

9.10. Waiver of Jury Trial. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE EXTENT PERMITTED BY LAW AT THE TIME OF INSTITUTION OF THE APPLICABLE LITIGATION, ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT: (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) EACH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (D) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.10.

9.11. Assignment; Third Party Beneficiaries. Neither this Agreement nor any of the rights, interests or obligations shall be assigned by any of the Parties hereto (whether by operation of law or otherwise) without the prior written consent of the other Party. Any purported assignment in contravention hereof shall be null and void. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of and be enforceable by the Parties and their respective successors and assigns. Except as otherwise specifically provided in Section 6.7, which is intended to benefit each TCF Indemnified Party and his or her heir and representatives, this Agreement (including the documents and instruments referred to herein) is not intended to, and does not, confer upon any person other than the Parties any rights or remedies hereunder, including the right to rely upon the representations and warranties set forth herein. The representations and warranties in this Agreement are the product of negotiations between the Parties and are for the sole benefit of the Parties. Any inaccuracies in such representations and warranties are subject to waiver by the Parties in accordance herewith without notice or liability to any other person. In some instances, the representations and warranties in this Agreement may represent an allocation between the Parties of risks associated with particular matters regardless of the knowledge of any of the Parties. Consequently, persons other than the Parties may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

9.12. Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with its specific terms or otherwise breached. Accordingly, the Parties shall be entitled to specific performance of the terms hereof, including an injunction or injunctions to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof (including the Parties' obligation to consummate the Merger), in addition to any other remedy to which they are entitled at law or in equity. Each of the Parties hereby further waives (a) any defense in any action for specific performance that a remedy at law would be adequate and (b) any requirement under any law to post security or a bond as a prerequisite to obtaining equitable relief.

9.13. Severability. Whenever possible, each provision or portion of any provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision or portion of any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or portion of any provision in such jurisdiction, and this Agreement shall be reformed, construed and enforced in such jurisdiction such that the invalid, illegal or unenforceable provision or portion thereof shall be interpreted to be only so broad as is enforceable.

9.14. Delivery by Facsimile or Electronic Transmission. This Agreement and any signed agreement or instrument entered into in connection with this Agreement, and any amendments or waivers hereto or thereto, to the extent signed and delivered by means of a facsimile machine or by email delivery of a “.pdf” format data file, shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No Party hereto or to any such agreement or instrument shall raise the use of a facsimile machine or email delivery of a “.pdf” format data file to deliver a signature to this Agreement or any amendment hereto or the fact that any signature or agreement or instrument was transmitted or communicated through the use of a facsimile machine or email delivery of a “.pdf” format data file as a defense to the formation of a contract and each Party forever waives any such defense.

-

(o) “Series C Preferred Stock” shall have the meaning set forth in Section 1 hereof.

(p) “Closing Date” means [●].

Section 4. Dividends.

(a) *Rate*. Holders of Series C Preferred Stock shall be entitled to receive, if, as and when declared by the board of directors of the Corporation or any duly authorized committee of the board of directors of the Corporation, but only out of assets legally available therefor, non-cumulative cash dividends on the liquidation preference of \$25,000 per share of Series C Preferred Stock, and no more, payable quarterly in arrears on each March 1, June 1, September 1 and December 1; provided, however, if any such day is not a Business Day, then payment of any dividend otherwise payable on that date will be made on the next succeeding day that is a Business Day (without any interest or other payment in respect of such delay) (each such day on which dividends are payable a “Dividend Payment Date”), commencing with the first such Dividend Payment Date to occur after the Closing Date. The period from and including the date of issuance of the Series C Preferred Stock or any Dividend Payment Date to but excluding the next Dividend Payment Date is a “Dividend Period.” Dividends on each share of Series C Preferred Stock will accrue on the liquidation preference amount of \$25,000 per share at a rate *per annum* equal to 5.70%. The record date for payment of dividends on the Series C Preferred Stock shall be the 15th day of the calendar month immediately preceding the month during which the Dividend Payment Date falls. The amount of dividends payable shall be computed on the basis of a 360-day year consisting of twelve 30-day months. Notwithstanding any other provision hereof, dividends on the Series C Preferred Stock shall not be declared, paid or set aside for payment to the extent such act would cause the Corporation to fail to comply with laws and regulations applicable thereto, including applicable capital adequacy guidelines.

(b) *Non-Cumulative Dividends*. Dividends on shares of Series C Preferred Stock shall be non-cumulative. To the extent that any dividends payable on the shares of Series C Preferred Stock on any Dividend Payment Date are not declared and paid, in full or otherwise, on such Dividend Payment Date, then such unpaid dividends shall not cumulate and shall cease to accrue and be payable and the Corporation shall have no obligation to pay, and the holders of Series C Preferred Stock shall have no right to receive, dividends accrued for such Dividend Period after the Dividend Payment Date for such Dividend Period or interest with respect to such dividends, whether or not dividends are declared for any subsequent Dividend Period with respect to Series C Preferred Stock, any Parity Stock, any Junior Stock or any other class or series of authorized preferred stock of the Corporation.

(c) *Priority of Dividends* . So long as any share of Series C Preferred Stock remains outstanding, unless full dividends on all outstanding shares of Series C Preferred Stock for the then-current Dividend Period have been declared and paid in full or declared and a sum sufficient for the payment thereof has been set aside, (i) no dividend shall be declared or paid or set aside for payment and no distribution shall be declared or made or set aside for payment on any Junior Stock, other than a dividend payable solely in Junior Stock, (ii) no shares of Junior Stock shall be repurchased, redeemed or otherwise acquired for consideration by the Corporation, directly or indirectly (other than as a result of a reclassification of Junior Stock for or into other Junior Stock, or the exchange or conversion of one share of Junior Stock for or into another share of Junior Stock, and other than through the use of the proceeds of a substantially contemporaneous sale of other shares of Junior Stock), nor shall any monies be paid to or made available for a sinking fund for the redemption of any such securities by the Corporation and (iii) no shares of Parity Stock shall be repurchased, redeemed or otherwise acquired for consideration by the Corporation otherwise than pursuant to pro rata offers to purchase all, or a pro rata portion, of the Series C Preferred Stock and such Parity Stock except by conversion into or exchange for Junior Stock, during such dividend period. When dividends are not paid in full upon the shares of Series C Preferred Stock and any Parity Stock, all dividends declared upon shares of Series C Preferred Stock and any Parity Stock shall be declared on a proportional basis so that the amount of dividends declared per share will bear to each other the same ratio that accrued dividends for the then-current Dividend Period per share on Series C Preferred Stock, and accrued dividends, including any accumulation, on any Parity Stock, bear to each other. No interest will be payable in respect of any dividend payment on shares of Series C Preferred Stock that may be in arrears. If the board of directors of the Corporation or any duly authorized committee of the board of directors of the Corporation determines not to pay any dividend or a full dividend on a Dividend Payment Date, the Corporation will provide, or cause to be provided, written notice to the holders of the Series C Preferred Stock prior to such date. Subject to the foregoing, and not otherwise, dividends (payable in cash, stock or otherwise) as may be determined by the board of directors of the Corporation or any duly authorized committee of the board of directors of the Corporation may be declared and paid on any Junior Stock from time to time out of any assets legally available therefor, and the shares of Series C Preferred Stock shall not be entitled to participate in any such dividend.

Section 5. Liquidation Rights .

(a) *Liquidation* . In the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation, holders of Series C Preferred Stock shall be entitled, out of assets legally available therefor, before any distribution or payment out of the assets of the Corporation may be made to or set aside for the holders of any Junior Stock and subject to the rights of any holders of any class or series of securities ranking senior to or on parity with Series C Preferred Stock upon liquidation and the rights of the Corporation's depositors and other creditors, to receive in full a liquidating distribution in the amount of the liquidation preference of \$25,000 per share, plus any authorized, declared and unpaid dividends, without accumulation of any undeclared dividends, to the date of liquidation. Holders of Series C Preferred Stock shall not be entitled to any further payments in the event of any such voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation other than what is expressly provided for in this Section 5 .

(b) *Partial Payment* . If the assets of the Corporation are not sufficient to pay in full the liquidation preference plus any authorized, declared and unpaid dividends to all holders of Series C Preferred Stock and all holders of any Parity Stock, the amounts paid to the holders of Series C Preferred Stock and to the holders of all Parity Stock shall be paid pro rata in accordance with the respective amounts that would be payable on such shares if all amounts payable thereon were paid in full.

(c) *Residual Distributions* . If the liquidation preference plus any authorized, declared and unpaid dividends has been paid in full to all holders of Series C Preferred Stock, the holders of shares of Series C Preferred Stock will not be entitled to any further participation in any distribution of assets by the Corporation.

(d) *Merger, Consolidation and Sale of Assets Not Liquidation* . For purposes of this Section 5, the sale, conveyance, exchange or transfer (for cash, shares of stock, securities or other consideration) of all or substantially all of the property and assets of the Corporation shall not be deemed a voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Corporation, nor shall the merger, consolidation or any other business combination transaction of the Corporation into or with any other corporation or person or the merger, consolidation or any other business combination transaction of any other corporation or person into or with the Corporation be deemed to be a voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Corporation.

Section 6. Redemption.

(a) *Optional Redemption* . The Corporation, at the option of its board of directors or any duly authorized committee of the board of directors of the Corporation, may redeem in whole or in part the shares of Series C Preferred Stock at the time outstanding, at any time on December 1, 2022 or any Dividend Payment Date thereafter, upon notice given as provided in Section 6(b) below. The redemption price for shares of Series C Preferred Stock shall be \$25,000 per share, plus any declared and unpaid dividends for prior Dividend Periods, without accumulation of undeclared dividends (the “ Redemption Price ”). Notwithstanding the foregoing, within 90 days following the occurrence of a Regulatory Capital Treatment Event, the Corporation may, at its option, subject to the approval of the Appropriate Federal Banking Agency, provide notice of its intent to redeem as provided in Section 6(b) below, and subsequently redeem, all (but not less than all) of the shares of Series C Preferred Stock at the time outstanding, at the Redemption Price applicable on such date of redemption.

(b) *Notice of Redemption* . Notice of every redemption of shares of Series C Preferred Stock shall be either (i) mailed by first class mail, postage prepaid, addressed to the holders of record of such shares to be redeemed at their respective last addresses appearing on the stock register of the Corporation or (ii) transmitted by such other method approved by the Depositary Trust Company, in its reasonable discretion, to the holders of record of such shares to be redeemed. Such mailing or transmittal shall be at least 30 days and not more than 60 days before the date fixed for redemption. Notwithstanding the foregoing, if the Series C Preferred Stock is held in book-entry form through DTC, the Corporation may give such notice in any manner permitted by DTC. Any notice mailed or transmitted as provided in this Section 6(b) shall be conclusively presumed to have been duly given, whether or not the holder receives such notice, but failure duly to give such notice by mail or other transmission, or any defect in such notice or in the mailing or transmittal thereof, to any holder of shares of Series C Preferred Stock designated for redemption shall not affect the validity of the proceedings for the redemption of any other shares of Series C Preferred Stock. Each notice shall state (i) the redemption date; (ii) the number of shares of Series C Preferred Stock to be redeemed and, if fewer than all the shares held by such holder are to be redeemed, the number of such shares to be redeemed from such holder; (iii) the Redemption Price; (iv) the place or places where the certificates for such shares are to be surrendered for payment of the Redemption Price; and (v) that dividends on the shares to be redeemed will cease to accrue on the redemption date.

(c) *Partial Redemption* . In case of any redemption of only part of the shares of Series C Preferred Stock at the time outstanding, the shares of Series C Preferred Stock to be redeemed shall be selected either pro rata from the holders of record of Series C Preferred Stock in proportion to the number of shares of Series C Preferred Stock held by such holders or in such other manner consistent with the rules and policies of the NASDAQ as the board of directors of the Corporation or any duly authorized committee of the board of directors of the Corporation may determine to be fair and equitable. Subject to the provisions of this Section 6, the board of directors of the Corporation or any duly authorized committee of the board of directors shall have full power and authority to prescribe the terms and conditions upon which shares of Series C Preferred Stock shall be redeemed from time to time.

(d) *Effectiveness of Redemption* . If notice of redemption has been duly given and if on or before the redemption date specified in the notice all funds necessary for the redemption have been set aside by the Corporation, separate and apart from its other assets, in trust for the pro rata benefit of the holders of the shares called for redemption, so as to be and continue to be available therefor, or deposited by the Corporation with a bank or trust company selected by the board of directors of the Corporation or any duly authorized committee of the board of directors (the “Depositary Company”) in trust for the pro rata benefit of the holders of the shares called for redemption, then, notwithstanding that any certificate for any share so called for redemption has not been surrendered for cancellation, on and after the redemption date all shares so called for redemption shall cease to be outstanding, all dividends with respect to such shares shall cease to accrue after such redemption date, and all rights with respect to such shares shall forthwith on such redemption date cease and terminate, except only the right of the holders thereof to receive the amount payable on such redemption from such bank or trust company at any time after the redemption date from the funds so deposited, without interest. The Corporation shall be entitled to receive, from time to time, from the Depositary Company any interest accrued on such funds, and the holders of any shares called for redemption shall have no claim to any such interest. Any funds so deposited and unclaimed at the end of three years from the redemption date shall, to the extent permitted by law, be released or repaid to the Corporation, and in the event of such repayment to the Corporation, the holders of record of the shares so called for redemption shall be deemed to be unsecured creditors of the Corporation for an amount equivalent to the amount deposited as stated above for the redemption of such shares and so repaid to the Corporation, but shall in no event be entitled to any interest.

Section 7. Voting Rights. The holders of Series C Preferred Stock will have no voting rights and will not be entitled to elect any directors, except as expressly provided by law and except that:

(a) *Supermajority Voting Rights-Amendments*. Unless the vote or consent of the holders of a greater number of shares shall then be required by law, the affirmative vote or consent of the holders of at least $66\frac{2}{3}\%$ of all of the shares of the Series C Preferred Stock at the time outstanding, voting separately as a class, shall be required to authorize any amendment of the Articles of Incorporation or of any certificate amendatory thereof or supplemental thereto (including any certificate of designations or any similar document relating to any series of preferred stock) which will materially and adversely affect the powers, preferences, privileges or rights of the Series C Preferred Stock, taken as a whole; provided, however, that the following will not be deemed to adversely affect the powers, preferences, privileges or rights of the Series C Preferred Stock: (i) any increase in the amount of the authorized or issued Series C Preferred Stock, (ii) any increase in the amount of authorized preferred stock of the Corporation, or (iii) the creation and issuance, or an increase in the authorized or issued amount, of other series of preferred stock ranking equally with and/or junior to the Series C Preferred Stock with respect to the payment of dividends (whether such dividends are cumulative or non-cumulative) and/or the distribution of assets upon liquidation, dissolution or winding up of the Corporation.

(b) *Supermajority Voting Rights-Priority*. Unless the vote or consent of the holders of a greater number of shares shall then be required by law, the affirmative vote or consent of the holders of at least $66\frac{2}{3}\%$ of all of the shares of the Series C Preferred Stock and all other Parity Stock, at the time outstanding, voting as a single class without regard to series, shall be required to issue, authorize or increase the authorized amount of, or to issue or authorize any obligation or security convertible into or evidencing the right to purchase, any additional class or series of stock ranking prior to the shares of the Series C Preferred Stock and all other Parity Stock as to dividends or the distribution of assets upon liquidation, dissolution or winding up of the Corporation.

(c) *Special Voting Right*.

(i) Voting Right. If and whenever dividends on the Series C Preferred Stock or any other class or series of preferred stock that ranks on parity with the Series C Preferred Stock as to payment of dividends, and upon which voting rights equivalent to those granted by this Section 7(c) have been conferred and are exercisable, have not been paid in an aggregate amount equal, as to any class or series, to at least six quarterly Dividend Periods (whether consecutive or not), the number of directors constituting the board of directors of the Corporation shall be increased by two, and the holders of the Series C Preferred Stock (together with holders of any other class of the Corporation's authorized preferred stock having equivalent voting rights, whether or not the holders of such preferred stock would be entitled to vote for the election of directors if such default in dividends did not exist), shall have the right, voting separately as a single class without regard to series, to the exclusion of the holders of Common Stock, to elect two directors of the Corporation to fill such newly created directorships (and to fill any vacancies in the terms of such directorships), provided that the board of directors of the Corporation shall at no time include more than two such directors. Each such director elected by the holders of shares of Series C Preferred Stock and any other class or series of preferred stock that ranks on parity with the Series C Preferred Stock as to payment of dividends is a "Preferred Director."

(ii) Election. The election of the Preferred Directors will take place at any annual meeting of shareholders or any special meeting of the holders of Series C Preferred Stock and any other class or series of the Corporation's stock that ranks on parity with Series C Preferred Stock as to payment of dividends and for which dividends have not been paid, called as provided herein. At any time after the special voting power has vested pursuant to Section 7(c)(i) above, a majority of the Continuing Directors may, and within 20 days after the written request of any holder of Series C Preferred Stock (addressed to the Continuing Directors at the Corporation's principal office) must (unless such request is received less than 90 days before the date fixed for the next annual or special meeting of the shareholders, in which event such election shall be held at such next annual or special meeting of shareholders), call a special meeting of the holders of Series C Preferred Stock, and any other class or series of preferred stock that ranks on parity with Series C Preferred Stock as to payment of dividends and for which dividends have not been paid, for the election of the two directors to be elected by them as provided in Section 7(c)(iii) below. The Preferred Directors shall each be entitled to one vote per director on any matter.

(iii) Notice for Special Meeting. Notice for a special meeting will be given in a similar manner to that provided in the Corporation's bylaws for a special meeting of the shareholders. The Preferred Directors elected at any such special meeting will hold office until the next annual meeting of the Corporation's shareholders unless they have been previously terminated or removed pursuant to Section 7(c)(iv). In case any vacancy in the office of a Preferred Director occurs (other than prior to the initial election of the Preferred Directors), the vacancy may be filled by the written consent of the Preferred Director remaining in office, or if none remains in office, by a vote of the holders of the outstanding shares of Series C Preferred Stock (together with holders of any other class of the Corporation's authorized preferred stock having equivalent voting rights, whether or not the holders of such preferred stock would be entitled to vote for the election of directors if such default in dividends did not exist) to serve until the next annual meeting of the shareholders.

(iv) Termination; Removal. Whenever full dividends have been paid regularly on the Series C Preferred Stock and any other class or series of preferred stock that ranks on parity with Series C Preferred Stock as to payment of dividends, if any, for at least four consecutive Dividend Periods, then the right of the holders of Series C Preferred Stock to elect such additional two directors will cease (subject to the same provisions for the vesting of the special voting rights in the case of any similar non-payment of dividends in respect of future Dividend Periods) and the term of office of each Preferred Director so elected will immediately terminate and the number of directors constituting the Corporation's board of directors will be automatically reduced accordingly. Any Preferred Director may be removed at any time without cause by the holders of record of a majority of the outstanding shares of Series C Preferred Stock (together with holders of any other class of the Corporation's authorized preferred stock having equivalent voting rights, whether or not the holders of such preferred stock would be entitled to vote for the election of directors if such default in dividends did not exist) when they have the voting rights described in this Section 7(c).

(d) *Changes after Provision for Redemption* . No vote or consent of the holders of Series C Preferred Stock shall be required pursuant to Section 7(a), (b) or (c) above if, at or prior to the time when any such vote or consent would otherwise be required pursuant to such section, all outstanding Series C Preferred Stock shall have been redeemed, or notice of redemption has been given and sufficient funds shall have been irrevocably deposited in trust to effect such redemption.

Section 8. Conversion . The holders of Series C Preferred Stock shall not have any rights to convert such Series C Preferred Stock into shares of any other class of capital stock of the Corporation.

Section 9. Rank . Notwithstanding anything set forth in the Articles of Incorporation or this Certificate of Designations to the contrary, the board of directors of the Corporation or any duly authorized committee of the board of directors of the Corporation, without the vote of the holders of the Series C Preferred Stock, may authorize and issue additional shares of Junior Stock, Parity Stock or, subject to the voting rights granted in Section 7 , any class of securities ranking senior to the Series C Preferred Stock as to dividends and the distribution of assets upon any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation.

Section 10. Repurchase . Subject to the limitations imposed herein, the Corporation may purchase and sell Series C Preferred Stock from time to time to such extent, in such manner, and upon such terms as the board of directors of the Corporation or any duly authorized committee of the board of directors of the Corporation may determine; provided, however, that the Corporation shall not use any of its funds for any such purchase when there are reasonable grounds to believe that the Corporation is, or by such purchase would be, rendered insolvent.

Section 11. Unissued or Reacquired Shares . Shares of Series C Preferred Stock not issued or which have been issued, redeemed or otherwise purchased or acquired by the Corporation shall be restored to the status of authorized but unissued shares of preferred stock without designation as to series.

Section 12. No Sinking Fund . Shares of Series C Preferred Stock are not subject to the operation of a sinking fund.

OF
AMENDMENT
TO
RESTATED ARTICLES OF INCORPORATION
OF
CHEMICAL FINANCIAL CORPORATION**

1. Article I of Chemical Financial Corporation's Restated Articles of Incorporation, as amended, is deleted in its entirety and replaced with the following:

ARTICLE I

The name of the Corporation is "TCF Financial Corporation."

2. Article III of Chemical Financial Corporation's Restated Articles of Incorporation, as amended, is deleted in its entirety and replaced with the following:

ARTICLE III

The total authorized capital stock of the Corporation is 222,000,000 shares of stock divided into two classes, as follows:

- A. 220,000,000 shares of common stock, par value \$1.00 per share; and
- B. 2,000,000 shares of preferred stock, no par value.

The following provisions apply to the authorized capital stock of the corporation:

1. Provisions Applicable to Common Stock.

(a) *No Preference* . None of the shares of common stock are entitled to any preferences, and each share of common stock is equal to every other share of common stock in every respect.

(b) *Dividends* . After payment or declaration of full dividends on all shares having a priority over the common stock as to dividends, and after making all required sinking or retirement fund payments, if any, on all classes of preferred stock and on any other stock of the corporation ranking with priority as to dividends or assets over the common stock, dividends on the shares of common stock may be declared and paid, but only when and as determined by the board of directors.

(c) *Rights on Liquidation* . On any liquidation, dissolution or winding up of the affairs of the corporation, after payment or setting aside of the full preferential amounts to which holders of all shares having priority over the common stock are entitled, the holders of the common stock will be entitled to receive pro rata all the remaining assets of the corporation available for distribution to shareholders. The board of directors may distribute in kind to the holders of common stock the remaining assets of the corporation or may sell, transfer or otherwise dispose of all or any part of the remaining assets to any person and may sell all or any part of the consideration so received and distribute any balance thereof in kind to holders of common stock. The merger or consolidation of the corporation into or with any other corporation, or the merger or consolidation of any other corporation into it, or any purchase or redemption of shares of stock of the corporation of any class, will not be deemed to be a dissolution, liquidation or winding up of the corporation for the purposes of this paragraph.

(d) *Voting* . At all meetings of shareholders of the corporation, the holders of the common stock are entitled to one vote for each share of common stock held by them respectively.

2. Provisions Applicable To Preferred Stock .

(a) *Provisions to be Fixed by the Board of Directors* . The board of directors is expressly authorized at any time, and from time to time, to provide for the issuance of shares of preferred stock in one or more series, each having the designations and relative voting, distribution, dividend, liquidation, and other rights, preferences, and limitations, consistent with the Michigan Business Corporation Act, as amended, as are stated in the resolution or resolutions providing for the issuance of shares of preferred stock adopted by the board of directors, and as are not stated in these Restated Articles of Incorporation, or any amendments thereto, including (without limiting the generality of the foregoing) the following:

(1) The distinctive designation and number of shares comprising the series, which number may (except where otherwise provided by the board of directors in creating the series) be increased or decreased (but not below the number of shares then issued and outstanding) from time to time by action of the board of directors.

(2) The stated value of the shares of the series.

(3) The dividend rate or rates on the shares of the series and the relation which dividends will bear to the dividends payable on any other class of capital stock or on any other series of preferred stock, the terms and conditions upon which and the periods in respect of which dividends will be payable, whether and upon what conditions dividends will be cumulative and, if cumulative, the date or dates from which dividends will accumulate.

(4) Whether the shares of the series are redeemable and, if redeemable, whether redeemable for cash, property or rights, including securities of any other corporation, and whether redeemable at the option of the holder or the corporation or upon the happening of a specified event, the limitations and restrictions with respect to the redemption, the time or times when, the price or prices or rate or rates at which, the adjustments with which and the manner in which such shares are redeemable, including the manner of selecting shares of the series for redemption if less than all shares are to be redeemed.

(5) The rights to which the holders of shares of the series are entitled, and the preferences, if any, over any other series (or of any other series over the series), upon the voluntary or involuntary liquidation, dissolution, distribution or winding up of the corporation, which rights may vary depending on whether the liquidation, dissolution, distribution or winding up is voluntary or involuntary, and, if voluntary, may vary at different dates.

(6) Whether the shares of the series are subject to the operation of a purchase, retirement or sinking fund and, if so, whether and upon what conditions the fund will be cumulative or noncumulative, the extent to which and the manner in which the fund will be applied to the purchase or redemption of the shares of the series for retirement or to other corporation purposes and the terms and provisions relative to the operation thereof.

(7) Whether the shares of the series are convertible into or exchangeable for shares of any other class or of any other series of any class of capital stock of the corporation or any other corporation, and, if so convertible or exchangeable, the price or prices or the rate or rates of conversion or exchange and the method, if any, of adjusting the same, and any other terms and conditions of such conversion or exchange.

(8) The voting powers, if any, of the shares of the series, and whether and under what conditions the shares of the series (alone or together with the shares of one or more of other series having similar provisions) are entitled to vote separately as a single class, for the election of one or more additional directors of the corporation or upon other matters.

(9) Whether the issuance of any additional shares of the series, or of any shares of any other series, is subject to restrictions as to issuance, or as to the powers, preferences or rights of any other series.

(10) Any other preferences, privileges and powers and relative participating, optional or other special rights, and qualifications, limitations or restrictions of the series, as the board of directors determines and as are not inconsistent with the provisions of these Restated Articles of Incorporation.

(b) *Provisions Applicable to All Preferred Stock .*

(1) Subject to the designations, relative rights, preferences, and limitations applicable to separate series, each share shall be equal to every other share of the same class.

(2) Shares of preferred stock redeemed, converted, exchanged, purchased, retired or surrendered to the corporation, or which have been issued and reacquired in any manner, may, upon compliance with any applicable provisions of the Michigan Business Corporation Act, as amended, be given the status of authorized and unissued shares of preferred stock and may be reissued by the board of directors as part of the series of which they were originally a part or may be reclassified into and reissued as part of a new series or as a part of any other series, all subject to the protective conditions or restrictions of any outstanding series of preferred stock.

(3) Any of the voting, distribution, liquidation, or other rights, preferences, or limitations of a series may be made dependent upon facts or circumstances ascertainable outside of the Restated Articles of Incorporation or the resolution or resolutions providing for the issuance of shares of preferred stock adopted by the board of directors, if the manner in which the facts or events operate on the rights, preferences, or limitations is set forth in the Restated Articles of Incorporation or board resolution or resolutions.

(c) *Series C Non-Cumulative Perpetual Preferred Stock* . Pursuant to the authority conferred by this Article III, the board of directors has designated Series C Non-Cumulative Preferred Stock, consisting of such number of shares, with such voting rights and with such designations, preferences and relative, participating, optional and other special rights, and qualifications, limitations or restrictions thereof as are stated and expressed in Exhibit 1 hereto, which is incorporated herein by reference.

**ARTICLE III
CAPITAL STOCK**

3.01 **ISSUANCE OF SHARES.** The shares of capital stock of the corporation shall be issued in such amounts, at such times, for such consideration and on such terms and conditions as the Board shall deem advisable, subject to the provisions of the Articles of Incorporation of the corporation and the further provisions of these Bylaws, and subject also to any requirements or restrictions imposed by the laws of the State of Michigan.

In case an officer who has signed or whose facsimile signature has been placed upon a certificate ceases to be such officer before the certificate is issued, it may be issued by the corporation with the same effect as if he were such officer at the date of issuance. A certificate representing shares shall state upon its face that the corporation is formed under the laws of the State of Michigan; the name of the person to whom it is issued; the number and class of shares, and the designation of the series, if any, which the certificate represents; the par value of each share represented by the certificate, or a statement that the shares are without par value; and such other provisions as may be required by the laws of the State of Michigan. The Board of Directors may authorize the issuance of some or all of the shares of any class or series of stock of the corporation without certificates.

3.03 TRANSFER OF SHARES. The shares of the capital stock of the corporation are transferable only on the books of the corporation and, if such shares are certificated, upon surrender of the certificate therefor, properly endorsed for transfer, and the presentation of such evidences of ownership and validity of the assignment as the corporation may require.

3.04 REGISTERED SHAREHOLDERS. The corporation shall be entitled to treat the person in whose name any share of stock is registered as the owner thereof for purposes of dividends and other distributions in the course of business, or in the course of recapitalization, consolidation, merger, reorganization, sale of assets, liquidation or otherwise and for the purpose of votes, approvals and consents by shareholders, and for the purpose of notices to shareholders, and for all other purposes whatever, and shall not be bound to recognize any equitable or other claim to or interest in such shares on the part of any other person, whether or not the corporation shall have notice thereof, save as expressly required by the laws of the State of Michigan.

3.05 LOST OR DESTROYED CERTIFICATES. Upon the presentation to the corporation of a proper affidavit attesting the loss, destruction or mutilation of any certificate or certificates for shares of stock of the corporation, the Board of Directors shall direct the issuance of a new certificate or certificates to replace the certificates so alleged to be lost, destroyed or mutilated. The Board of Directors may require as a condition precedent to the issuance of new certificates any or all of the following: (a) presentation of additional evidence or proof of the loss, destruction or mutilation claimed; (b) advertisement of loss in such manner as the Board of Directors may direct or approve; (c) a bond or agreement of indemnity, in such form and amount and with such sureties, or without sureties, as the Board of Directors may direct or approve; (d) the order or approval of a court or judge.

ARTICLE IV SHAREHOLDERS AND MEETINGS OF SHAREHOLDERS

4.01 PLACE OF MEETINGS. All meetings of shareholders shall be held at the principal office of the corporation or at such other place as shall be determined by the Board of Directors and stated in the notice of meeting.

4.02 ANNUAL MEETING. The annual meeting of the shareholders of the corporation shall be held on the third Monday of the fourth calendar month after the end of the corporation's fiscal year at 2 o'clock in the afternoon, or on such other date and time as shall be determined by the Board of Directors prior to the end of the second calendar quarter. Directors shall be elected at each annual meeting and such other business transacted as may come before the meeting.

4.03 SPECIAL MEETINGS. Special meetings of shareholders may be called by the Board of Directors, the Chair of the Board (if such office is filled) or the President and shall be called by the President or Secretary at the written request of shareholders holding a majority of the shares of stock of the corporation outstanding and entitled to vote. The request shall state the purpose or purposes for which the meeting is to be called.

4.04 NOTICE OF MEETING OF SHAREHOLDERS. Notwithstanding anything to the contrary in these Bylaws (including Article VI, Section 6.01), written notice of each meeting of shareholders, stating the time, place, if any, and purposes thereof, shall be given to each shareholder entitled to vote at the meeting not less than ten nor more than sixty days before the date fixed for the meeting, either personally, by mail, or, if authorized by the Board of Directors, by a form of electronic transmission to which the shareholder has consented. For the purposes of these Bylaws, "electronic transmission" means any form of communication that does not directly involve the physical transmission of paper, that creates a record that may be retained and retrieved by the recipient, and that may be reproduced in paper form by the recipient through an automated process. Notice of a meeting need not be given to any shareholder who signs a waiver of notice before or after the meeting. Attendance of a shareholder at a meeting shall constitute both: (a) a waiver of notice or defective notice except when the shareholder attends a meeting for the express purpose of objecting, at the beginning of the meeting, to holding the meeting or transacting any business because the meeting has not been lawfully called or convened, and (b) a waiver of objection to consideration of a particular matter at the meeting that is not within the purpose or purposes described in the meeting notice, except when the shareholder objects to considering the matter when it is presented.

4.05 RECORD DATES. The Board of Directors, the Chair of the Board (if such office is filled) or the President may fix in advance a date as the record date for the purpose of determining shareholders entitled to notice of and to vote at a meeting of shareholders or an adjournment thereof, or to express consent or to dissent from a proposal without a meeting, or for the purpose of determining shareholders entitled to receive payment of a dividend or allotment of a right, or for the purpose of any other action. The date fixed shall not be more than 60 nor less than 10 days before the date of the meeting, nor more than 60 days before any other action. In such case only such shareholder as shall be shareholders of record on the date so fixed shall be entitled to notice of and to vote at such meeting or adjournment therefor, or to express consent or to dissent from such proposal, or to receive payment of such dividend or to receive such allotment of rights, or to participate in any other action, as the case may be, notwithstanding any transfer of any stock on the books of the corporation, or otherwise, after any such record date. Nothing in this Bylaw shall affect the rights of a shareholder and his or her transferee or transferor as between themselves.

4.06 LIST OF SHAREHOLDERS. The Secretary of the corporation or the agent of the corporation having charge of the stock transfer records for shares of the corporation shall make and certify a complete list of the shareholders entitled to vote at a shareholders' meeting or any adjournment thereof. The list shall be arranged alphabetically within each class and series, with the address of, and the number of shares held by, each shareholder; be produced at the time and place of the meeting; be subject to inspection by any shareholder during the whole time of the meeting; and be prima facie evidence as to who are the shareholders entitled to examine the list or vote at the meeting.

4.07 QUORUM. Unless a greater or lesser quorum is required in the Articles of Incorporation or by the laws of the State of Michigan, the shareholders present at a meeting in person or by proxy who, as of the record date for such meeting, were holders of a majority of the outstanding shares of the corporation entitled to vote at the meeting shall constitute a quorum at the meeting. Whether or not a quorum is present, a meeting of shareholders may be adjourned by a vote of the shares present in person or by proxy. When the holders of a class or series of shares are entitled to vote separately on an item of business, this Bylaw applies in determining the presence of a quorum of such class or series for transaction of such item of business.

4.08 PROXIES. A shareholder entitled to vote at a meeting of shareholders or to express consent or dissent without a meeting may authorize one or more other persons to act for him or her by proxy. The following methods constitute a valid means by which a shareholder may grant authority to another person to act as proxy: (a) the execution of a writing authorizing another person or persons to act for the shareholder as proxy. Execution may be accomplished by the shareholder or by an authorized officer, director, employee, or agent signing the writing or causing his or her signature to be affixed to the writing by any reasonable means including, but not limited to, facsimile signature; and (b) transmitting or authorizing the transmission by electronic transmission to the person who will hold the proxy or to a proxy solicitation firm, proxy support service organization, or similar agent fully authorized by the person who will hold the proxy to receive that transmission. Any electronic transmission must either set forth or be submitted with information from which it can be determined that the electronic transmission was authorized by the shareholder. If an electronic transmission is determined to be valid, the inspectors, or, if there are no inspectors, the persons making the determination shall specify the information upon which they relied.

4.09 INSPECTORS OF ELECTION. The Board of Directors, in advance of a shareholders' meeting, may appoint one or more inspectors to act at the meeting or any adjournment thereof. If inspectors are not so appointed, the person presiding at the shareholders' meeting may, and on request of a shareholder entitled to vote thereat shall, appoint one or more inspectors. In case a person appointed fails to appear or act, the vacancy may be filled by appointment made by the Board of Directors in advance of the meeting or at the meeting by the person presiding thereat. If appointed, the inspectors shall determine the number of shares outstanding and the voting power of each, the shares represented at the meeting, the existence of a quorum and the validity and effect of proxies, and shall receive votes, ballots or consents, hear and determine challenges and questions arising in connection with the right to vote, count and tabulate votes, ballots or consents, determine the result, and do such acts as are proper to conduct the election or vote with fairness to all shareholders. On request of the person presiding at the meeting or a shareholder entitled to vote thereat, the inspectors shall make and execute a written report to the person presiding at the meeting of any of the facts found by them and matters determined by them. The report shall be prima facie evidence of the facts stated and of the vote as certified by the inspectors.

4.10 VOTING. Each outstanding share is entitled to one vote on each matter submitted to a vote, unless otherwise provided in the Articles of Incorporation. Votes shall be cast in writing, signed by the shareholder or his or her proxy. When an action, other than the election of directors, is to be taken by a vote of the shareholders, it shall be authorized by a majority of the votes cast by the holders of shares entitled to vote thereon, unless a greater plurality is required by the Articles of Incorporation or by the laws of the State of Michigan. Except as otherwise provided by the Articles of Incorporation, directors shall be elected by a plurality of the votes cast at any election.

4.11 SHAREHOLDER PROPOSALS. Except as otherwise provided by statute, the corporation's Articles of Incorporation or these Bylaws:

(a) No matter may be presented for shareholder action at an annual or special meeting of shareholders unless such matter is: (i) specified in the notice of the meeting (or any supplement to the notice) given by or at the direction of the Board of Directors; (ii) otherwise presented at the meeting by or at the direction of the Board of Directors; (iii) properly presented for action at the meeting by a shareholder in accordance with the notice provisions set forth in this Section 4.11 and any other applicable requirements; or (iv) a procedural matter presented, or accepted for presentation, by the Chair in his or her sole discretion

(b) For a matter to be properly presented by a shareholder, the shareholder must have given timely notice of the matter in writing to the Secretary of the corporation. SECTION 2. Other Offices. The Corporation may also have an office or offices other than said registered office at such place or places, either within or without the State of Delaware, as the Board of Directors shall from time to time determine or the business of the Corporation may require.

**ARTICLE II
MEETINGS OF STOCKHOLDERS**

SECTION 1. Place of Meetings. All meetings of the stockholders for the election of directors or for any other purpose shall be held at such place, if any, either within or without the State of Delaware, as shall be designated from time to time by the Board of Directors and stated in the notice of meeting or in a duly executed waiver thereof.

SECTION 2. Annual Meeting. The annual meeting of stockholders shall be held at such date, hour and place, if any, as shall be designated from time to time by the Board of Directors and stated in the notice of meeting or in a duly executed waiver thereof. At such annual meeting, the stockholders shall elect by a plurality vote members of the Board of Directors from among those nominated in conformance with the procedures set forth in these Bylaws and transact such other business as may properly be brought before the meeting.

SECTION 3. Special Meetings.

(a) Special meetings of stockholders may be called as provided in Article 10 of the Amended and Restated Certificate of Incorporation (the "Certificate of Incorporation"). A special meeting of stockholders shall be held at such date, hour and place, if any, as the Board of Directors shall fix; provided, however, that the special meeting shall not be held more than 120 days after receipt of a request for a special meeting of stockholders submitted by one or more stockholder (a "Special Meeting Request").

(b) To be in a proper form, a Special Meeting Request must: (i) be in writing, signed and dated by each stockholder of record submitting the Special Meeting Request and each beneficial owner, if any, on whose behalf the Special Meeting Request is being made, or such stockholder's or beneficial owner's duly authorized agent (each, a "Requesting Stockholder"); (ii) be delivered in person or by registered mail, postage prepaid, return receipt requested, or courier service, postage prepaid, to the Secretary of the Corporation at the principal executive offices of the Corporation; (iii) specify in reasonable detail the specific purpose(s) of and the business proposed to be conducted at the special meeting, and the reasons the Requesting Stockholder is proposing such business; (iv) suggest a date for the special meeting, which date shall be no fewer than 30 and no more than 120 days from the date on which the request is delivered to the Secretary of the Corporation; and (v) contain the additional information set forth in Section 3(c).

(c) A Special Meeting Request must also contain the following information: (i) in the case of any director nominations proposed to be presented at the special meeting, the information required by Section 13(a) or Section 13(c) of this Article II; (ii) in the case of any matter (other than a director nomination) proposed to be conducted at the special meeting, the information required by Section 13(b) of this Article II; (iii) a representation that each Requesting Stockholder, or one or more representatives of each such stockholder, intends to appear in person or by proxy at the special meeting to present the proposal(s) or business to be brought before the special meeting; (iv) documentary evidence that the Requesting Stockholders had stock ownership of at least 25% (the "Requisite Percentage") as of the date of delivery of the Special Meeting Request to the Secretary and for at least one full year prior to the date of such delivery; provided, however, that if any of the Requesting Stockholders are not the beneficial owners of the shares representing the Requisite Percentage, then to be valid, the Special Meeting Request must also include documentary evidence (or, if not simultaneously provided with the Special Meeting Request, such documentary evidence must be delivered to the Secretary within ten days after the date of delivery of the Special Meeting Request to the Secretary) that the beneficial owners on whose behalf the Special Meeting Request is made had, together with any Requesting Stockholders who are beneficial owners, stock ownership of the Requisite Percentage as of the date of delivery of such Special Meeting Request to the Secretary and for at least one full year prior to the date of such delivery; (v) an agreement by the Requesting Stockholders to notify the Corporation promptly in the event of (1) any disposition prior to the time of the special meeting of any shares included within any Requesting Stockholder's stock ownership as of the date on which the Special Meeting Request was delivered to the Secretary and (2) any material change prior to the time of the special meeting in any Requesting Stockholder's stock ownership; and (vi) an acknowledgement that prior to the special meeting any disposition of shares of the Corporation's common stock included within any Requesting Stockholder's stock ownership as of the date on which the Special Meeting Request was delivered to the Secretary shall be deemed to be a revocation of such Special Meeting Request with respect to such disposed shares and that any decrease in the Requesting Stockholders' aggregate stock ownership to less than the Requisite Percentage shall be deemed to be an absolute revocation of such Special Meeting Request.

In addition, the Requesting Stockholders on whose behalf the Special Meeting Request is being made shall (x) further update and supplement the information provided in the Special Meeting Request, if necessary, so that the information provided or required to be provided therein shall be true and correct as of the record date for the special meeting and as of the date that is ten business days prior to the date of the special meeting or any adjournment or postponement thereof, or, if there are fewer than ten business days between the date of the special meeting and such adjourned or postponed meeting, then as of the date of the special meeting so adjourned or postponed, and such update and supplement shall be delivered to, or mailed and received by, the Secretary at the principal executive offices of the Corporation not later than five business days after the record date for notice of and voting at the special meeting (in the case of an update and supplement required to be made as of such record date), and not later than eight business days prior to the date of the special meeting or, if practicable, any adjournment or postponement thereof and, if not practicable, on the first practicable date prior to the date to which the special meeting has been adjourned or postponed (in the case of an update and supplement required to be made as of ten business days prior to the meeting or any adjournment or postponement thereof) and (y) promptly provide any other information reasonably requested by the Corporation.

(d) A Special Meeting Request shall not be valid, and a special meeting requested by stockholders shall not be held, if: (i) the Special Meeting Request does not comply with this Section 3; (ii) the Special Meeting Request relates to an item of business that is not a proper subject for stockholder action under applicable law; (iii) the Special Meeting Request is delivered during the period commencing 120 days prior to the anniversary of the date of the immediately preceding annual meeting of stockholders and ending on the earlier of (x) the date of the next annual meeting or (y) 30 days after the anniversary of the date of the previous annual meeting; (iv) an identical or substantially similar item as determined in good faith by the Board (a “Similar Item”), other than the election of directors, (1) was presented at an annual or special meeting of stockholders held not more than 12 months before delivery of the Special Meeting Request or (2) is included in the Corporation’s notice of meeting as an item of business to be brought before an annual or special meeting of stockholders that has been called but not yet held or that is called for a date within 120 days of the receipt by the Corporation of a Special Meeting Request; (v) a proposed item of business involves the election or removal of directors, changing the size of the Board of Directors, the filling of vacancies and/or newly created directorships resulting from any increase in the authorized number of directors or any similar matter as determined in good faith by the Board (an “Election Item”) and any Election Item (1) was presented at an annual or special meeting of stockholders held not more than 120 days before delivery of the Special Meeting Request or (2) is included in the Corporation’s notice of meeting as an item of business to be brought before an annual or special meeting of stockholders that has been called but not yet held or that is called for a date within 120 days of the receipt by the Corporation of a Special Meeting Request; or (vi) the Special Meeting Request was made in a manner that involved a violation of Regulation 14A under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or other applicable law.

(e) The Requesting Stockholders may revoke a Special Meeting Request by written revocation delivered to the Secretary at the principal executive offices of the Corporation at any time prior to the special meeting. If, following such revocation or any deemed revocation pursuant to Section 3(c)(vi), there are unrevoked requests from Requesting Stockholders holding in the aggregate less than the Requisite Percentage or there are no unrevoked requests at all, the Board, in its discretion, may cancel the special meeting.

(f) If none of the Requesting Stockholders appears or sends a duly authorized agent to present the business specified in the Special Meeting Request to be presented for consideration, the Corporation need not present such business for a vote at the special meeting, notwithstanding that proxies in respect of such business may have been received by the Corporation.

(g) Business transacted at any special meeting called pursuant to this Section 3 shall be limited to (i) the purpose(s) stated in a valid Special Meeting Request received from the Requesting Stockholders holding in the aggregate the Requisite Percentage and (ii) any additional matters that the Board determines to include in the Corporation’s notice of the special meeting.

SECTION 4. Notice of Meetings. Except as otherwise required by applicable law, written notice of each annual and special meeting of stockholders stating the date, hour and place, if any, of the meeting and means of remote communication, if any, and, in the case of a special meeting, the purpose or purposes for which the meeting is called, shall be given to each stockholder of record entitled to vote thereat not less than ten nor more than 50 days before the date of the meeting. Business transacted at any special meeting of stockholders shall be limited to the purposes stated in the notice. Except as otherwise provided herein or permitted by applicable law, notice may be given to stockholders (i) personally; (ii) by mail sent in a postage prepaid envelope, addressed to the stockholder at his or her address as it appears on the records of the Corporation; (iii) by means of electronic or other transmission to the fullest extent permitted by applicable law, which shall be in a form consented to (and not properly revoked by written notice to the Corporation) by the stockholder to whom the notice is given, to the extent such consent is required by the General Corporation Law of the State of Delaware. Any notice shall be deemed given (i) if by mail, at the time when the same shall be deposited in the United States mail, postage prepaid; (ii) if by facsimile telecommunication, when directed to a number at which the stockholder has consented to receive notice; (iii) if by electronic mail, when directed to an electronic mail address at which the stockholder has consented to receive notice; (iv) if by a posting on an electronic network together with separate notice to the stockholder of such specific posting, upon the later of (A) such posting and (B) the giving of such separate notice; and (v) if by any other form of electronic transmission, when directed to the stockholder. Whenever notice is required to be given under any provision of applicable law or the Certificate of Incorporation of the Corporation or these Bylaws, a written waiver, signed by the person entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to notice. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, an annual or special meeting of stockholders need be specified in any written waiver of notice.

SECTION 5. List of Stockholders. The officer who has charge of the stock ledger of the Corporation shall prepare, at least ten days before each meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, showing the address of and the number of shares of each class of capital stock of the Corporation registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten days prior to the meeting, either at a place within the city, town or village where the meeting is to be held, which place shall be specified in the notice of meeting, or, if not specified, at the place where the meeting is to be held. The list shall be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present. If the meeting is held solely by means of remote communication, the list shall also be open for inspection by any stockholder during the whole time of the meeting as provided by applicable law.

SECTION 6. Quorum, Adjournments. The holders of a majority of the voting power of the issued and outstanding stock of the Corporation entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum for the transaction of business at all meetings of stockholders, except as otherwise provided by applicable law or by the Certificate of Incorporation. If, however, such quorum shall not be present or represented by proxy at any meeting of stockholders, the stockholders entitled to vote thereat, present in person or represented by proxy, shall have the power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present or represented by proxy. At such adjourned meeting at which a quorum shall be present or represented by proxy, any business may be transacted which might have been transacted at the meeting as originally called. If the adjournment is for more than 30 days, or, if after adjournment a new record date is set, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

SECTION 7. Organization. At each meeting of stockholders, the Chair of the Board, if one shall have been elected, the Chief Executive Officer, or in the absence of both, a Vice Chair or any person designated by the Chair of the Board, the Chief Executive Officer or a Vice Chair, shall act as chair of the meeting. The Secretary or the person whom the chair of the meeting shall appoint as secretary of the meeting shall act as secretary of the meeting and keep the minutes thereof.

SECTION 8. Order of Business. All meetings of stockholders shall be conducted in accordance with such rules as the Board of Directors may adopt by resolution, or in the absence thereof, as are prescribed by the chair of the meeting. The order of business at all meetings of the stockholders shall be as determined by the chair of the meeting.

SECTION 9. Voting. Except as otherwise provided by applicable law, the Certificate of Incorporation or any resolution of the Board of Directors establishing any class or series of Preferred Stock, each stockholder of the Corporation shall be entitled at each meeting of stockholders to one vote for each share of capital stock of the Corporation standing in such person's name on the record of stockholders of the Corporation:

(a) on the date fixed pursuant to the provisions of Section 7 of Article V of these Bylaws as the record date for the determination of the stockholders who shall be entitled to notice of and to vote at such meeting; or

(b) if no such record date shall have been so fixed, then at the close of business on the day next preceding the day on which notice thereof shall be given, or, if notice is waived, at the close of business on the date next preceding the day on which the meeting is held.

Each stockholder entitled to vote at any meeting of stockholders may authorize another person or persons to act for him or her by a proxy signed by such stockholder or his or her attorney-in-fact, but no proxy shall be voted after eleven months from its date. Any such proxy shall be delivered to the secretary of the meeting at or prior to the time designated in the order of business for so delivering such proxies. Except in the election of directors, when a quorum is present at any meeting, the affirmative vote of a majority of shares present in person or represented by proxy at the meeting and entitled to vote on the subject shall decide any question brought before such meeting, unless the question is one upon which by express provision of applicable law or of the Certificate of Incorporation or of these Bylaws, a different vote is required, in which case such express provision shall govern and control the decision of such question. Unless required by applicable law, or determined by the chair of the meeting to be advisable, the vote on any question need not be by ballot. On a vote by ballot, each ballot shall be signed by the stockholder voting, or by such person's proxy, if there be such proxy, and shall state the number of shares voted.

SECTION 10. Voting by the Corporation. Shares of its own capital stock belonging to the Corporation or to another corporation, if a majority of the shares entitled to vote in the election of directors of such other corporation is held, directly or indirectly, by the Corporation, shall neither be entitled to vote nor be counted for quorum purposes. Nothing in this section shall be construed as limiting the right of the Corporation to vote stock, including but not limited to its own stock, held by it or by any of its subsidiaries in a fiduciary capacity.

SECTION 11. Inspectors. The Board of Directors may, in advance of any meeting of stockholders, appoint one or more inspectors to act at such meeting or any adjournment thereof. If any of the inspectors so appointed shall fail to appear or act, the chair of the meeting shall, or if inspectors shall not have been appointed, the chair of the meeting may, appoint one or more inspectors. Each inspector, before entering upon the discharge of his or her duties, shall take and sign an oath faithfully to execute the duties of inspector at such meeting with strict impartiality and according to the best of his or her ability. The inspectors shall determine the number of shares of capital stock of the Corporation outstanding and the voting power of each, the number of shares represented at the meeting, the existence of a quorum, the validity and effect of proxies, and shall receive votes, ballots or consents, hear and determine all challenges and questions arising in connection with the right to vote, count and tabulate all votes, ballots or consents, determine the results, and do such acts as are proper to conduct the election or vote with fairness to all stockholders. On request of the chair of the meeting, the inspectors shall make a report in writing of any challenge, request or matter determined by them and shall execute a certificate of any fact found by them. No director or candidate for the office of director shall act as an inspector of an election of directors. Inspectors need not be stockholders.

SECTION 12. Action by Consent. The stockholders of the Corporation may take action by written consent only in accordance with the provisions of the Certificate of Incorporation of the Corporation.

SECTION 13. Stockholder Nominations; Business to Be Brought Before the Meeting.

(a) Stockholder Nominations. Nominations of candidates for election as directors at any annual meeting of stockholders may be made (i) by, or at the direction of, the Board of Directors or (ii) by any stockholder of record entitled to vote at such annual meeting. Only persons nominated in accordance with procedures set forth in this Section 13(a) or in Section 13(c) shall be eligible for election as directors at an annual meeting.

Nominations, other than those made by, or at the direction of, a majority of the Directors, shall be made pursuant to timely notice in writing to the Secretary of the Corporation as set forth in this Section 13(a). To be timely, a stockholder's notice must be delivered to or mailed and received at the principal executive offices of the Corporation: (x) with respect to an annual meeting of stockholders to be held on a day not more than 30 days in advance, nor 70 days after the anniversary of the previous year's annual meeting, not earlier than the close of business on the 120th day and not later than the 90th day in advance of the anniversary of the previous year's annual meeting; and (y) with respect to any other annual meeting of stockholders, the close of business on the tenth day following the date of the earlier of the day on which notice of the date of the annual meeting was mailed or the day on which public disclosure was made. In no event shall the adjournment or postponement of an annual meeting commence a new notice time period (or extend any notice time period). Such stockholder's notice shall set forth (i) as to each person whom the stockholder proposes to nominate for election as a director (a) the name, age, business address and residence address of such person, (b) the principal occupation or employment of such person, (c) the class and number of shares of the Corporation's equity securities which are beneficially owned (as such term is defined in Rule 13d-3 or 13d-5 under the Securities Exchange Act of 1934 as the same shall be in effect from time to time (the "Exchange Act")) by such person on the date of such stockholder notice and (d) any other information relating to such person that would be required to be disclosed pursuant to Schedule 13D under the Exchange Act in connection with the acquisition of shares, and pursuant to Regulation 14A under the Exchange Act, in connection with the solicitation of proxies with respect to nominees for election as directors, regardless of whether such person is subject to the provisions of such regulations, including, but not limited to, information required to be disclosed by Schedule 14A of Regulation 14A, and any other information that the stockholder would be required to file with the Securities and Exchange Commission in connection with the stockholder's nomination of such person as a candidate for director or the stockholder's opposition to any candidate for director nominated by, or at the direction of, the Board of Directors; and (ii) as to the stockholder giving the notice (a) the name and address, as they appear on the Corporation's books, of such stockholder and any other stockholder who is a record or beneficial owner of any equity securities of the Corporation and who is known by such stockholder to be supporting such nominee(s) and (b) the class and number of shares of the Corporation's equity securities which are beneficially owned, as defined above, and owned of record by such stockholder on the date of such stockholder notice and the number of shares of the Corporation's equity securities beneficially owned and owned of record by any person known by such stockholder to be supporting such nominee(s) on the date of such stockholder notice. At the request of a majority of the Directors, any person nominated by, or at the direction of, the Board of Directors for election as a director at an annual meeting shall furnish to the Secretary of the Corporation that information required to be set forth in a stockholder's notice of nomination which pertains to the nominee.

No person shall be elected as a director of the Corporation unless nominated in accordance with the procedures set forth in this Section 13(a). Ballots bearing the names of all the persons who have been nominated for election as directors at an annual meeting in accordance with the procedures set forth in this Section 13(a) shall be provided for use at the annual meeting.

A majority of the Directors may reject any nomination by a stockholder not timely made in accordance with the requirements of this Section 13(a). If a majority of the Directors determines that the information provided in a stockholder's notice does not satisfy the informational requirements of this Section 13(a) in any material respect, the Secretary of the Corporation shall promptly notify such stockholder of the deficiency in the notice. The stockholder shall have an opportunity to cure the deficiency by providing additional information to the Secretary within five days from the date such deficiency notice is given to the stockholder, or such shorter time as may be reasonably deemed appropriate by a majority of the Directors, taking into consideration the date of the meeting, the matters to be brought before the meeting, time constraints for the printing and mailing of proxies and other materials to stockholders, and such other considerations as may be deemed appropriate by the Directors. If the deficiency is not cured within such period, or if a majority of the Directors reasonably determines that the additional information provided by the stockholder, together with the information previously provided, does not satisfy the requirements of this Section 13(a) in any material respect, then the Board of Directors may reject such stockholder's nomination. The Secretary of the Corporation shall notify a stockholder in writing whether his or her nomination has been made in accordance with the time and informational requirements of this Section 13(a). Notwithstanding the procedure set forth in this Section 13(a), if the majority of the Directors does not make a determination as to the validity of any nominations by a stockholder, the chair of the annual meeting shall determine and declare at the annual meeting whether a nomination was not made in accordance with the terms of this Section 13(a). If the chair of such meeting determines that a nomination was not made in accordance with the terms of this Section 13(a), he or she shall so declare at the annual meeting and the defective nomination shall be disregarded.

(b) Business to Be Brought Before the Meeting. At an annual meeting of stockholders, only such business shall be conducted, and only such proposals shall be acted upon as shall have been brought before the annual meeting (i) by, or at the direction of, the majority of the Directors, or (ii) by any stockholder of the Corporation who complies with the notice procedures set forth in this Section 13(b). For a proposal to be properly brought before an annual meeting by a stockholder, the stockholder must have given timely notice thereof in writing to the Secretary of the Corporation. To be timely, a stockholder's notice must be delivered to or mailed and received at the principal executive offices of the Corporation: (x) with respect to an annual meeting of stockholders to be held on a day not more than 30 days in advance, nor 70 days after the anniversary of the previous year's annual meeting, not earlier than the close of business on the 120th day and not later than the 90th day in advance of the anniversary of the previous year's annual meeting; and (y) with respect to any other annual meeting of stockholders, the close of business on the tenth day following the date of the earlier of the day on which notice of the date of the annual meeting was mailed or the day on which public disclosure was made. In no event shall the adjournment or postponement of an annual meeting commence a new notice time period (or extend any notice time period). A stockholder's notice to the Secretary shall set forth as to each matter the stockholder proposes to bring before the annual meeting (i) a brief description of the proposal desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (ii) the name and address, as they appear on the Corporation's books, of the stockholder proposing such business and any other stockholder who is the record or Beneficial Owner (as defined in Section 13(a) of these Bylaws) of any equity security of the Corporation known by such stockholder to be supporting such proposal, (iii) the class and number of shares of the Corporation's equity securities which are beneficially owned (as defined in Section 13(a) of these Bylaws) and owned of record by the stockholder giving the notice on the date of such stockholder notice and by any other record or Beneficial Owners of the Corporation's equity securities known by such stockholder to be supporting such proposal on the date of such stockholder notice, and (iv) any financial or other interest of the stockholder in such proposal.

A majority of the Directors may reject any stockholder proposal not timely made in accordance with the terms of this Section 13(b). If a majority of the Directors determines that the information provided in a stockholder's notice does not satisfy the informational requirements of this Section 13(b) in any material respect, the Secretary of the Corporation shall promptly notify such stockholder of the deficiency in the notice. The stockholder shall have an opportunity to cure the deficiency by providing additional information to the Secretary within such period of time, not to exceed five days from the date such deficiency notice is given to the stockholder, as the majority of the Directors shall reasonably determine. If the deficiency is not cured within such period, or if the majority of the Directors determines that the additional information provided by the stockholder, together with information previously provided, does not satisfy the requirements of this Section 13(b) in any material respect, then a majority of the Directors may reject such stockholder's proposal. The Secretary of the Corporation shall notify a stockholder in writing whether such person's proposal has been made in accordance with the time and information requirements of this Section 13(b). Notwithstanding the procedures set forth in this paragraph, if the majority of the Directors does not make a determination as to the validity of any stockholder proposal, the chair of the annual meeting shall determine and declare at the annual meeting whether the stockholder proposal was made in accordance with the terms of this Section 13(b). If the chair of such meeting determines that a stockholder proposal was not made in accordance with the terms of this Section 13(b), he or she shall so declare at the annual meeting and any such proposal shall not be acted upon at the annual meeting.

This provision shall not prevent the consideration and approval or disapproval at the annual meeting of reports of officers, directors and committees of the Board of Directors, but, in connection with such reports, no new business shall be acted upon at such annual meeting unless stated, filed and received as herein provided.

(c) Proxy Access.

(i) Whenever the Board of Directors solicits proxies with respect to the election of directors at an annual meeting of stockholders, subject to the provisions of this Section 13(c), the Corporation shall include in its Proxy Materials (as defined below) for such annual meeting, in addition to any persons nominated for election by the Board of Directors or any committee thereof, the name, together with the Required Information (defined below), of any person nominated for election (the "Stockholder Nominee") to the Board of Directors by a stockholder or group of no more than 20 stockholders that satisfies the requirements of this Section 13(c) (the "Eligible Stockholder"), and who expressly elects at the time of providing the notice required by this Section 13(c) (the "Notice of Proxy Access Nomination") to have its nominee included in the Corporation's Proxy Materials pursuant to this Section 13(c). For purposes of this Section 13(c), the "Required Information" that the Corporation will include in its Proxy Materials is (i) the information provided to the Secretary of the Corporation concerning the Stockholder Nominee and the Eligible Stockholder that is required to be disclosed in the Corporation's Proxy Materials pursuant to Section 14 of the Exchange Act, and the rules and regulations promulgated thereunder, and (ii) if the Eligible Stockholder so elects, a Supporting Statement (as defined, and subject to the restrictions, below). Proxy Materials shall consist of the Corporation's proxy statement, proxy card and notice of internet availability of proxy materials.

(ii) To be timely, the Notice of Proxy Access Nomination must be delivered to or be mailed and received by the Secretary at the principal executive offices of the Corporation not less than 120 days and not more than 150 days prior to the first anniversary of the date that the Corporation distributed its proxy statement to stockholders for the previous year's annual meeting of stockholders. In no event shall the adjournment or postponement of an annual meeting, or the public announcement of such an adjournment or postponement, commence a new time period (or extend any time period) for the giving of a Notice of Proxy Access Nomination pursuant to this Section 13(c).

(iii) The maximum number of Stockholder Nominees nominated by all Eligible Stockholders that will be included in the Corporation's Proxy Materials with respect to an annual meeting of stockholders shall not exceed 25% of the number of directors in office as of the last day on which a Notice of Proxy Access Nomination may be delivered pursuant to and in accordance with this Section 13(c) (the "Final Proxy Access Nomination Date"), or if such amount is not a whole number, the closest whole number below 25%. In the event that one or more vacancies for any reason occurs on the board after the Final Proxy Access Nomination Date but before the date of the annual meeting and the Board of Directors resolves to reduce the size of the board in connection therewith, the maximum number of Stockholder Nominees included in the Corporation's Proxy Materials shall be calculated based on the number of directors in office as so reduced. For purposes of determining when the maximum number of Stockholder Nominees provided for in this Section 13(c) has been reached, each of the following persons shall be counted as one of the Stockholder Nominees: (1) any individual nominated by an Eligible Stockholder for inclusion in the Corporation's Proxy Materials pursuant to this Section 13(c) whose nomination is subsequently withdrawn, (2) any individual nominated by an Eligible Stockholder for inclusion in the Corporation's Proxy Materials pursuant to this Section 13(c) whom the Board of Directors decides to nominate for election to the Board of Directors and (3) any director in office as of the Final Proxy Access Nomination Date who was included in the Corporation's Proxy Materials as a Stockholder Nominee for either of the two preceding annual meetings of stockholders (including any individual counted as a Stockholder Nominee pursuant to the immediately preceding clause (2)) and whom the Board of Directors decides to nominate for re-election to the Board of Directors. Any Eligible Stockholder submitting more than one Stockholder Nominee for inclusion in the Corporation's Proxy Materials pursuant to this Section 13(c) shall rank such Stockholder Nominees based on the order that the Eligible Stockholder desires such Stockholder Nominees to be selected for inclusion in the Corporation's Proxy Materials in the event that the total number of Stockholder Nominees submitted by Eligible Stockholders pursuant to this Section 13(c) exceeds the maximum number of nominees provided for in this Section 13(c). In the event that the number of Stockholder Nominees submitted by Eligible Stockholders pursuant to this Section 13(c) exceeds the maximum number of nominees provided for in this Section 13(c), the highest ranking Stockholder Nominee who meets the requirements of this Section 13(c) from each Eligible Stockholder will be selected for inclusion in the Corporation's Proxy Materials until the maximum number is reached, going in order of the amount (largest to smallest) of shares of common stock of the Corporation each Eligible Stockholder disclosed as owned in its respective Notice of Proxy Access Nomination submitted to the Corporation. If the maximum number is not reached after the highest ranking Stockholder Nominee who meets the requirements of this Section 13(c) from each Eligible Stockholder has been selected, then the next highest ranking Stockholder Nominee who meets the requirements of this Section 13(c) from each Eligible Stockholder will be selected for inclusion in the Corporation's Proxy Materials, and this process will continue as many times as necessary, following the same order each time, until the maximum number is reached.

(iv) In order to make a nomination pursuant to this Section 13(c), an Eligible Stockholder must have owned (as defined below) at least 3% of the Corporation's outstanding common stock (the "Required Shares") continuously for at least three (3) years (the "Minimum Holding Period") as of both the date the Notice of Proxy Access Nomination is delivered to the Secretary of the Corporation in accordance with this Section 13(c) and the record date for determining the stockholders entitled to receive notice of the annual meeting, and must continue to own the Required Shares through the date of the annual meeting. For purposes of this Section 13(c), an Eligible Stockholder shall be deemed to "own" only those outstanding shares of common stock of the Corporation as to which the stockholder possesses both (1) the full voting and investment rights pertaining to the shares and (2) the full economic interest in (including the opportunity for profit from and risk of loss on) such shares; provided that the number of shares calculated in accordance with clauses (1) and (2) shall not include any shares (A) sold by such stockholder or any of its affiliates in any transaction that has not been settled or closed, (B) borrowed by such stockholder or any of its affiliates for any purposes or purchased by such stockholder or any of its affiliates pursuant to an agreement to resell or (C) subject to any option, warrant, forward contract, swap, contract of sale, other derivative or similar instrument or agreement entered into by such stockholder or any of its affiliates, whether any such instrument or agreement is to be settled with shares or with cash based on the notional amount or value of shares of outstanding common stock of the Corporation, if, in any such case, such instrument or agreement has, or is intended to have, the purpose or effect of (y) reducing in any manner, to any extent or at any time in the future, such stockholder's or its affiliates' full right to vote or direct the voting of any such shares, and/or (z) hedging, offsetting or altering to any degree any gain or loss realized or realizable from maintaining the full economic ownership of such shares by such stockholder or affiliate. A stockholder shall "own" shares held in the name of a nominee or other intermediary so long as the stockholder retains the right to instruct how the shares are voted with respect to the election of directors and possesses the full economic interest in the shares. A stockholder's ownership of shares shall be deemed to continue during any period in which the stockholder has delegated any voting power by means of a proxy, power of attorney or other instrument or arrangement which is revocable at any time by the stockholder. The terms "owned," "owning" and other variations of the word "own" shall have correlative meanings. Whether outstanding shares of the common stock of the Corporation are "owned" for these purposes shall be determined by the Board of Directors or any committee thereof. For purposes of this Section 13(c), the term "affiliate" or "affiliates" shall have the meaning ascribed thereto under the General Rules and Regulations under Exchange Act.

(v) To be in proper form for purposes of this Section 13(c), the Notice of Proxy Access Nomination must include or be accompanied by the following:

(1) one or more written statements from the record holder of the Required Shares (and from each intermediary through which the Required Shares are or have been held during the Minimum Holding Period) verifying that, as of a date within seven calendar days prior to the date the Notice of Proxy Access Nomination is delivered to, or mailed and received by, the Secretary of the Corporation, the Eligible Stockholder owns, and has owned continuously for the Minimum Holding Period, the Required Shares, and the Eligible Stockholder's agreement to provide, within five business days after the record date for determining the stockholders entitled to receive notice of the annual meeting, one or more written statements from the record holder and such intermediaries verifying the Eligible Stockholder's continuous ownership of the Required Shares through the record date;

(2) a copy of the Schedule 14N (or any successor form) that has been filed with the Securities and Exchange Commission as required by Rule 14a-18 under the Exchange Act;

(3) the other information required to be set forth in a stockholder's notice of nomination pursuant to Article II, Section 13(a) of these Bylaws and a representation that the Eligible Stockholder (or a representative thereof) intends to appear in person at the annual meeting to present such nomination (including written consent of each Stockholder Nominee to being named in the Proxy Materials as a nominee and to serving as a director if elected);

(4) a representation that the Eligible Stockholder: (A) will continue to hold the Required Shares through the date of the annual meeting and intends to continue to hold such shares for a period of one year thereafter; (B) acquired the Required Shares in the ordinary course of business and not with the intent to change or influence control at the Corporation, and does not presently have such intent, (C) has not nominated and will not nominate for election to the Board of Directors at the annual meeting any person other than the Stockholder Nominee(s) it is nominating pursuant to this Section 13(c), (D) has not engaged and will not engage in, and has not and will not be a "participant" in another person's, "solicitation" within the meaning of Rule 14a-1(l) under the Exchange Act in support of the election of any individual as a director at the annual meeting other than its Stockholder Nominee(s) or a nominee of the Board of Directors, (E) has not distributed and will not distribute to any stockholder of the Corporation any form of proxy for the annual meeting other than the form distributed by the Corporation, (F) has complied and will comply with all laws and regulations applicable to solicitations and the use, if any, of soliciting material in connection with the annual meeting, and (G) has provided and will provide facts, statements and other information in all communications with the Corporation and its stockholders that are or will be true and correct in all material respects and do not and will not omit to state a material fact necessary in order to make such information, in light of the circumstances under which it was or will be made or provided, not misleading;

(5) an undertaking that the Eligible Stockholder agrees to (A) assume all liability stemming from any actual or alleged legal or regulatory violation arising out of communications with the stockholders of the Corporation by the Eligible Stockholder, its affiliates and associates or their respective agents and representatives, either before or after providing a Notice of Proxy Access Nomination pursuant to this Section 13(c), or out of the facts, statements or other information that the Eligible Stockholder or its Stockholder Nominee(s) provided to the Corporation in connection with the inclusion of such Stockholder Nominee(s) in the Corporation's Proxy Materials and (B) indemnify and hold harmless the Corporation and each of its directors, officers and employees individually against any liability, loss or damages in connection with any threatened or pending action, suit or proceeding, whether legal, administrative or investigative, against the Corporation or any of its directors, officers or employees arising out of any nomination submitted by the Eligible Stockholder pursuant to this Section 13(c); and

(6) a written representation and agreement from each Stockholder Nominee that such Stockholder Nominee (A) is not and will not become a party to any agreement, arrangement or understanding with, and has not given any commitment or assurance to, any person or entity as to how such Stockholder Nominee, if elected as a director of the Corporation, will act or vote on any issue or question that has not been disclosed to the Corporation, (B) is not and will not become a party to any agreement, arrangement or understanding with any person or entity other than the Corporation with respect to any direct or indirect compensation, reimbursement or indemnification in connection with service or action as a director that has not been disclosed to the Corporation, (C) has read and will comply with the Corporation's code of ethics, corporate governance guidelines, stock ownership and trading policies and guidelines and any other policies or guidelines of the Corporation applicable to directors and (D) will make such other acknowledgments, enter into such agreements and provide such information as the Board of Directors requires of all directors, including promptly submitting all completed and signed questionnaires required of the Corporation's directors;

(7) an undertaking that the Eligible Stockholder shall promptly notify the Secretary of the Corporation of any defect in previously provided information and provide the information that is required to correct any such defect in the event that any information or communications provided by an Eligible Stockholder or a Stockholder Nominee to the Corporation or its stockholders ceases to be true and correct in all material respects or omits a material fact necessary to make such information, in light of the circumstances under which it was made or provided, not misleading, and that any person providing any information pursuant to this Section 13(c) shall further update and supplement such information, if necessary, so that all such information shall be true and correct as of the record date for determining the stockholders entitled to receive notice of the annual meeting and as of the date that is ten business days prior to such annual meeting or any adjournment or postponement thereof.

(vi) In addition to the information required pursuant to Section 13(c)(v) or any other provision of these Bylaws, the Corporation also may require each Stockholder Nominee to furnish any other information (1) that may reasonably be requested by the Corporation to determine whether the Stockholder Nominee would be independent under the rules and listing standards of the principal United States securities exchanges upon which the common stock of the Corporation is listed or traded, any applicable rules of the U.S. Securities and Exchange Commission or any publicly disclosed standards used by the Board of Directors in determining and disclosing the independence of the Corporation's directors (collectively, the "Independence Standards"), (2) that could be material to a reasonable stockholder's understanding of the independence, or lack thereof, of such Stockholder Nominee or (3) that may reasonably be required to determine the eligibility of such Stockholder Nominee to serve as a director of the Corporation or as a member of any committee of the Board of Directors.

(vii) The Eligible Stockholder may, at its option, provide to the Secretary of the Corporation, at the time the Notice of Proxy Access Nomination is provided, a written statement, not to exceed 500 words, in support of the Stockholder Nominee(s)' candidacy (a "Supporting Statement"). Only one Supporting Statement may be submitted by an Eligible Stockholder in support of its Stockholder Nominee(s). Notwithstanding anything to the contrary contained in this Section 13(c), the Corporation may omit from its Proxy Materials any information or Supporting Statement (or portion thereof) that it, in good faith, believes would violate any applicable law or regulation, or which directly or indirectly impugns the character, integrity or personal reputation of, or directly or indirectly makes charges concerning improper, illegal or immoral conduct or associations, without factual foundation, with respect to, any person.

(viii) The Eligible Stockholder shall deliver to the Secretary of the Corporation at the principal executive offices of the Corporation not later than five business days after the record date for determining the stockholders entitled to receive notice of such annual meeting (in the case of the update and supplement required to be made as of the record date), and not later than seven business days prior to the date of the annual meeting or any adjournment or postponement thereof (in the case of the update and supplement required to be made as of ten business days prior to the meeting), any necessary update and supplement (or a written certification that no such updates or supplements are necessary and that the information previously provided remains true and correct as of the applicable date).

(ix) Notwithstanding anything to the contrary contained in this Section 13(c), the Corporation shall not be required to include, pursuant to this Section 13(c), a Stockholder Nominee in its Proxy Materials: (1) for any meeting of stockholders for which the Secretary of the Corporation receives notice that the Eligible Stockholder or any other stockholder intends to nominate one or more persons for election to the Board of Directors pursuant to the advance notice requirements for stockholder nominees set forth in Article II, Section 13(a) of these Bylaws, (2) if such Stockholder Nominee would not be an independent director under the Independence Standards, as determined by the Board of Directors or any committee thereof, (3) if such Stockholder Nominee is or becomes a party to any compensatory, payment or other financial agreement, arrangement or understanding with any person or entity other than the Corporation, or is receiving or will receive any such compensation or other payment from any person or entity other than the Corporation, in each case in connection with service as a director of the Corporation, (4) if such Stockholder Nominee's election as a member of the Board of Directors would cause the Corporation to be in violation of these Bylaws, the Certificate of Incorporation, the rules and listing standards of the principal U.S. exchanges upon which the common stock of the Corporation is listed or traded, or any applicable state or federal law, rule or regulation, (5) if such Stockholder Nominee is or has been, within the past three (3) years, an officer or director of a competitor, as defined in Section 8 of the Clayton Antitrust Act of 1914, (6) if such Stockholder Nominee is a named subject of a pending criminal proceeding (excluding traffic violations and other minor offenses) or has been convicted in such a criminal proceeding within the past ten (10) years, (7) if such Stockholder Nominee or the Eligible Stockholder that nominated such Stockholder Nominee provides any facts, statements or other information to the Corporation or its stockholders required or requested pursuant to this Section 13(c) that is not true and correct in all material respects or that omits a material fact necessary to make such information, in light of the circumstances under which it was made or provided, not misleading, or (8) if such Stockholder Nominee or the Eligible Stockholder who nominated such Stockholder Nominee otherwise contravenes any of the agreements or representations made by such Stockholder Nominee or Eligible Stockholder or fails to comply with its obligations pursuant to this Section 13(c).

(x) Notwithstanding anything to the contrary set forth herein, if (1) a Stockholder Nominee and/or the applicable Eligible Stockholder breaches any of its or their obligations, agreements or representations under this Section 13(c) or (2) the Stockholder Nominee otherwise becomes ineligible for inclusion in the Corporation's Proxy Materials pursuant to this Section 13(c) or dies, becomes disabled or is otherwise disqualified from being nominated for election or serving as a director of the Corporation, in each case as determined by the Board of Directors, any committee thereof or the chair of the annual meeting, (x) the Corporation may omit, or to the extent feasible, remove the information concerning such Stockholder Nominee and the related Supporting Statement from its Proxy Materials and/or otherwise communicate to its stockholders that such Stockholder Nominee will not be eligible for election at the annual meeting, (y) the Corporation shall not be required to include in its Proxy Materials any successor or replacement nominee proposed by the applicable Eligible Stockholder or any other Eligible Stockholder and (z) the Board of Directors or the chair of the annual meeting shall declare such nomination to be invalid, such nomination shall be disregarded notwithstanding that proxies in respect of such vote may have been received by the Corporation and the named proxies will not vote any proxies received from stockholders with respect to such Stockholder Nominee(s). In addition, if the Eligible Stockholder (or a representative thereof) does not appear at the annual meeting to present any nomination pursuant to this Section 13(c), such nomination shall be disregarded as provided in clause (z) above.

(xi) Whenever the Eligible Stockholder consists of a group of stockholders, (i) each provision in this Section 13(c) that requires the Eligible Stockholder to provide any written statements, representations, undertakings, agreements or other instruments or to meet any other conditions shall be deemed to require each stockholder that is a member of such group to provide such statements, representations, undertakings, agreements or other instruments and to meet such other conditions (except that the members of such group may aggregate their shareholdings in order to meet the 3% ownership requirement of the "Required Shares" definition), (ii) a breach of any obligation, agreement or representation under this Section 13(c) by any member of such group shall be deemed a breach by the Eligible Stockholder and (iii) the Notice of Proxy Access Nomination must designate one member of the group for purposes of receiving communications, notices and inquiries from the Corporation and otherwise authorize such member to act on behalf of all members of the group with respect to all matters relating to the nomination under this Section 13(c) (including withdrawal of the nomination). Whenever the Eligible Stockholder consists of a group of stockholders aggregating their shareholdings in order to meet the 3% ownership requirement of the "Required Shares" definition, (x) such ownership shall be determined by aggregating the lowest number of shares continuously owned (as defined in Section 13(c)(iv) hereof) by each such stockholder during the Minimum Holding Period and (y) the Notice of Proxy Access Nomination must indicate, for each such stockholder, such lowest number of shares continuously owned by such stockholder during the Minimum Holding Period. No person may be a member of more than one group of stockholders constituting an Eligible Stockholder with respect to any annual meeting. For the avoidance of doubt, a stockholder may withdraw from a group of stockholders constituting an Eligible Stockholder at any time prior to the annual meeting and if, as a result of such withdrawal, the Eligible Stockholder no longer owns the Required Shares, the nomination shall be disregarded as provided in Section 13(c)(x).

(xii) Any Stockholder Nominee who is included in the Corporation's Proxy Materials for a particular annual meeting but withdraws from or becomes ineligible or unavailable for election at the annual meeting will be ineligible to be a Stockholder Nominee pursuant to this Section 13(c) for the next two annual meetings. For the avoidance of doubt, this Section shall not prevent any stockholder from nominating any person to the Board of Directors pursuant to and in accordance with Article II, Section 13(a) of these Bylaws.

(xiii) This Section 13(c) provides the exclusive method for a stockholder to include nominees for election to the Board of Directors in the Corporation's Proxy Materials.

ARTICLE III BOARD OF DIRECTORS

SECTION 1. General Powers. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors. The Board of Directors may exercise all such authority and powers of the Corporation and do all such lawful acts and things as are not directed or required by applicable law or the Certificate of Incorporation to be exercised or done by the stockholders.

SECTION 2. Number, Qualifications, Election and Term of Office. As provided in Article 7.A of the Certificate of Incorporation the number of Directors of the Corporation shall be set from time to time by the then serving Continuing Directors of the Corporation, as defined in Article 8 of the Certificate of Incorporation of the Corporation. Directors need not be stockholders. Nominations of candidates for election as Directors shall be made pursuant to the procedures set forth in Article II, Section 13(a) or Section 13(c) of these Bylaws.

SECTION 3. Place of Meetings. Meetings of the Board of Directors shall be held at such place or places, within or without the State of Delaware, as the Board of Directors may from time to time determine or as shall be specified in the notice of any such meeting.

SECTION 4. Annual Meeting. The Board of Directors may meet for the purpose of organization, the election of officers and the transaction of other business, as soon as practicable before or after each annual meeting of stockholders, on the same day and at the same place where such annual meeting shall be held. Notice of such meeting need not be given. In the event such annual meeting is not so held, the annual meeting of the Board of Directors may be held at such other time or place (within or without the State of Delaware) as shall be specified in a notice thereof given as hereinafter provided in Section 7 of this Article III.

SECTION 5. Regular Meetings. Regular meetings of the Board of Directors shall be held at such time and place as the Board of Directors may fix. If any day fixed for a regular meeting shall be a legal holiday at the place where the meeting is to be held, then the meeting which would otherwise be held on that day shall be held at the same time and place on the next succeeding business day. Notice of regular meetings of the Board of Directors need not be given except as otherwise required by applicable law or these Bylaws.

SECTION 6. Special Meetings. Special meetings of the Board of Directors may be called by the Chair of the Board, if one shall have been elected, a Vice Chair or by a majority of both the directors and the Continuing Directors of the Corporation as such term is defined in Article 7.A of the Certificate of Incorporation of the Corporation. Except as otherwise limited by applicable law, the Certificate of Incorporation of the Corporation or these Bylaws, the persons authorized to call special meetings of the Board of Directors may fix any place as the place for holding any special meeting of the Board of Directors called by such person or persons.

SECTION 7. Notice of Meetings. Notice of each special meeting of the Board of Directors (and of each regular meeting for which notice shall be required) shall be given by the Secretary as hereinafter provided in this Section 7, in which notice shall be stated the time and place of the meeting. Except as otherwise required by these Bylaws, such notice need not state the purposes of such meeting. Notice of each such meeting shall be mailed, postage prepaid, to each director, addressed to him or her at his or her residence or usual place of business, by first class mail, at least two days before the day on which such meeting is to be held, or shall be sent addressed to him or her at such place by telegraph, cable, telex, telecopier, electronic mail or other similar means, or be delivered to him personally or be given to him or her by telephone or other similar means, at least twenty-four hours before the time at which such meeting is to be held. Notice of any such meeting need not be given to any director who shall, either before or after the meeting, submit a signed waiver of notice or who shall attend such meeting, except when he or she shall attend for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.

SECTION 8. Quorum and Manner of Acting. A majority of the entire Board of Directors shall constitute a quorum for the transaction of business at any meeting of the Board of Directors, and, except as otherwise expressly required by applicable law or the Certificate of Incorporation or these Bylaws, the act of a majority of the directors present at any meeting at which a quorum is present shall be the act of the Board of Directors. In the absence of a quorum at any meeting of the Board of Directors, a majority of the directors present thereat may adjourn such meeting to another time and place. Notice of the time and place of any such adjourned meeting shall be given to all of the directors unless such time and place were announced at the meeting at which the adjournment was taken, in which case such notice shall only be given to the directors who were not present thereat. At any adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted at the meeting as originally called. The directors shall act only as a Board and the individual directors shall have no power as such, other than acting as a member of the Board of Directors or a committee thereof.

SECTION 9. Organization. At each meeting of the Board of Directors, the Chair of the Board, if one shall have been elected, or, in the absence of the Chair of the Board or if one shall not have been elected, the Lead Director, if one shall have been elected, or, in the absence of the Lead Director or if one shall not have been elected, another director chosen by a majority of the directors present, shall act as chair of the meeting and preside thereat. Each meeting of the Board of Directors shall be conducted in accordance with such rules as are prescribed by the presiding officer of the meeting. The Secretary or any person appointed by the chair of the meeting shall act as secretary of the meeting and keep the minutes thereof.

SECTION 10. Resignations. In an uncontested election, any nominee for Director who receives a greater number of votes “withheld” from his or her election than “for” such election shall promptly tender his or her resignation to the committee of the Board of Directors charged with corporate governance matters. The committee shall consider the resignation offer and recommend to the Board of Directors whether to accept it. The Board of Directors shall act on such recommendation within 90 days following the certification of the election, and the Corporation shall promptly disclose the decision of the Board of Directors. Any Director of the Corporation may resign at any time by giving written notice of his or her resignation to the Chair of the Board, a Vice Chair, or the Secretary of the Corporation. Any such resignation shall take effect at the time specified therein or, if the time when it shall become effective shall not be specified therein, immediately upon its receipt. Unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

SECTION 11. Vacancies. Vacancies on the Board of Directors shall be filled in accordance with the procedures described in the Certificate of Incorporation.

SECTION 12. [Reserved]

SECTION 13. Compensation. The Board of Directors shall have authority to fix the compensation, including fees and reimbursement of expenses, of directors and any advisory directors for services to the Corporation in any capacity.

SECTION 14. Committees.

(a) Executive Committee. The Board of Directors, by resolution duly adopted by a majority of the Board, may designate one or more directors to constitute an Executive Committee, provided that at least one-third of the members of the Executive Committee shall not be full time employees of the Corporation. The designation of any Executive Committee pursuant to this Article III, Section 14 and the delegation of authority thereto shall not operate to relieve the Board of Directors, or any director, of any responsibility imposed by law or regulation. The Executive Committee, when the Board of Directors is not in session, shall have and may exercise all of the authority of the Board of Directors.

(b) Audit Committee. The Board of Directors, by resolution duly adopted by a majority of the Board, may designate not fewer than three directors who are not employees of the Corporation or any of its subsidiaries to constitute an Audit Committee. The Audit Committee shall recommend selection of and approve services to be provided by the independent auditors for the Corporation, and shall review matters pertaining to the audit, systems of internal control, and accounting policies and procedures, and shall direct and supervise investigations into matters within the scope of its duties.

(c) Other Committees. The Board of Directors may by resolution establish any other committees composed of directors as they may determine necessary or appropriate for the conduct of the business of the Corporation and may prescribe the duties, constitution and procedures thereof. Any committee so established shall have and may exercise all of the authority granted to it by the resolution establishing such committee.

(d) Limitations on Authority. Notwithstanding any other provision of these Bylaws, no committee established by the Board of Directors shall have the power (i) to amend the Certificate of Incorporation of the Corporation (except, to the extent authorized in the resolution or resolutions providing for the issuance of shares of stock adopted by the Board of Directors of the Corporation, that a committee may fix the designations and any of the preferences or rights of such shares relating to dividends, redemption, dissolution, any distribution of assets of the Corporation or the conversion into, or the exchange of such shares for, shares of any other class or classes or any other series of the same or any other class or classes of stock of the Corporation or fix the number of shares of any series of stock or authorize the increase or decrease of the shares of any series); (ii) to adopt an agreement of merger or consolidation; (iii) to recommend to the stockholders of the Corporation the sale, lease or exchange of all or substantially all of the Corporation's property and assets, or to recommend to the stockholders a dissolution of the Corporation or a revocation of a dissolution; (iv) to amend these Bylaws; and (v) in the absence of specific authorization in these Bylaws, the Certificate of Incorporation of the Corporation or resolution of the Board of Directors establishing such committee, to declare a dividend, authorize the issuance of stock or adopt a certificate of ownership and merger; and that such committee's powers shall be further limited to the extent, if any, that such authority shall be limited by the resolution appointing such committee, by applicable law, by the Certificate of Incorporation of the Corporation, or by these Bylaws.

(e) Tenure. Subject to the provisions of these Bylaws, members of any committee shall hold office until the next regular annual meeting of the Board of Directors following his or her designation and until a successor is designated as a member of such Committee.

(f) Meetings. Regular meetings of any committee may be held without notice at such times and places as such committees may fix from time to time. Special meetings of such committees may be called by any member thereof upon notice given not less than twenty-four hours prior to the meeting stating the place, date, and hour of the meeting, which notice may be written or oral. Any member of a committee may waive notice of any meeting and no notice of any meeting need be given to any member thereof who attends in person. The notice of a meeting of a committee need not state the business proposed to be transacted at the meeting.

(g) Quorum. A majority of the members of a committee shall constitute a quorum for the transaction of business at any meeting thereof, and action of the committee must be authorized by the affirmative vote of a majority of the members present at a meeting at which a quorum is present.

(h) Vacancies. Any vacancy on a committee may be filled by resolution duly adopted by a majority of the Board of Directors.

(i) Resignations and Removal. Any member of a committee may be removed at any time with or without cause by resolution duly adopted by a majority of the Board of Directors. Any member of a committee may resign from such committee at any time by giving written notice to the Chair of the Board, a Vice Chair or the Secretary of the Corporation. Unless otherwise specified therein, such resignation shall take effect upon its receipt. The acceptance of such resignation shall not be necessary to make it effective.

(j) Procedure. Each committee established by the Board of Directors shall elect a presiding officer from its members and may fix its own rules of procedure which shall not be inconsistent with these Bylaws or the resolution adopted by the Board of Directors establishing such committee. It shall keep regular minutes of its proceedings and report the same to the Board of Directors for its information at the meeting thereof held next after the proceedings shall have occurred.

SECTION 15. Action by Consent. Unless restricted by the Certificate of Incorporation, any action required or permitted to be taken by the Board of Directors or any committee thereof may be taken without a meeting if all members of the Board of Directors or such committee, as the case may be, consent thereto in writing, and the writing or writings are filed with the minutes of the proceedings of the Board of Directors or such committee, as the case may be.

SECTION 16. Telephonic Meeting. Unless restricted by the Certificate of Incorporation, any one or more members of the Board of Directors or any committee thereof may participate in a meeting of the Board of Directors or such committee by means of a conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other. Participation by such means shall constitute presence in person at a meeting.

SECTION 17. Presumption of Assent. A Director of the Corporation who is present at a meeting of the Board of Directors at which action on any matter is taken shall be presumed to have assented to the action taken unless his or her dissent or abstention shall be entered in the minutes of the meeting or unless he or she shall file a written dissent to such action with the person acting as the secretary of the meeting before the adjournment thereof or shall forward such dissent by registered mail to the secretary of the Corporation within ten days after the date a copy of the minutes of the meeting is received. Such right to dissent shall not apply to a director who voted in favor of such action.

ARTICLE IV OFFICERS

SECTION 1.

(a) Number and Qualifications. The officers of the Corporation shall be elected by the Board of Directors and shall include the Chair of the Board, the Chief Executive Officer, one or more Vice Chairs of the Board, the Secretary and the Treasurer. If the Board of Directors wishes, it may elect a director as the Chair of the Board separate from the Chief Executive Officer. If the Board of Directors wishes, it may also elect other officers (including, without limitation, a President, a Chief Operating Officer, a Chief Audit Executive, a Chief Credit Officer, a Chief Risk Officer, a Controller, a General Counsel, one or more Vice Presidents, one or more Assistant Treasurers, one or more Assistant Secretaries, and an Administrative Officer) as may be necessary or desirable for the business of the Corporation. The Board of Directors may designate one or more Vice Presidents as Executive Vice President, First Vice President, Senior Vice President or Assistant Vice President. Any two or more offices may be held by the same person, and no officer except the Chair or a Vice Chair of the Board need be a director. Each officer shall hold office until his or her successor shall have been duly elected and shall have qualified, or until his or her death, or until he or she shall have resigned or have been removed, as hereinafter provided in these Bylaws.

(b) Chair. The Chair of the Board shall perform such duties and possess such powers as are assigned by the Board of Directors. Unless otherwise provided by these Bylaws or the Board of Directors, the Chair shall preside at all meetings of the stockholders and at all meetings of the Board of Directors.

SECTION 2. Resignations. Any officer of the Corporation may resign at any time by giving written notice of his or her resignation to the Corporation. Any such resignation shall take effect at the time specified therein or, if the time when it shall become effective shall not be specified therein, immediately upon receipt. Unless otherwise specified therein, the acceptance of any such resignation shall not be necessary to make it effective.

SECTION 3. Removal. Any officer of the Corporation may be removed, either with or without cause, at any time, by the Board of Directors at any meeting thereof. Any removal, other than for cause, shall be without prejudice to the contractual rights, if any, of the person so removed.

SECTION 4. Vacancies. A vacancy in any office because of death, resignation, removal, disqualification, or other cause may be filled by a vote of the majority of the Board of Directors.

SECTION 5. Officers' Bonds or Other Security. If required by the Board of Directors, any officer of the Corporation shall give a bond or other security for the faithful performance of his or her duties, in such amount and with such surety as the Board of Directors may require.

SECTION 6. Compensation. The compensation of the officers of the Corporation for their services as such officers shall be fixed from time to time by the Board of Directors. An officer of the Corporation shall not be prevented from receiving compensation by reason of the fact that he or she is also a director of the Corporation.

ARTICLE V STOCK CERTIFICATES AND THEIR TRANSFER

SECTION 1. STOCK CERTIFICATES, UNCERTIFICATED SHARES. Every holder of stock in the Corporation shall be entitled to have a certificate, signed by, or in the name of the Corporation by, the Chairman or a Vice Chairman of the Board or the Chief Executive Officer or a Vice President and by the Treasurer or an Assistant Treasurer or the Secretary or an Assistant Secretary of the Corporation, certifying the number of shares owned by him or her in the Corporation. If the Corporation shall be authorized to issue more than one class of stock or more than one series of any class, the designations, preferences, and relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restriction of such preferences and/or rights shall be set forth in full or summarized on the face or back of the certificate which the Corporation shall issue to represent such class or series of stock, provided that, except as otherwise provided in Section 202 of the General Corporation Law of the State of Delaware, in lieu of the foregoing requirements, there may be set forth on the face or back of the certificate which the Corporation shall issue to represent such class or series of stock, a statement that the Corporation will furnish without charge to each stockholder who so requests the designations, preferences and relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights.

Shares of the Corporation's capital stock may also be evidenced by registration in the holder's name in uncertificated, book-entry form on the books of the Corporation in accordance with a **direct registration** system approved by the Securities and Exchange Commission and by any securities exchange on which the stock of the Corporation may from time to time be traded. Within a reasonable time after the issuance or transfer of uncertificated stock, the Corporation shall send to the registered owner thereof a written notice containing the information required to be set forth or stated on certificates pursuant to §§ 151, 156, 202(a) or 218(a) of the General Corporation Law of the State of Delaware or, with respect to § 151 of the General Corporation Law of the State of Delaware, a statement that the Corporation will furnish without charge to each stockholder who so requests the powers, designations, preferences and relative participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights. Except as otherwise expressly provided by law, the rights and obligations of the holders of uncertificated stock and the rights and obligations of the holders of certificates representing stock of the same class and series shall be identical.

SECTION 2. Facsimile Signatures. Any or all of the signatures on a certificate may be a facsimile. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the Corporation with the same effect as if he or she were such officer, transfer agent or registrar at the date of issue.

SECTION 3. Lost Certificates. The Corporation may direct a new certificate or certificates to be issued in place of any certificate or certificates theretofore issued by the Corporation alleged to have been lost, stolen, or destroyed. When authorizing such issue of a new certificate or certificates, the Corporation may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen, or destroyed certificate or certificates, or his or her legal representative, to give the Corporation a bond in such sum as it may direct sufficient to indemnify it against any claim that may be made against the Corporation on account of the alleged loss, theft or destruction of any such certificate or the issuance of such new certificate.

SECTION 4. Transfers of Stock. Upon surrender to the Corporation or the transfer agent of the Corporation of a certificate for shares duly endorsed or accompanied by proper evidence of succession, assignment or authority to transfer, it shall be the duty of the Corporation to issue a new certificate to the person entitled thereto, cancel the old certificate and record the transaction upon its records; provided, however, that the Corporation shall be entitled to recognize and enforce any lawful restriction on transfer. Whenever any transfer of stock shall be made for collateral security, and not absolutely, it shall be so expressed in the entry of transfer if, when the certificates are presented to the Corporation for transfer, both the transferor and the transferee request the Corporation to do so.

SECTION 5. Transfer Agents and Registrars. The Board of Directors may appoint, or authorize any officer or officers to appoint, one or more transfer agents and one or more registrars.

SECTION 6. Regulations. The Board of Directors may make such additional rules and regulations, not inconsistent with these Bylaws, as it may deem expedient concerning the issue, transfer and registration of certificates for shares of stock of the Corporation.

SECTION 7. Fixing the Record Date. In order that the Corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, or to express consent to corporate action in writing without a meeting, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action, the Board of Directors may fix, in advance, a record date, which shall (i) not be more than 60 nor less than ten days before the date of such meeting, (ii) not be more than ten days after the date upon which the resolution fixing the record date is adopted by the Board of Directors with respect to an action in writing without a meeting, and (iii) not be more than 60 days prior to any other action. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting and in such case shall also fix as the record date for stockholders entitled to notice of such adjourned meeting the same or an earlier date as that fixed for the determination of stockholders entitled to vote therewith at the adjourned meeting.

SECTION 3. Insurance. The Corporation may maintain insurance, at its expense, to protect itself and any employee or agent of the Corporation or a subsidiary thereof, another corporation, partnership, joint venture, trust or other enterprise against any expense, liability, or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the General Corporation Law of the State of Delaware.

AMENDED AND RESTATED EMPLOYMENT AGREEMENT

THIS AGREEMENT (this "Agreement") is made and entered into effective as of January 27, 2019 between TCF FINANCIAL CORPORATION, a Delaware corporation ("TCF Financial") and CRAIG R. DAHL ("Executive").

RECITALS:

WHEREAS, the TCF Financial is a bank holding company and Executive is the Chief Executive Officer of the Company; and

WHEREAS, Executive and the Company previously entered into the Employment Agreement effective as April 25, 2018 (the "2018 Employment Agreement");

WHEREAS, TCF Financial and Chemical Financial Corporation ("Chemical") have entered into an Agreement and Plan of Merger, dated as of January 27, 2019 (the "Merger Agreement"), pursuant to which TCF Financial will merge with and into Chemical, with Chemical surviving (Chemical, from and after the Effective Time (as defined in the Merger Agreement) being the "Company"); and

WHEREAS, Executive and the Company wish to enter into this Agreement, which shall supersede the 2018 Employment Agreement, effective upon the Effective Time.

NOW, THEREFORE, in consideration of the mutual promises and agreements set forth herein, the parties agree as follows:

1. Employment and Duties. For the period described in paragraph 2 below, Executive shall be employed as the Chief Executive Officer of the Company with overall responsibility for the business and affairs of the Company and Executive's powers and authority shall be superior to those of any other officer or employee of the Company or its subsidiaries. In discharging such duties and responsibilities, Executive may also serve as an executive officer and/or director of any direct or indirect subsidiary of the Company (collectively, the "TCF Subsidiaries"). Executive shall report directly to the Company's Board of Directors (the "Board"). During the term of his employment as Chief Executive Officer under this Agreement, Executive shall apply on a full-time basis (allowing for usual vacations and sick leave) all of his skill and experience to the performance of his duties in his positions with the Company and the TCF Subsidiaries. It is understood that Executive may have other business investments and participate in other business, charitable, non-profit, or civic ventures which shall not interfere or be inconsistent with his duties under this Agreement. Executive shall perform his duties at any of the Company's executive offices as determined by Executive; provided that Executive shall travel to other locations at such times as may be necessary for the performance of his duties under this Agreement.

2. Term of Employment. Unless sooner terminated as hereinafter provided, the term of this Agreement shall commence on the date on which the Effective Time occurs (the "Effective Date") and shall continue through the third anniversary of the Effective Date; provided, however, that in the event a Change in Control shall have occurred during the term of this Agreement, this Agreement shall expire on the later of the third anniversary of the Effective Date or the day which is twenty-four months following the date on which such Change in Control occurred. This Agreement may be extended by the mutual agreement in writing of the parties.

3. Compensation and Benefits. During the term of this Agreement, Executive shall be entitled to the following compensation and benefits:

(a) Base Salary, Bonus. Executive shall receive:

(i) An annual base salary (the “Annual Base Salary”) of at least One Million and Fifty Thousand and No/100 Dollars (\$1,050,000.00), which shall be reviewed for increase from time to time by the Board (and no less often than annually) beginning in 2020 and may be increased (but not decreased) in the sole discretion of the Compensation Committee (as defined below). The term “Annual Base Salary” as used in this Agreement shall refer to the Annual Base Salary as it may be so adjusted from time to time; and

(ii) Executive shall be eligible to participate in the Company’s annual bonus program for senior executives, based on Executive’s and the Company’s (or its affiliate’s) achievement of certain individual and corporate goals established by the Board or the Compensation, Nominating, and Corporate Governance Committee of the Board (the “Compensation Committee”); provided, however, that for each fiscal year during the term of this Agreement, Executive’s target annual bonus opportunity will be no less than one hundred percent (100%) of Annual Base Salary.

(iii) Executive shall not receive director’s fees paid to non-employee directors or an annual fee for serving as Chairman of the Board or as a director during the period of this Agreement.

(b) Stock Incentives. Executive shall be eligible to receive such awards under any of the Company’s stock incentive based plans as may be determined by the Compensation Committee from time to time. Notwithstanding the foregoing, for each fiscal year during the term of this Agreement, Executive shall be granted equity-based awards having an aggregate grant date fair value at target level equal to two hundred percent (200)% of Annual Base Salary, on a basis, including the proportion of time- and performance-vesting awards, and terms and conditions no less favorable than applies to the other senior executives of the Company. Notwithstanding the foregoing, the annual equity awards will provide for vesting on a termination of employment for any reason, other than termination by the Company for Cause or by Executive voluntarily without Good Reason .

(c) Reimbursement of Expenses. The Company shall reimburse Executive for all business expenses properly documented, including without limitation, Executive’s reasonable legal fees incurred in the preparation of this Agreement. Any such payments shall be made no later than 2 ¹/₂ months after the end of the calendar year in which the expense was incurred.

(d) Aircraft. During the term of this Agreement, and provided that the Company continues to own or leases an aircraft, Executive shall be entitled to reasonable use of the Company’s corporate aircraft, provided that Executive shall be responsible for all individual income taxes resulting from his use of the aircraft for non-business travel, and such usage shall be reviewed annually by the Compensation Committee.

(e) Other Benefits. Executive shall be entitled to participate in and shall be included in any employee benefit plan, pension plan, supplemental employee retirement plan, fringe benefit programs or similar plan of the Company now existing or established hereafter to the extent that he is eligible under the general provisions thereof.

(f) Perquisites. Executive shall be entitled to other perquisites provided to executive officers, subject to annual review by the Compensation Committee. Payment of perquisites, if any, shall be made no later than 2 ¹/₂ months after the end of the calendar year in which Executive was entitled to such payments.

(g) Clawback. Notwithstanding anything in this Agreement to the contrary, in the event of a restatement of financial results by the Company, the Audit Committee of the Board shall determine (after reasonable notice to Executive and an opportunity for Executive, together with his legal counsel, to be heard before the Audit Committee) whether or not repayment of any compensation is required under Section 304 of the Sarbanes-Oxley Act. If the Audit Committee determines that such repayment is required, the Audit Committee shall make a demand for repayment by Executive of any bonus or other incentive-based or equity-based compensation, and any profits realized from the sale of TCF stock or other TCF securities, which are required to be returned to the Company as a result of Section 304 of the Sarbanes-Oxley Act. Executive shall promptly tender such repayment unless he disputes the findings of the Audit Committee. In addition to the foregoing, all compensation received by Executive pursuant to this Agreement or pursuant to awards made under the Company's stock incentive plans will also be subject to, and Executive shall comply with, any "clawback" policy adopted by the Board of the Company or any committee thereof that is applicable to officers of the Company in response to or in anticipation of the listing standards to be established by national securities exchanges and associations in accordance with Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

4. Termination of Employment.

(a) Termination without Cause. The Company may terminate Executive's employment without Cause at any time and for any lawful reason upon thirty (30) days advance written notice to Executive.

(i) Cash Payments. In the event Executive's employment with the Company is terminated by the Company without Cause during the term of this Agreement, Executive shall be entitled to a lump sum amount equal to two and one-half (2.5) times Annual Base Salary (as set forth in paragraph 3) plus two and one-half (2.5) times the annual bonus (which annual bonus for this purpose shall be assumed to be equal to 100% of the Annual Base Salary) payable within thirty (30) days after the date of termination.

(ii) Additional Payments. In addition, in the event of a termination of the Executive's employment by the Company without Cause whether before, upon or after a Change in Control and such termination occurs after the end of the Company's fiscal year but prior to the payment of any annual bonus payable to Executive under the bonus program applicable to such fiscal year, the Company shall pay Executive the annual bonus earned by Executive under such bonus program when bonuses are paid to other recipients under such bonus program, but not later than 2 ¹/₂ months after the end of the calendar year in which the termination occurs. If Executive timely elects to continue Executive's group health and dental insurance coverage pursuant to applicable COBRA/continuation law and the terms of the respective benefit plans, the Company shall pay, on Executive's behalf, the monthly premiums for such coverage for the lesser of twenty four (24) months or such time as Executive's COBRA/continuation rights expire.

(iii) Equity Treatment. All then-outstanding equity-based awards granted to Executive prior to the Effective Date shall be administered in accordance with the terms of the applicable equity-based plan or grant agreements, and all equity-based awards granted to Executive on and after the Effective Date and outstanding as of his termination date shall be treated as follows: (i) all unvested stock options immediately shall vest, become exercisable and together with Executive's other vested, unexercised stock options, remain exercisable until the expiration of their full original term; (ii) all outstanding time-based restricted stock units and restricted stock automatically shall vest and be convertible into the Company's common stock, with settlement to occur within seven (7) days thereafter (or such later date as may be required to comply with Code Section 409A); (iii) all performance-based stock units shall vest at the greater of one hundred percent (100%) of the applicable target level and actual performance determined based on the results through the last completed calendar quarter prior to the termination date and shall be convertible into the Company's common stock, with settlement to occur within seven (7) days thereafter (or such later date as may be required to comply with Code Section 409A); and (iv) any other equity-based awards shall vest in accordance with the terms of the applicable equity-based plan or grant agreement.

(iv) Release Required. Any payment made under this paragraph 4(a) shall be subject to and contingent upon Executive having executed and delivered to the Company a general release in the Company's customary form within 60 days of such termination (the "Release Execution Period"). If Executive fails to execute the release in such a timely manner so as to permit any revocation period to expire prior to the end of such 60 day period, or timely revokes his acceptance of such release following its execution, Executive shall not be entitled to any payment made under this paragraph 4(a). No payment made under this paragraph 4(a) shall be paid until the release has become effective and all such amounts shall commence to be paid on the first regular payroll date of the Company after the release has become effective; provided, that, if the Release Execution Period overlaps two calendar years, the first payment shall not be made sooner than the first day of the second year, and shall include any missed payments.

(b) Termination for Good Reason by Executive. By following the procedure set forth in paragraph 4(d), Executive shall have the right to terminate his employment with the Company for “Good Reason” in the event there is: (i) any material diminution in the scope of Executive’s authority and responsibility, including, without limitation, as a result of a reallocation of Executive’s job duties, (provided, however, that (a) in the event of any illness or injury which disables Executive from performing Executive’s duties, the Company may reassign Executive’s duties to one or more other employees until Executive is able to perform such duties; and (b) to the extent appointed to serve as Chairman of the Board, President or both, no longer serving in any such position or both shall not be a material diminution in the scope of Executive’s authority); (ii) a material diminution in Executive’s base compensation (salary, bonus opportunity, benefits or perquisites); (iii) a material change (greater than 50 miles) in the geographic location of Executive’s principal place of employment that is required by the Board; (iv) a requirement that Executive report to a supervisor other than the Company’s Board; (v) the failure of any acquirer of or successor to the Company to assume the obligations of the Company under this Agreement in connection with a Change in Control; or (vi) any other action or inaction that constitutes a material breach by the Company of this Agreement.

(i) Cash Payments. If the employment of Executive is terminated by him during the term of this Agreement for Good Reason, Executive shall be entitled to a lump sum amount equal to two and one-half (2.5) times Annual Base Salary (as set forth in paragraph 3) plus two and one-half (2.5) times the annual bonus (which annual bonus for this purpose shall be assumed to be equal to 100% of the Annual Base Salary) payable within thirty (30) days after the date of termination.

(ii) Additional Payments. In addition, in the event of a termination of the Executive’s employment by Executive for Good Reason whether before, upon or after a Change in Control and such termination occurs after the end of the Company’s fiscal year but prior to the payment of any annual bonus payable to Executive under the bonus program applicable to such fiscal year, the Company shall pay Executive the annual bonus earned by Executive under such bonus program when bonuses are paid to other recipients under such bonus program, but not later than 2 ¹/₂ months after the end of the calendar year in which the termination occurs. If Executive timely elects to continue Executive’s group health and dental insurance coverage pursuant to applicable COBRA/continuation law and the terms of the respective benefit plans, the Company shall pay, on Executive’s behalf, the monthly premiums for such coverage for the lesser of twenty four (24) months or such time as Executive’s COBRA/continuation rights expire.

(iii) Equity Treatment. All then-outstanding equity-based awards granted to Executive prior to the Effective Date shall be administered in accordance with the terms of the applicable equity-based plan or grant agreements, and all equity-based awards granted to Executive on and after the Effective Date and outstanding as of his termination date shall be treated as follows: (i) all unvested stock options immediately shall vest, become exercisable and together with Executive’s other vested, unexercised stock options, remain exercisable until the expiration of their full original term; (ii) all outstanding time-based restricted stock units and restricted stock automatically shall vest and be convertible into the Company’s common stock, with settlement to occur within seven (7) days thereafter (or such later date as may be required to comply with Code Section 409A); (iii) all performance-based stock units shall vest at the greater of one hundred percent (100%) of the applicable target level and actual performance determined based on the results through the last completed calendar quarter prior to the termination date and shall be convertible into the Company’s common stock, with settlement to occur within seven (7) days thereafter (or such later date as may be required to comply with Code Section 409A); and (iv) any other equity-based awards shall vest in accordance with the terms of the applicable equity-based plan or grant agreement.

(iv) Release Required. Any payment made under this paragraph 4(b) shall be subject to and contingent upon Executive having executed and delivered to the Company a general release in the Company's customary form within 60 days of such termination Release Execution Period. If Executive fails to execute the release in such a timely manner so as to permit any revocation period to expire prior to the end of such 60 day period, or timely revokes his acceptance of such release following its execution, Executive shall not be entitled to any payment made under this paragraph 4(b). No payment made under this paragraph 4(b) shall be paid until the release has become effective and all such amounts shall commence to be paid on the first regular payroll date of the Company after the release has become effective; provided, that, if the Release Execution Period overlaps two calendar years, the first payment shall not be made sooner than the first day of the second year, and shall include any missed payments.

(c) Termination for Cause by the Company. Termination for "Cause" shall include the following: (i) the deliberate and continued material failure by the Executive to devote substantially all the Executive's business time and best efforts to the performance of the Executive's duties (other than any such failure resulting from the Executive's incapacity due to physical or mental illness or any such actual or anticipated failure after the issuance of a notice of termination for Good Reason by the Executive pursuant to paragraph 4(d) hereof) after a written demand for substantial performance is delivered to the Executive by the Board which demand specifically identifies the manner in which the Board believes the Executive has not substantially performed such duties, and the Executive fails to cure the specified performance issue within the reasonable period specified in the notice which shall not be less than thirty (30) days; (ii) a deliberate and material violation of reasonable and lawful instructions of the Board, provided such instruction does not violate this Agreement or any other written agreement between the Executive and the Company; (iii) the deliberate engaging by the Executive in gross misconduct which is demonstrably and materially injurious to the Company, monetarily or otherwise; (iv) the Executive's conviction of, or plea of guilty or nolo contendere to, a felony or any criminal charge involving moral turpitude and all appeals from such conviction have been exhausted; or (v) Executive's failure or refusal to comply with a reasonable and lawful policy, standard or regulation of Company in any material respect, relating to sexual harassment, other unlawful harassment or workplace discrimination.

(d) Notice and Right to Cure. In the event Executive proposes to terminate his employment for Good Reason under paragraph 4(b) above, Executive shall first provide written notice to the Company of the existence of the condition described as Good Reason in paragraph 4(b) above not more than 90 days after Executive's actual knowledge of the initial existence of the condition. The Company will have an opportunity to correct any curable situation to the reasonable satisfaction of Executive within the period of time specified in the notice which shall not be less than thirty (30) days. If such correction is not so made or the circumstances or situation is such that it is not curable, Executive may, within thirty (30) days after the expiration of the time so fixed within which to correct such situation (but not more than two years after the initial existence of the Good Reason), give written notice to the Company that his employment is terminated for Good Reason effective forthwith.

(e) Definition of Change in Control. For the purposes of this Agreement a “Change in Control” shall be deemed to have occurred if

(i) any “person” as defined in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934 (the “Exchange Act”) is or becomes the “beneficial owner” as defined in Rule 13d-3 under the Exchange Act, directly or indirectly, of securities of the Company representing thirty percent (30%) or more of the combined voting power of the Company’s then outstanding securities. For purposes of this clause (a), the term “beneficial owner” does not include any employee benefit plan maintained by the Company that invests in the Company’s voting securities; or

(ii) during any period of two (2) consecutive years there shall cease to be a majority of the Board comprised as follows: individuals who at the beginning of such period constitute the Board or new directors whose nomination for election by the Company’s stockholders was approved by a vote of at least two-thirds (2/3) of the directors then still in office who either were directors at the beginning of the period or whose election or nomination for election was previously so approved; or

(iii) consummation of a merger or consolidation of the Company with any other corporation, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) at least 70% of the combined voting power of the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation, or the stockholders of the company approve a plan of complete liquidation of the Company or an agreement for the sale or disposition by the Company of all or substantially all the Company’s assets; provided, however, that no change in control will be deemed to have occurred if such merger, consolidation, sale or disposition of assets, or liquidation is not subsequently consummated.

For the avoidance of doubt, in no event shall the transactions contemplated by the Merger Agreement constitute a Change in Control for purposes of this Agreement.

5. Covenant Not to Compete; Non-Solicitation Covenants.

(a) **Purpose.** Executive understands and agrees that the purpose of this paragraph 5 is solely to protect the Company’s legitimate business interests, including, but not limited to its confidential and proprietary information, customer relationships and goodwill, and the Company’s competitive advantage. (b) **Definitions.** As used in this Agreement, the following terms have the meanings given to such terms below.

(i) “ **Affiliate** ” means any organization controlling, controlled by or under common control with the Company.

(ii) “ **Business** ” means the business(es) in which the Company or its Affiliates were engaged in at the time of, or during the twelve (12)-month period prior to, the applicable termination date.

(iii) “ **Customer** ” means any person or entity who is or was a customer, supplier or client of the Company or its Affiliates with whom Executive had any contact or association for any reason and with whom Executive had dealings on behalf of the Company or its Affiliates in the course of his employment with the Company.

(iv) “ **Company Employee** ” means any person who is or was an employee of the Company or its Affiliates at the time of, or during the twelve (12)-month period prior to, the applicable termination date.

(v) “ **Restricted Period** ” means the period during Executive’s employment with the Company and for twenty-four (24) months from and after Executive’s applicable termination date; *provided, however*, that this period shall be tolled and shall not run during any time Executive is in violation of this paragraph 5, it being the intent of the parties that the Restricted Period shall be extended for any period of time in which Executive is in violation of this paragraph 5.

(vi) “ **Restricted Territory** ” means Arizona, Colorado, Illinois, Michigan, Minnesota, South Dakota, Wisconsin and any other state in which the Company or any Affiliate operates a branch at the time of, or during the twelve (12)-month period prior to, the applicable termination date.

(c) **Noncompetition.** During the Restricted Period, Executive shall not in the Restricted Territory, on his own behalf or on behalf of any other person:

(i) assist or have an interest in (whether or not such interest is active), whether as partner, investor, stockholder, officer, director or as any type of principal whatever, any person, firm, partnership, association, corporation or business organization, entity or enterprise that is or is about to become directly or indirectly engaged in, any business or activity (whether such enterprise is in operation or in the planning or development stage) that competes in any manner with the Business; *provided, however*, that Executive shall be permitted to make passive investments in the stock of any publicly traded business (including a competitive business), as long as the stock investment in any competitive business does not rise above five percent (5%) of the outstanding shares of such business; or

(ii) enter into the employment of or act as an independent contractor or agent for or advisor or consultant to, any person, firm, partnership, association, corporation, business organization, entity or enterprise that is or is about to become directly or indirectly engaged in, any business or activity (whether such enterprise is in operation or in the planning or development stage) that competes in any manner with the Business, or is a governmental regulator agency of the Business.

(d) **Non-Solicitation.** During the Restricted Period, Executive shall not, directly or indirectly, on Executive's own behalf or on behalf of any other party:

(i) Call upon, solicit, divert, encourage or attempt to call upon, solicit, divert, or encourage any Customer for purposes of marketing, selling, or providing products or services to such Customer that are similar to or competitive with those offered by the Company or its Affiliates;

(ii) Accept as a customer any Customer for purposes of marketing, selling, or providing products or services to such Customer that are similar to or competitive with those offered by the Company or its Affiliates;

(iii) Induce, encourage, or attempt to induce or encourage any Customer to purchase or accept products or services that are similar to or competitive with those offered by the Company or its Affiliates from any person or entity (other than the Company or its Affiliates) engaging in the Business ;

(iv) Induce, encourage, or attempt to induce or encourage any Customer to reduce, limit, or cancel its business with the Company or its Affiliates; or

(v) Solicit, induce, or attempt to solicit or induce any the Company Employee to terminate employment with the Company or its Affiliates. Notwithstanding the foregoing, Executive may solicit a former employee of the Company, who at the time of the solicitation had been involuntarily terminated by the Company without cause, even if such former employee of the Company was employed by the Company at, or during the twelve (12)-month period immediately prior to, Executive's termination date.

(e) **Reasonableness of Restrictions.** Executive acknowledges and agrees that the restrictive covenants in this Agreement: (i) are essential elements of Executive's employment by the Company and are reasonable given Executive's access to the Company's and its Affiliates' confidential information and the substantial knowledge and goodwill Executive shall acquire with respect to the business of the Company and its Affiliates as a result of his employment with the Company, and the unique and extraordinary services to be provided by Executive to the Company; and (ii) are reasonable in time, territory, and scope, and in all other respects.

(f) **Preserve Livelihood.** Executive represents that his experience, capabilities and personal assets are such that this Agreement does not deprive him from either earning a livelihood in the unrestricted business activities which remain open to him or from otherwise adequately and appropriately supporting himself and his family.

(g) **Judicial Modification.** Should any part or provision of this paragraph 5 be held invalid, void, or unenforceable in any court of competent jurisdiction, such invalidity, voidness, or unenforceability shall not render invalid, void, or unenforceable any other part or provision of this Agreement. The parties further agree that if any portion of this paragraph 5 is found to be invalid or unenforceable by a court of competent jurisdiction because its duration, territory, or other restrictions are deemed to be invalid or unreasonable in scope, the invalid or unreasonable terms shall be replaced by terms that such court deems valid and enforceable and that come closest to expressing the intention of such invalid or unenforceable terms.

(h) **Enforcement.** Executive acknowledges and agrees that the Company shall suffer irreparable harm in the event that Executive materially breaches any of Executive's obligations under this paragraph 5 and that monetary damages would be inadequate to compensate the Company for such material breach. Accordingly, Executive agrees that, in the event of a material breach by Executive of any of Executive's obligations under this paragraph 5, the Company shall be entitled to obtain from any court of competent jurisdiction preliminary and permanent injunctive relief, and expedited discovery for the purpose of seeking relief, in order to prevent or to restrain any such material breach. The Company shall be entitled to recover its costs incurred in connection with any action to enforce this paragraph 5, including reasonable attorneys' fees and expenses.

6. Section 280G and Executive Officer Severance Policy Compliance.

(a) Certain Payment Reductions. Anything to the contrary notwithstanding, the amount of any payment, distribution or benefit made or provided by the Company to or for the benefit of Executive in connection with a change in control of the Company or the termination of Executive's employment with the Company, whether payable pursuant to this Agreement or any other agreement between Executive and the Company or with any person constituting a member of an "affiliated group" (as defined in Section 280G(d)(5) of the Internal Revenue Code of 1986, as amended (the "Code")) with the Company or with any person whose actions result in a change of control of the Company (such foregoing payments or benefits referred to collectively as the "Total Payments"), shall be reduced (but not below zero) by the amount, if any, necessary to prevent any part of the Total Payments from being treated as an "excess parachute payment" within the meaning of Section 280G(b)(1) of the Code, but only if and to the extent such reduction will also result in, after taking into account all applicable state and federal taxes (computed at the highest marginal rate) including Executive's share of F.I.C.A. and Medicare taxes and any taxes payable pursuant to Section 4999 of the Code, a greater after-tax benefit to Executive than the after-tax benefit to Executive of the Total Payments computed without regard to any such reduction. For purposes of the foregoing, (i) no portion of the Total Payments shall be taken into account which in the opinion of tax counsel selected by the Company and acceptable to Executive does not constitute a "parachute payment" within the meaning of Section 280G(b)(2) of the Code; (ii) any reduction in payments shall be computed by taking into account that portion of Total Payments which constitute reasonable compensation within the meaning of Section 280G(b)(4) of the Code in the opinion of such tax counsel; (iii) the value of any non-cash benefit or of any deferred cash payment included in the Total Payments shall be determined by the Company in accordance with the principles of Section 280G(d)(3)(iv) of the Code; and (iv) in the event of any uncertainty as to whether a reduction in Total Payments to Executive is required pursuant to this paragraph, the Company shall initially make the payment to Executive and Executive shall be required to refund to the Company any amounts ultimately determined not to have been payable under the terms of this paragraph 6.

(b) Determination of Certain Payment Reductions. Executive will be permitted to provide the Company with written notice specifying which of the Total Payments will be subject to reduction or elimination (the “Reduction Notice”). But, if Executive’s exercise of authority pursuant to the Reduction Notice would cause any Total Payments to become subject to any taxes or penalties pursuant to Section 409A of the Code or if Executive fails to timely provide the Company with the Reduction Notice, then the Company will reduce or eliminate the Total Payments in the following order:

- (i) first, by reducing or eliminating the portion of the Total Payments that are payable in cash and
- (ii) second, by reducing or eliminating the non-cash portion of the Total Payments,

in each case, in reverse chronological order beginning with payments or benefits under the most recently dated agreement, arrangement or award.

Except as set forth in this subparagraph b., any Reduction Notice will take precedence over the provisions of any other plan, arrangement or agreement governing Executive’s rights and entitlements to any benefits or compensation.

(c) Executive Officer Severance Policy Compliance. To the extent that this Agreement would provide compensation to Executive that would violate the terms of the Company’s Executive Officer Severance Policy as from time to time adopted by the Board and in effect at the time of the termination of the Executive’s employment with the Company, Benefits (as that term is defined in the Executive Officer Severance Policy) payable to Executive shall be reduced by the Company in the smallest amount necessary to comply with the Executive Officer Severance Policy.

7. Section 409A of the Internal Revenue Code. The arrangements described in this Agreement are intended to comply with Section 409A of the Internal Revenue Code to the extent such arrangements are subject to that law. Only to the extent the payments set forth in paragraphs 4(a) and 4(b) of this Agreement are subject to Code Section 409A, and only to the further extent Executive is a “specified employee” (within the meaning of Section 409A), payments of Base Salary or annual bonus as provided in those paragraphs shall not be made until the date which is six (6) months and one day after Executive incurs a “separation of service” (within the meaning of Section 409A) and on such pay date, the Company shall pay Executive all payments that otherwise would have been paid during such six-month period but for Executive’s status as a “specified employee.” The parties agree that they will negotiate in good faith regarding amendments necessary to bring this Agreement into compliance with the terms of that Section or an exemption therefrom as interpreted by guidance issued by the Internal Revenue Service. The parties further agree that to the extent any part of this Agreement fails to qualify for exemption from or satisfy the requirements of Section 409A, the affected arrangement may be operated in compliance with Section 409A pending amendment to the extent authorized by the Internal Revenue Service. In such circumstances the Company will administer this Agreement in a manner which adheres as closely as possible to the existing terms and intent of the Agreement while complying with Section 409A. This paragraph does not restrict the Company’s rights (including, without limitation, the right to amend or terminate) with respect to this Agreement to the extent such rights are reserved under the terms of this Agreement.

8. Attorney's Fees. In the event of a dispute between the Company and Executive relating to Executive's services hereunder or the terms or performance of this Agreement, including, but not limited to, paragraphs 3(g) and 4(d) of this Agreement, the Company shall promptly pay Executive's reasonable expenses of attorney's fees and expenses in connection with such dispute upon delivery of periodic billings for same, provided that (i) Executive shall promptly repay all amounts paid under this paragraph at the conclusion of such dispute if the resolution thereof includes a finding that Executive did not act in good faith in the matter in dispute or in the dispute proceeding itself, and (ii) no claim for expenses of representation shall be submitted by Executive unless made in writing to the Board within 90 days after receipt of billing for such representation. Any such payment shall be made promptly, and in any event no later than the end of the calendar year following the year in which the expense was incurred.

9. Other Benefits. The benefits provided under this Agreement shall, except to the extent otherwise specifically provided herein, be in addition to, and not in derogation or diminution of, any benefits that Executive or his beneficiary may be entitled to receive under any other plan or program now or hereafter maintained by the Company or TCF Subsidiaries.

10. Successors. The Company shall require any successor (whether direct or indirect, by purchase, merger, consolidation, or otherwise) to all or substantially all of the business and/or assets of the Company, to expressly assume and agree to perform its obligations under this Agreement in the same manner and to the same extent that the Company would be required to perform them if no succession had taken place unless, in the opinion of legal counsel mutually acceptable to the Company and Executive, such obligations have been assumed by the successor as a matter of law. Executive's rights under this Agreement shall inure to the benefit of and shall be enforceable by, Executive's legal representative or other successors in interest, but shall not otherwise be assignable or transferable.

11. Other Agreements. This Agreement supersedes and replaces as of the Effective Date all prior agreements or understandings relating to the terms of Executive's service with the Company, including the 2018 Employment Agreement. This Agreement does not supersede or replace any agreement between the Company and Executive pursuant to any plans or programs of the Company, including any stock option agreement, restricted stock agreement or supplemental retirement agreement.

12. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Michigan. Any disputes arising under this Agreement shall be venued in the State or Federal courts located in the State of Michigan, County of Hennepin, the parties consenting to such jurisdiction.

IN WITNESS WHEREOF, the parties have duly executed this Agreement effective as of the day and year first written above.
